Does the Cumulative Assessment Site Plan cover all the schemes proposed or just those that fit into the National Strategic Limit category?

S of S showing total disregard for the public by having each submission assessed separately and not considering the cumulative effect on the area and not included the government plans for Scampton which are I know outside your remit within the total impact on a small geographical area.

Graham Worthington

Please be aware of cybercrime. Do not respond to emails asking you to pay money. Never make a payment purely in response to an email. Always call the company to validate any payment requests and check the phone number independently from the email (i.e. via a secure web site). If you receive a phone call asking for payment ensure you are satisfied the call is genuine, or else call me back to check. I will not take responsibility if you transfer money to a fraudster in error.
