							<p>Deadline 1 update: Heads of Terms are no longer required, as the cable route can be accommodated in other land within the Order limits. This decision has been made to avoid impacts on the Kimberley land due to livestock.</p> <p>The Applicant included this land as a conservative approach in order to ensure there was sufficient flexibility to construct the cable route within the Order limits as the detailed design has not yet been finalised (Land reference: 17-361 on C2.2_A Land Plan Revision A [AS-006]).</p> <p>However, current design proposals can avoid using this land by using land to the north where Heads of Terms have been agreed with the landowners and are either signed or in the process of being signed. The Applicant has notified these landowners of this via an email to their agent Daniel Jobe at Brown and Co.</p>
