Dear Sir,

Thank you for seeking North Kesteven District Council's views as to whether the applicant has complied, in relation to the proposed application, with its duties under sections 42, 47 and 48 of PA2008 relating to consultation and publicity. The Council has no specific comments on the submitted documents including the Counter Context Consultation Report dated January 2023 (document APP C5.1) however can confirm that it was notified by letter received on 20th June 2022 of the intention to submit a DCO application and was invited to comment on consultation materials including the PEIR.

However, the consultation letter whilst addressed to 'North Kesteven District Council' contained address details for South Kesteven District Council. Table 9.1: 'Relevant local authorities under Section 43 of the 2008 Act' of the Counter Context Consultation Report does not list South Kesteven District Council as having been notified as a s.43 local authority and therefore the Case Officer should ensure themselves that the appropriate consultations have been carried out.

Regards
Nick Feltham
