To: Cottam Solar Project
Subject: Too much Solar in one place

[REDACTED]

Dear Sirs,

The proposed project is just too big for the area and will cause serious problems for local people, both in look and traffic on tiny roads and danger to people walking and the glare will be awful for raf planes in the area too.

Please do not go ahead with this project and instead use the land for farm food production, which is so badly needed.

Do the right think and refuse this application please.

Yours faithfully,
David Chambers
