

ExA Q 3.9.4 Historic England Historic England's views are sought on the effect of Changes 1 and 2 on the Scheduled Monument

Fleet Plantation Moated Site (NHLE 1008594).

This change mirrors that in the shared cable corridor with the Gate Burton Solar, we are content that with the benefit of archaeological work carried out towards the Gate Burton Scheme scheme (and the associated stand-off from the scheduled area) no additional impact upon the significance of the scheduled monument is likely to occur.
