Simon

Given the distance of this NSIP to Norfolk – I can confirm we do not have any comments to make.

Kind regards

Stephen

Importance: High

WARNING: External email, think before you click!

Dear Sir/Madam,

We have previously provided an opportunity for you to submit an Adequacy of Consultation Representation from your authority for the Cottam Solar Project Development Consent Order Application in our letter of the 13 January 2023 (attached for your reference). This case is located in near Gainsborough and Cottam Power Station in West Lindsey District of Lincolnshire and Bassetlaw District of Nottinghamshire. We appreciate that your authority is dealing with a significant workload, but wish to give every opportunity for the views of your council to be taken into account in the Acceptance Decision.

The deadline for the Inspectorate to reach a decision whether or not to Accept for Examination the Cottam Solar Project is Thursday 9 February 2022, but where possible we would like to reach a decision in advance of the deadline. As we would like to conclude our process promptly, it would be helpful if we could have either a Representation should you wish to make one or an indication of your intentions in relation to your opportunity to make a representation by or before 17:00 on Friday 3 February 2023.

Thank you in advance for your assistance.

Kind regards,

Simon
