1 Introduction to the Book of Reference and Land Plans

- 1.1.1 This document is a Book of Reference ("BoR") and accompanies the application for the proposed Cottam Solar Project Order (the "Order") under the Planning Act 2008 ("PA 2008").
- 1.1.2 This document comprises part of the application documents for the Order as required by Regulation 5(2)(d) of the Infrastructure Planning (Applications: Prescribed Forms and Procedure) Regulations 2009 ("APFP Regulations")
- 1.1.3 The BoR is to be read in conjunction with Land Plans (Application Document Reference **[REP-004]**) submitted under regulation 5(2)(i) of the APFP Regulations. The Land Plans identify all the land required for the authorised development or required to facilitate or is incidental to the authorised development and over which compulsory acquisition powers and temporary use powers are being sought (the "Order land").
- 1.1.4 Crown Land Plans (Application Document Reference **[AS-009]**) as required by Regulation 5(2)(i)(iv) and 5(2)(n) have been created and submitted. No Special Category Land has been identified within the Order land.

2 Book of Reference and Land Plans

- 2.1.1 The BoR is divided into five Parts as prescribed by Regulation 7(1) of the APFP Regulations.
- 2.1.2 Each of the five Parts is summarised below, together with a brief commentary on how the requirements in the APFP Regulations have been interpreted and applied to the collation of each part of the BoR for Cottam Solar Project.
- 2.1.3 The Order land is identified by numbered entries on the Land Plans and in the BoR. Each plot is numbered uniquely so that the prefix of the plot number relates to the Land Plans sheet number on which the plot appears.
- 2.1.4 All plot area measurements in the BoR are approximate, as these measurements are given in square metres, and each measurement is rounded up to the nearest whole square metre.
- 2.1.5 Each plot is coloured on the Land Plans. The colour of the plot indicates the purpose for which the land in that plot is required:
- a) Pink: Freehold to be compulsorily acquired and temporary use of land and in relation to which it is proposed to extinguish easements, servitudes and other private rights – Description of acquisition sought being ‘Freehold Acquisition’;
 - b) Blue: New rights (including restrictions) to be compulsorily acquired and temporary use of land and in relation to which it is proposed to suspend or extinguish easements, servitudes and other private rights - Description of acquisition sought being ‘Acquisition of Rights’; and
 - c) Yellow: Temporary use of land and in relation to which it is proposed to temporarily suspend easements, servitudes and other private rights – Description of acquisition sought being ‘Temporary Rights’.

2.2 Part 1 of the Book of Reference

- 2.2.1 Part 1 of the BoR is described in Regulation 7(1)(a) as follows:
- 2.2.2 “Part 1 contains the names and addresses for service of each person within Categories 1 and 2 as set out in section 57 (categories for purposes of section 56(2)(d)) in respect of any land which it is proposed shall be subject to–
- i. powers of compulsory acquisition.
 - ii. rights to use land, including the right to attach brackets or other equipment to buildings; or
 - iii. rights to carry out protective works to buildings.”
- 2.2.3 Category 1 persons are defined within section 57 of the Planning Act 2008 as those who own, lease, hold a tenancy in relation to or occupy land within the Order land (see sections 57(1) and (7) of the PA 2008).
- 2.2.4 Category 2 persons are those who have an interest in land within the Order land or have the power to sell and convey or to release such land. This includes

mortgagees, cautioners and beneficiaries that may have an interest in the land to which the application for development consent relates.

- 2.2.5 Part 1 of the BoR contains the names and addresses of each person within Category 1 and 2.

2.3 Part 2 of the Book of Reference

- 2.3.1 Part 2 of the BoR is described in Regulation 7(1)(b) as follows:

"...Part 2 contains the names and addresses for service of each person within Categories 3 as set out in section 57;"

- 2.3.2 Category 3 persons are defined as those who would or might be entitled to make a 'relevant claim' (being a claim under section 10 of the Compulsory Purchase Act 1965 and / or under Part 1 of the Land Compensation Act 1973 and / or under section 152(3) of the Planning Act 2008) as a result of the implementation of the Order, as a result of the Order having been implemented, or as a result of the use of the land once the Order had been implemented.

- 2.3.3 It is considered that Category 3 contains parties with legal rights or interests over the land within the Order land. Certain relevant persons included within Part 1 of the BoR have also been included within Part 2 where their rights may be affected. Category 3 also contains persons with interests in land outside the Order land who, it is considered, might be able to make a relevant claim (as defined above).

- 2.3.4 Part 2 of the BoR contains the names and addresses of all those Category 3 persons with interests in the Order land, who it is considered might be able to make a relevant claim. For each plot, a description of the land and its approximate area are provided. Part 2 also contains the names and addresses of all those Category 3 persons with interests in land outside the Order land who, it is considered, might be able to make a relevant claim (as defined above).

2.4 Part 3 of the Book of Reference

- 2.4.1 Part 3 of the BoR is described in Regulation 7(1)(c) as follows: -

"...Part 3 contains the names of all those entitled to enjoy easements or other private rights over land (including private rights of navigation over water) which it is proposed shall be extinguished, suspended or interfered with."

- 2.4.2 Part 3 of the BoR contains the names of all those persons who it is considered may have their private rights over land affected by the authorised development pursuant to the Order.

- 2.4.3 Certain relevant persons included within Part 1 of the BoR have also been included within Part 3 where their rights may be affected. Examples include statutory undertakers with services in or under the Order land, and whose rights over the Order land are likely to be affected whether the Order land is required permanently or temporarily.

2.5 Part 4 of the Book of Reference

2.5.1 Part 4 of the BoR is described in Regulation 7(1)(d) as follows: -

“...Part 4 specifies the owner of any Crown interest in the land which is proposed to be used for the purposes of the order for which application is being made;”

2.5.2 Where Crown interests in the Order land have been identified, these are listed in Part 4, and the relevant plots are also shown on the Crown Land Plans – (Application Document Reference **[AS-009]**) to signify that it is Crown land.

2.6 Part 5 of the Book of Reference

2.6.1 In accordance with Regulation 7(1)(e) of the APFP Regulations, Part 5 identifies land:

- (i) the acquisition of which is subject to Special Parliamentary Procedure under particular circumstances.
- (ii) which is Special Category Land (meaning land which forms all or part of a common, open space, National Trust land held inalienably and fuel and field garden allotments); and
- (iii) which is replacement land.
- (iv) and for each plot of such land within which it is intended that all or part of the proposed development and works shall be carried out, the area in square metres of that plot.

2.6.2 No Special Category Land has been identified within the Order land.

3 Acquisition of Rights and Imposition of Restrictions

3.1.1 Schedule 10 to the Order sets out the purpose for which the compulsory acquisition powers for the creation of new rights and imposition restrictions are being sought.
