1 Introduction

1.1 Purpose of this document

- 1.1.1 This document sets out the changes that have been made to the documents submitted by Cottam Solar Project Limited (the 'Applicant') for a Development Consent order on 12 January 2023.
- 1.1.2 For each of the other revised documents submitted during the pre-examination period and at each of the Examination Deadlines, the Tables in Section 2 provide a summary of the changes, the reason for the changes and the references for both the previous version and the new version of the document.
- 1.1.3 The Tables in Section 3 set out the detailed changes made to the draft Development Consent Order. The Tables in Section 4 provide detail of changes to the Land Plan, while the Tables in Sections 5 and 6 relate to the Book of Reference.

2 Schedule of Changes to Previously Submitted Documents

Table 2.1: Schedule of Changes Made during the Pre-Examination Period

Document Name	Submitted Document Reference	Revision and New Reference	Deadline and Date Submitted	Change	Reason for Change
C1.3 Guide to the Application	[APP-003]	Revision A [AS-005]	24 April 2023	Guide to the Application updated to reflect revised documents and additional documents.	To provide an overview of the submitted documents and to keep track of document references.
C2.2 Land Plan	[APP-006]	Revision A [AS-006]	24 April 2023	Plans amended to show missing plot labels, increase the font size of plot descriptions, and to correctly identify rights being sought to ensure consistency with the Draft Development Consent Order, Book of Reference, and Statement of Reasons.	In response to advice issued by PINS under Section 51 (PA2008) or to comments provided by PINS within the section 55 checklist relating to the application. Please refer to C8.1.1 Cottam Solar Project Pre-Examination Response to S51 Advice Cover Letter [AS-004] .
C2.4 Works Plan	[APP-007]	Revision A [AS-007]	24 April 2023	Plans amended to ensure consistency with the Draft Development Consent Order. Missing labels have been added to all works areas, and erroneous inclusion of works have been amended.	In response to advice issued by PINS under Section 51 (PA2008) or to comments provided by PINS within the section 55 checklist relating to the application. Please refer to C8.1.1 Cottam Solar Project Pre-Examination Response to S51 Advice Cover Letter [AS-004] .
C2.5 Public Rights of Way Plan	[APP-008]	Revision A [AS-008]	24 April 2023	Erroneous label for point 19ii/a has been amended to 19ii/b	In response to advice issued by PINS under Section 51 (PA2008) or to comments provided by PINS within the section 55 checklist relating to the application. Please refer to C8.1.1 Cottam Solar Project Pre-Examination Response to S51 Advice Cover Letter [AS-004] .

Document Name	Submitted Document Reference	Revision and New Reference	Deadline and Date Submitted	Change	Reason for Change
C2.12 Crown Land Plan	[APP-014]	Revision A [AS-009]	24 April 2023	Presentational amendments to the plans to correctly show north arrows, and to increase the font size of plot descriptions.	In response to advice issued by PINS under Section 51 (PA2008) or to comments provided by PINS within the section 55 checklist relating to the application. Please refer to C8.1.1 Cottam Solar Project Pre-Examination Response to S51 Advice Cover Letter [AS-004] .
C2.13 Streets Plan	[APP-015]	Revision A [AS-010]	24 April 2023	Leader lines have been added for those reference points 19c, 19d, 19e, and 19f, and offset away from the road for clarity.	In response to advice issued by PINS under Section 51 (PA2008) or to comments provided by PINS within the section 55 checklist relating to the application. Please refer to C8.1.1 Cottam Solar Project Pre-Examination Response to S51 Advice Cover Letter [AS-004] .
C3.1 Draft Development Consent Order	[APP-018]	Revision A [AS-013]	24 April 2023	Typographical errors and missing or erroneous information have been corrected.	In response to advice issued by PINS under Section 51 (PA2008) or to comments provided by PINS within the section 55 checklist relating to the application. Please refer to C8.1.1 Cottam Solar Project Pre-Examination Response to S51 Advice Cover Letter [AS-004] .
C4.1 Statement of Reasons	[APP-018]	Revision A [AS-013]	24 April 2023	Typographical errors and missing or erroneous plot numbers have been corrected.	In response to advice issued by PINS under Section 51 (PA2008) or to comments provided by PINS within the section 55 checklist relating to the application. Please refer to C8.1.1 Cottam Solar Project Pre-Examination Response to S51 Advice Cover Letter [AS-004] .

Document Name	Submitted Document Reference	Revision and New Reference	Deadline and Date Submitted	Change	Reason for Change
C4.3 Book of Reference	[APP-020]	Revision A [AS-015]	24 April 2023	Changes to plot interests, including adding or removing plot interests, and updates to interested party contact information have been made. Changes to plot information as a result of description changes, additional, removal or splitting of plots has also been addressed.	In response to advice issued by PINS under Section 51 (PA2008) or to comments provided by PINS within the section 55 checklist relating to the application. Please refer to C8.1.1 Cottam Solar Project Pre-Examination Response to S51 Advice Cover Letter [AS-004].

Table 2.2: Schedule of Changes Made at Deadline 1

Document Updated	Submitted Document Reference	New Document Reference	Deadline and Date Submitted	Change	Reason for Change
C1.3_A Guide to the Application	[AS-005]	Revision B [EX1/C1.3_B]	Deadline 1 17 October 2023	Guide to the Application updated to reflect revised documents and additional documents.	To provide an overview of the submitted documents and to keep track of document references.
C2.2_A Land Plan	[AS-006]	Revision B [EX1/C2.2_A]	Deadline 1 17 October 2023	See Table 4.1 below.	See Table 4.1 below.
C2.13_A Streets Plan	[AS-010]	Revision B [EX1/C2.13_B]	Deadline 1 17 October 2023	Plans amended and note added to Key to show private access to be temporarily stopped up, private access works and	ExA Request ISH1. To identify private roads that might be affected by Article 12.

Document Updated	Submitted Document Reference	New Document Reference	Deadline and Date Submitted	Change	Reason for Change
				private access subject to traffic regulation measures.	
C3.1_A Draft Development Consent Order	[AS-012]	Revision B [EX1/C3.1_B]	Deadline 1 17 October 2023	See Table 3.1 below.	See Table 3.1 below.
C4.3_A Book of Reference	[AS-016]	Revision B [EX1/C4.3_B]	Deadline 1 17 October 2023	See Tables 5.1 and 6.1 below.	See Tables 5.1 and 6.1 below.
C6.2.4 ES Chapter 4: Scheme Description	[APP-039]	Revision A [EX1/C6.2.4_A]	Deadline 1 17 October 2023	Paragraph 4.5.52 updated to increase the minimum distance of launch and reception pits from 10m to 16m in response to Environment Agency's request. Amendments to document references.	At EA's Request to comply with FRA 3. To reflect the latest document references.
C6.2.7 ES Chapter 7: Climate Change	[APP-042]	Revision A [EX1/C6.2.7_A]	Deadline 1 17 October 2023	Paragraph 7.8.54 amended for the replacement rate of PVs from 0.04% to 0.4%. Amendments to document references and figures/tables within the document.	To correct a typo. To reflect the latest document references and correct figures/table references within the document.
C6.2.19 ES Chapter 19: Soils and Agriculture	[APP-054]	Revision A [EX1/C6.2.19_A]	Deadline 1 17 October 2023	Sections 19.3, 19.7 and 19.9 and Table 19.2 revised to clarify that land will be restored after decommissioning without permanent	To reflect the Agricultural Land Classification use of the land that was identified as permanently lost.

Document Updated	Submitted Document Reference	New Document Reference	Deadline and Date Submitted	Change	Reason for Change
				loss and to clarify the extent of agricultural use during operation.	
C6.2.22 ES Chapter 22: Mitigation Schedule	[APP-057]	Revision A [EX1/ C6.2.22_A]	Deadline 1 17 October 2023	New paragraph added to Hydrology, Flood Risk and Drainage ES Chapter for Operational phase of the development relating to Measures in Scheme Design to include the location of sensitive electrical equipment.	For precision and to reflect the location of sensitive electrical equipment as set out in the Flood Risk Assessment and Drainage Strategy [APP-090].
C6.3.8.2 ES Appendix 8.2 Assessment of Potential Landscape Effects	[APP-074]	Revision A [EX1/ C6.3.8.2_A]	Deadline 1 17 October 2023	C6.3.8.2.2.1 RLCT4a Cottam 1 added. C6.3.8.2.8.2 Natural Designations Cottam 2 added C6.3.8.2.8.3 Natural Designations Cottam 3a and 3b added	Pages missing from the submission version of the document have been added.
C6.3.9.7 Great Crested Newts Survey Report	[APP-084]	Revision A [EX1/ C6.3.9.7_A]	Deadline 1 17 October 2023	Paragraphs 2.2.11, 4.1.6 and Figure 11, added; Paragraph 2.2.22 deleted and Paragraphs 3.2.6, 4.1.2, 4.1.5, 4.1.7, 4.2.4 and Tables 7, 12 updated to include 2023 Great Crested Newts Survey.	To provide information on the likely presence or likely absence of Great Crested Newts for 6 additional ponds along the cable corridors where access had not been previously arranged and of a further three ponds which were previously found to be dry.
C6.3.14.2 Construction Traffic Management Plan	[APP-135]	Revision A [EX1/ C6.3.14.2_A]	Deadline 1 17 October 2023	Construction Traffic Management Plan updated to take equestrians and reinstatement of private roads into account.	ExA Request ISH1 and to address the British Horse Society's Relevant Representation [RR-023].

Document Updated	Submitted Document Reference	New Document Reference	Deadline and Date Submitted	Change	Reason for Change
				Addition of indicative construction access drawings for the Sites and the Cable Route Corridor.	To identify private roads that might be affected by Article 12. Details for construction access added in response to comments raised at ISH1.
C6.3.14.3 Public Rights of Way Management Plan	[APP-136]	Revision A [EX1/ C6.3.14.3_A]	Deadline 1 17 October 2023	Public Rights of Way Management Plan updated to take equestrians into account. Paragraph 3.17 updated to confirm that advance notice of closures will be provided. Paragraph 4.3 has been added to deal with the repair of damage to any PRow used during operation. Paragraph 14.3 added to clarify the Scheme's impact on existing PRows.	To address the British Horse Society Relevant Representation [RR-023] and comments raised at ISH1.
C6.4.8.16.1 to C6.4.8.16.10 Landscape and Ecology Mitigation and Enhancement Plans	[APP-305 to APP-315]	Revision A [EX1/ C6.4.8.16.1_A to EX1/ C6.4.8.16.10_A]	Deadline 1 17 October 2023	Correction of typos, to show additional hedgerows to be removed and to provide clarity of IDB Drain locations.	Minor editorial changes for clarity.
C6.5 ES Non-Technical Summary	[APP-336]	Revision A [EX1/C6.5_A]	Deadline 1 17 October 2023	Paragraphs 6.3.14 to 6.3.16, and 6.3.20 to 6.3.21, updated clarifying as to which part of the Site, and which assessment period the effects relate to.	To provide clarity and consistency and minor editorial changes.

Document Updated	Submitted Document Reference	New Document Reference	Deadline and Date Submitted	Change	Reason for Change
				<p>Paragraph 6.9.9 updated to reflect amendments to include for equestrian traffic and PRoW users in revisions to the CTMP and PRoWMP.</p> <p>Paragraph 6.14.8 updated to ensure consistency with the revised Soils and Agriculture ES Chapter.</p>	
C7.1 Outline Construction Environmental Management Plan	[APP-337]	Revision A [EX1/C7.1_A]	Deadline 1 17 October 2023	Table 3.11 updated to include 'Discovery Strategy' and clarify that the Environment Agency's and Local Planning Authority's review will be sought should contamination on site be discovered.	To address the Environment Agency's Relevant Representation [RR-026].
C7.3 Outline Landscape and Ecological Management Plan	[APP-339]	Revision A [EX1/C7.3_A]	Deadline 1 17 October 2023	Paragraph 1.1.5 added to clarify the approach to be adopted in relation to the proposed minor hedgerow removal works.	To address the Environment Agency's Relevant Representation [RR-026].
C7.5 Planning Statement	[APP-341]	Revision A [EX1/C7.5_A]	Deadline 1 17 October 2023	<p>Updated document and appendices to reflect the recent changes in policy as set out in:</p> <ul style="list-style-type: none"> Overarching National Policy Statement for Energy (EN-1), March 2023; and 	To present the most up to date policy position and planning history.

Document Updated	Submitted Document Reference	New Document Reference	Deadline and Date Submitted	Change	Reason for Change
				<ul style="list-style-type: none"> National Policy Statement for Renewable Energy Infrastructure (EN-3), March 2023. Central Lincolnshire Local Plan (CLLP), April 2023; Superseded Central Lincolnshire Local Plan 2012-2036 (SLLP), 2017; National Planning Policy Framework (NPPF), September 2023. <p>Updated planning history.</p>	
C7.15 Concept Design Parameters	[APP-352]	Revision A [EX1/C7.15_A]	Deadline 1 17 October 2023	<p>Table 2.1 updated to include the position of electrical infrastructure associated with the panels.</p> <p>Table 2.1: Conversion Units: Design Parameter amended to remove reference to <i>unless sited within a higher risk flood zone, in which case it could be up to 4.5 m in height.</i></p> <p>Table 2.6 updated to specify minimum drilling, boring depth under the River Trent to be 5 meters.</p>	<p>For consistency with ES Chapter 22: Mitigation Schedule [C6.2.19_A] and Flood Risk Assessment and Drainage Strategy [APP-090].</p> <p>Raised at ISH1.</p>

Document Updated	Submitted Document Reference	New Document Reference	Deadline and Date Submitted	Change	Reason for Change
C1.3_C Guide to the Application (Revision C)	[REP2-001]	Revision D [EX3/C1.3_D]	Deadline 3 19 December 2023	Guide to the Application updated to reflect revised documents and additional documents.	To provide an overview of the submitted documents and to keep track of document references.
C3.1_D Draft Development Consent Order	[REP2-004]	Revision E [EX3/C3.1_E]	Deadline 3 19 December 2023	See Table 3.1 below.	See Table 3.1 below.
C4.3_D Book of Reference	[REP2-006]	Revision E [EX3/C4.3_E]	Deadline 3 19 December 2023	See Tables 5.1 and 6.1 below.	See Tables 5.1 and 6.1 below.
C6.3.14.2_C Construction Traffic Management Plan	[REP2-016]	Revision D [EX3/C6.3.14.2_D]	Deadline 3 19 December 2023	<p>Updated to include security measures along North Farm access track</p> <p>Update re deployment of banksman (movement plan) re Stow Abbey</p> <p>Update re management of access track on race days in liaison with Blyton Driving Centre</p> <p>Update re detailed plans for detailed design stage equiv to S278</p>	<p>In response to comments by interested party at CA hearing. See Action Point 3 [EX3/C8.1.24]</p> <p>Undertaking at ISH 2. See 3A [C8.1.21].</p> <p>In response to comments by interested party at CA Hearing.</p> <p>In response to request by Lincs CC at ISH5.</p>

Document Updated	Submitted Document Reference	New Document Reference	Deadline and Date Submitted	Change	Reason for Change
				Update to refer to production of a joint CTMP in shared cable route corridor.	In response to request by West Lindsey DC
C6.3.19.2 Outline Soil Management Plan	[APP-146]	Revision B [EX3/C6.3.19.2_B]	Deadline 3 19 December 2023	Update to include further detail on the reinstatement of soils and soil monitoring	In response to request by Natural England
C7.1_B Outline Construction Environmental Management Plan	[REP2-024]	Revision C [EX3/C7.1_C]	Deadline 3 19 December 2023	Update to refer to production of a joint CTMP in shared cable route corridor.	In response to request by West Lindsey DC
C7.2 Outline Decommissioning Statement	[APP-338]	Revision A [EX3/C7.2_A]	Deadline 3 19 December 2023	Provision for a waste management strategy to be submitted.	In response to Lincolnshire CC response to ExA FWQ 1.13.14
C7.3_C Outline Landscape and Ecological Management Plan	[REP2-026]	Revision D [EX3/C7.3_D]	Deadline 3 19 December 2023	The Outline Landscape Environmental Management Plan [EN010133/EX3/C7.3_D] has been updated to include clarity on the maximum width of hedgerow that is anticipated to be removed to facilitate access and for the construction of the Cable Route Corridor.	In response to Action at ISH5.

Document Updated	Submitted Document Reference	New Document Reference	Deadline and Date Submitted	Change	Reason for Change
C7.9_A Outline Battery Storage Safety Management Plan (Revision A)	[REP2-030]	Revision B [EX3/C7.9_B]	Deadline 3 19 December 2023	Revision to text regarding need for fire suppression systems	In response to latest guidance and agreement with Lincolnshire Fire and Rescue on requirements.
C7.15_A Concept Design Parameters	[REP-039]	Revision B [EX3/C7.15_B]	Deadline 3 19 December 2023	Fire Suppression system and battery parameters updated. Text on HDD depth under Trent amended.	In response to updated guidance and Lincolnshire Fire and Rescue advice. In response to request from Canals and Rivers Trust to mirror text used for Gate Burton Solar project.
C7.16_A Outline Operational Environmental Management Plan	[REP2-032]	Revision B [EX3/C7.16_B]	Deadline 3 19 December 2023	Provision for a waste management strategy to be submitted	In response to Lincolnshire CC response to ExA FWQ 1.13.14
C7.20 Information to Support a Habitats Regulations Assessment	[APP-357]	Revision A [EX3/C7.20_A]	Deadline 3 19 December 2023	Update to include information relating to the Humber Estuary Ramsar site which was not included in the original version.	In response to ExA's First WQs 1.6.2
C8.1.8_A Report on the Interrelationship with other NSIPs	[REP2-036]	Revision B [EX3/C8.1.8_B]	Late D3 submission to be on or immediately	Update to check alignment on conclusions on cumulative topics and/or explanation of any differences as requested in ISH4	In response to ExA request for an updated version at each Deadline

Document Updated	Submitted Document Reference	New Document Reference	Deadline and Date Submitted	Change	Reason for Change
			after 21/12 to correspond with Gate Burton Deadline 6 submission.	Update with recent scoping reports for One Earth and Great North Road	
Lincolnshire County Council SoCG	EX3/C8.3.2_A	EX3/C8.3.2_B	Deadline 3 19 December 2023	Update in respect of meeting held between the Applicant and Lincs CC on 14/12/23 to discuss WSI options	In response to request from ExA at ISH 5.
West Lindsey DC SoCG	EX3/C8.3.3	EX3/C8.3.3_A	Deadline 3 19 December 2023	Update to incorporate text setting out the position of West Lindsey DC and the Applicant in relation to cumulative significant effects	In response to request from ExA at ISH4.
Natural England SoCG	EX3/C8.3.11	EX3/C8.3.11_B	Deadline 3 19 December 2023	Update to include additional text on reinstatement of soils and the updated iHRA in relation to Ramsar Designations.	In response to comments from and discussion with Natural England
C8.1.9_A Statement of Commonality	[REP2-038]	Revision B [EX3/C8.1.9_B]	Deadline 3 19 December 2023	Update on progress in relation to agreeing Statements of Common Ground.	Update requested by ExA at each Deadline.
C8.1.11_A Schedule of progress regarding objections and agreements in relation	[REP2-040]	Revision B [EX3/C8.1.11_B]	Deadline 3 19 December 2023	Updates on progress	In responses to the ExA's request in the Rule 6 letter [PD-006] .

to Compulsory Acquisition, Temporary Possession, other land rights, and blight					
C8.1.12_A Schedule of Negotiations	[REP2-042]	Revision B [EX3/C8.1.12_B]	Deadline 3 19 December 2023	Updates on negotiations	In responses to the ExA's request in the Rule 6 letter [PD-006].
C8.1.13_A Schedule of progress regarding Protective Provisions and Statutory Undertakers	[REP2-044]	Revision B [EX3/C8.1.13_B]	Deadline 3 19 December 2023	Updates on progress	In responses to the ExA's request in the Rule 6 letter [PD-006].

Table 2.5: Schedule of Changes Made at Deadline 4

Document Updated	Submitted Document Reference	New Document Reference	Deadline and Date Submitted	Change	Reason for Change
C1.3_D Guide to the Application (Revision D)	[REP2-001]	Revision E [EX3/C1.3_E]	Deadline 4 30 January 2024	Guide to the Application updated to reflect revised documents and additional documents.	To provide an overview of the submitted documents and to keep track of document references.
C2.1 Location Plan	APP-005 [AS-043]	C2.1_B	Deadline 4 30 January 2024	Update to the Order Limits.	To reflect updated Order Limits from the change application.
C2.5 Land Plan	REP-004 AS-044	C2.2_D	Deadline 4 30 January 2024	See Table 4.1 below.	See Table 4.1 below.
C2.4 Works Plan	APP-007 [AS-045]	C2.4_C	Deadline 4 30 January 2024	Update to the Order Limits.	To reflect updated Order Limits from the change application.
C2.5 Public Rights of Way Plan	REP2-018 [AS-046]	C2.5_D	Deadline 4 30 January 2024	Update to the Order Limits.	To reflect updated Order Limits from the change application.
C2.6 Access Plan	REP2-003 [AS-047]	C2.6_C	Deadline 4 30 January 2024	Update to the Order Limits.	To reflect updated Order Limits from the change application.
C2.8 Waterbodies River Basin Management Plan	APP-010	C2.8_A	Deadline 4 30 January 2024	Update to the Order Limits.	To reflect updated Order Limits from the change application.
C2.9 Ecology and Nature	APP-011 [AS-048]	C2.9_B	Deadline 4 30 January 2024	Update to the Order Limits.	To reflect updated Order Limits from the change application.

Document Updated	Submitted Document Reference	New Document Reference	Deadline and Date Submitted	Change	Reason for Change
Conservation Features Plan					
C2.10 Historic Environment Features Plan	APP-012	C2.10_A	Deadline 4 30 January 2024	Update to the Order Limits.	To reflect updated Order Limits from the change application.
C2.11 Important Hedgerows Plan	APP-013 [AS-049]	C2.11_B	Deadline 4 30 January 2024	Update to the Order Limits.	To reflect updated Order Limits from the change application.
C2.13 Streets Plan	APP-015 [AS-050]	C2.13_D	Deadline 4 30 January 2024	Update to the Order Limits.	To reflect updated Order Limits from the change application.
C3.1_D Draft Development Consent Order	REP3-004	Revision E [EX4/C3.1_E]	Deadline 4 30 January 2024	See Table 3.1 below.	See Table 3.1 below.
C3.2_B Explanatory Memorandum	APP-017 [AS-053]	Revision B [EX4/C3.2_B]	Deadline 4 30 January 2024	Updated to reflect various changes to the drafting of the DCO, including in respect of the change application.	To reflect various changes to the drafting of the DCO, including in respect of the change application. An updated Explanatory Memorandum was also requested by the Examining Authority in first written question 1.1.26 [PD-011].
C4.2_B Statement of Reasons	AS-013 [AS-055]	Revision C [EX4/C4.1_C]	Deadline 4 30 January 2024	Updates in respect of the change application and to Appendix B in respect of ongoing negotiations with landowners with	To reflect changes in land interests information resulting from the change application, and to update the status of ongoing negotiations with landowners.

Document Updated	Submitted Document Reference	New Document Reference	Deadline and Date Submitted	Change	Reason for Change
				whom the Applicant is seeking to agree voluntary property agreements.	
C4.2_B Funding Statement	APP-019 [AS-057]	Revision B [EX4/C4.2_B]	Deadline 4 30 January 2024	Updates in respect of the change application.	To confirm that the changes in the change request resulted in a negligible change to the overall property costs estimate.
C4.3 D Book of Reference	REP3-006	Revision E [EX4/C4.3_E]	Deadline 4 30 January 2024	See Tables 5.1 and 6.1 below.	See Tables 5.1 and 6.1 below.
C6.3.8.3_B Assessment of Potential Visual Effects	REP2-012 [AS-066]	Revision C C6.3.8.3_C	Deadline 4 30 January 2024	Update to text and assessment to take account of proposed Change 5 of the change application.	Updated to reflect the change application.
C6.3.13.7 ES Appendix 13.7 Archaeological Mitigation WSI	APP-131	Revision A [EX4/C6.3.13.7_A]	Deadline 4 30 January 2024	Update to include additional mitigation measures relating to the additional land included in the Order Limits.	Updated to reflect the change application and the mitigation measures set out in the SEIR [AS-064].
C6.3.14.1_A Transport Assessment	REP2-014	Revision B [EX4/C6.3.14.1_B]	Deadline 4 30 January 2024	Updates to Order Limits, DMMO routes, detailed design stage requirements.	Updated to reflect change application and to align with previous CTMP and PROW Management Plan updates.

Document Updated	Submitted Document Reference	New Document Reference	Deadline and Date Submitted	Change	Reason for Change
C6.3.14.2_D Outline Construction Traffic Management Plan	REP3-007	Revision E [EX4/ C6.3.14.2_E	Deadline 4 30 January 2024	<p>Update to include security measures along North Farm access track; update regarding deployment of banksman (movement plan) at Stow Abbey; update regarding the management of access track on race days in liaison with Blyton Park Driving Centre; update regarding detailed plans for detailed design stage for highways works equivalent to a section 278 agreement. These changes were previously contained in C6.3.14.2_D [REP3-007] only.</p> <p>Update to paragraph 3.4 regarding new accesses and to figures and appendices as set out within the Schedule of Changes included within [AS-069]. These changes were previously included within [AS-069] only.</p>	Updated to reflect change application and merge previously submitted [REP3-007] with [AS-069].
C6.3.14.3 Public Rights of Way Management Plan	REP2-018 [AS-070]	Revision D [EX4/C6.3.14.3_D]	Deadline 4 30 January 2024	Update to the Order Limits. Addition of information relating to the temporary closure of c.1.7km of Torksey Ferry Road PRoW NT Rampton BOAT13 (see paragraph 3.14 and 3.17).	To reflect updated Order Limits from the change application and to merge changes from the change application version of the plan [AS-070] and the Deadline 2 version [REP2-018].

Document Updated	Submitted Document Reference	New Document Reference	Deadline and Date Submitted	Change	Reason for Change
				Update to paragraph 4.12 to include early implementation of mitigation planting around North Farm	As detailed in the response to ExA Second written question number 2.5.4 [EX4/C8.1.30].
C7.4 Consents Agreements Position Statement	APP-340	Revision A [EX4/C7.4_A]	Deadline 4 30 January 2024	Update Table 1: replace "as appropriate" with "as required" Update to remove disapplication of certain legislative provisions.	To reflect where the Environment Agency has confirmed it will not consent to disapplication in the DCO.
C7.5_B Planning Statement	REP2-028	Revision C [EX4/C7.5_C]	Deadline 4 30 January 2024	Main document text has been updated to reflect the designation of the new suite of Energy NPSs in January 2024. New paragraphs 6.9.15 and 6.9.16 to reflect additional assessment of the Humber Estuary Ramsar Site. Appendix 4 - updates relating to neighbourhood planning policies Appendix 3 updates relating to the new Energy NPSs	Updates in response to ExA's first written question 1.12.1 [PD-011]. Updates in response to ExA's second written questions [PD-015].

3 Schedule of Changes to the Draft Development Consent Order

Table 3.1: Schedule of Changes Made to the Draft Development Consent Order during the Pre-Examination Period

Location	Request	Rationale	Summary of Change	Relevant doc version
Article 2(1) – definitions	Examining Authority (ExA) and the Applicant	Corrected definition to reflect correct document title. Reordered and clarified definitions.	<p>“date of decommissioning” means in respect of each part of the authorised development the date notified under requirement 21 that that part of the authorised development has permanently ceased to generate electricity on a commercial basis.</p> <p>[...]</p> <p>“outline soils soil management plan” means the document of that name identified in the table at Schedule 14 (documents and plans to be certified) and which is certified by the Secretary of State as the outline soils soil management plan for the purposes of this Order;</p>	B
Article 6(1)(h)	Environment Agency and Canal & River Trust	Clarification that the disapplication of the Environmental Permitting Regulations is in respect of flood risk activity only as agreed with the Environment Agency. Clarification that the disapplication of local legislation does not affect the ability of the Canal & River Trust to operate and maintain	<p>(h) regulation 12 (requirement for environmental permit) of the Environmental Permitting (England and Wales) Regulations 2016 in respect of a flood risk activity only;</p> <p>(i) the legislation listed in Schedule 3 (legislation to be disapplied) in so far as the provisions still in force are incompatible with the powers contained within this Order and do not impact on the operation or maintenance of the river Trent as a navigable river; and</p>	B

		the river Trent as a navigable river as agreed with the Canal & River Trust.		
Article 9(4)	Local Authorities	Amended at the request of local authorities to be clear that consent may be in a form reasonably required by them.	The powers conferred by paragraph (2) may not be exercised without the consent of the street authority, such consent to be in a form reasonably required by the street authority.	B
Article 20 (compulsory acquisition of land)	ExA	Amendment of article 20 for clarity. This drafting has precedent in the Drax Power (Generating Stations) Order 2019.	<p>20.—(1) The undertaker may—</p> <p>(a) acquire compulsorily so much of the Order land as is required for the authorised development or to facilitate, or as is incidental, to it; and</p> <p>(b) use any land so acquired for the purpose authorised by this Order or for any other purposes in connection with or ancillary to the undertaking authorised development.</p> <p>(2) This article is subject to paragraph (2) of article 22 (compulsory acquisition of rights) and article 29 (temporary use of land for constructing the authorised development).</p>	B
Article 23(2)(c) (private rights)	ExA	Amendments to ensure consistency between paragraphs (1) and (2). Drafting removed to be consistent with recently made DCOs.	<p>23.—(1) Subject to the provisions of this article, all private rights and restrictive covenants over land subject to compulsory acquisition under this Order are extinguished—</p> <p>(a) from the date of acquisition of the land, or of the right, or of the benefit of the restrictive covenant by the undertaker, whether compulsorily or by agreement or through the grant of a lease of the land by agreement; or</p> <p>(b) on the date of entry on the land by the undertaker under section 11(1) (power of entry) of the 1965 Act; or.</p>	B

			<p>(e) on commencement of any activity authorised by this Order which interferes with or breaches those rights, whichever is the earliest.</p> <p>(2) Subject to the provisions of this article, all private rights or restrictive covenants over land subject to the compulsory acquisition of rights or the imposition of restrictive covenants under article 22 (compulsory acquisition of rights) cease to have effect in so far as their continuance would be inconsistent with the exercise of the right or compliance with the restrictive covenant—</p> <p>(a) as from the date of the acquisition of the right or imposition of the restrictive covenant by the undertaker (whether the right is acquired compulsorily, by agreement or through the grant of a lease of the land by agreement); or</p> <p>(b) on the date of entry on the land by the undertaker under section 11(1) (power of entry) of the 1965 Act in pursuance of the right; or</p> <p>(e) on commencement of any activity authorised by the Order which interferes with or breaches those rights, whichever is the earliest.</p>	
Article 38 – Felling or lopping of trees and removal of hedgerows	Applicant	Amendments made to address concerns that all hedgerows listed in Schedule 13 could be removed.	<p>(4) The undertaker may, for the purposes of the authorised development or in connection with the authorised development and subject to paragraph (2) remove part of the hedgerows specified in column 2 of the table in Part 1, column 2 of the table in Part 2 and column 2 of the table in Part 3 of Schedule 13 (hedgerows to be removed) to the extent set out in the landscape and ecological management plan approved pursuant to requirement 7 in Schedule 2 (requirements).</p>	B
Article 40 – Certification of plans and documents, etc.	Applicant	New drafting to ensure that substitute and supplementary documents are incorporated in the documents to be certified before these are sent to the Secretary of State for certification.	<p>40.—(1) The undertaker must, as soon as practicable after the making of this Order, submit to the Secretary of State copies of all documents and plans listed in the table at Part 1 of Schedule 14 (documents and plans to be certified) for certification that they are true copies of the documents referred to in this Order.</p> <p>(2) Before submitting the documents and plans in accordance with paragraph (1), the undertaker must substitute or supplement, as the case may be, the documents listed in column 1 of the table at Part 2 of Schedule 14 with the documents listed in column 2 of that table.</p>	B

			(3) (4) A plan or document so certified is admissible in any proceedings as evidence of the contents of the document of which it is a copy.	
Article 46 – Procedure in relation to certain approvals etc.	Local planning authorities	Amendment of timeframe at the request of the relevant planning authorities and to be consistent with the Gate Burton project.	(4) Save for applications made pursuant to Schedule 17 (procedure for discharge of requirements) and where stated to the contrary if, within six eight weeks (or such longer period as may be agreed between the undertaker and the relevant consenting authority in writing) after the application or request has been submitted to a consenting authority it has not notified the undertaker of its disapproval and the grounds of disapproval, it is deemed to have approved the application or request.	B
Schedule 1 – Authorised Development	Applicant	Added for clarity and to be consistent with the description of works ‘comprising all or any’ of the works.	The nationally significant infrastructure project comprises up to four generating stations with a gross electrical output capacity of over 50 megawatts comprising all or any of the work numbers in this Schedule or any part of any work number in this Schedule—	B
Schedule 1 – Authorised Development	Applicant	Expansion of the scope of laydown areas to include decommissioning consistently within this Schedule. This amendment reflects that the laydown areas may be required in order to decommission the authorised development, the environmental impacts having been assessed within the	[Wording added to Work Nos. 6A, 6B, 7A, 7B, 7C and 7D]	B

		Environmental Statement.		
Schedule 2 - Requirements	Applicant & ExA	<p>Various amendments to Requirements to reflect changes agreed with the relevant planning authorities on the Gate Burton DCO, in order to ensure the Lincolnshire DCOs are consistent with each other.</p> <p>Requirement 3 has been redrafted to increase clarity, however the effect remains unchanged.</p> <p>Requirement 5(4) has been added to incorporate the commitment to HDD 5m under the River Trent, as agreed with the Canal & River Trust.</p> <p>Requirement 21 has been amended to address concerns raised regarding the</p>	<p>Interpretation</p> <p>1. In this Schedule—</p> <p>“relevant planning authorities” means West Lindsey District Council and Bassetlaw District Council, as applicable. authority” means—</p> <p>(a) Lincolnshire County Council for the purposes of—</p> <p>(i) Requirement 6 (battery safety management);</p> <p>(ii) Requirement 11 (surface and foul water drainage);</p> <p>(iii) Requirement 15 (construction traffic management plan);</p> <p>(iv) Requirement 18 (public rights of way);</p> <p>(v) Requirement 19 (soils management); and</p> <p>(b) West Lindsey District Council and Bassetlaw District Council for the purposes of—</p> <p>(i) Requirement 3 (approved details and amendments to them);</p> <p>(ii) Requirement 4 (community liaison group);</p> <p>(iii) Requirement 5 (detailed design approval);</p> <p>(iv) Requirement 7 (landscape and ecological management plan);</p> <p>(v) Requirement 8 (ecological protection and mitigation strategy);</p> <p>(vi) Requirement 9 (biodiversity net gain);</p> <p>(vii) Requirement 10 (fencing and other means of enclosure);</p>	B

		<p>authorised development being in situ in perpetuity. The decommissioning of the authorised development must take place within 60 years of the date of final commissioning.</p>	<p>(viii) Requirement 13 (construction environmental management plan);</p> <p>(ix) Requirement 14 (operational environmental management plan);</p> <p>(x) Requirement 16 (operational noise);</p> <p>(xi) Requirement 20 (skills, supply chain and employment);</p> <p>(xii) Requirement 21 (decommissioning and restoration);</p> <p>and “relevant planning authorities” and “relevant planning authority” means Lincolnshire County Council, West Lindsey District Council and Bassetlaw District Council, as applicable.</p> <p>Commencement of the authorised development</p> <p>2. The authorised development must not be commenced after the expiration of five years from the date this Order comes into force.</p> <p>Approved details and amendments to them</p> <p>3.—3. With respect to the documents certified under article 40 (certification of plans and documents, etc) and any plans, details or schemes which have been approved pursuant to any requirement (together the “Approved Documents, Plans, Details or Schemes”), the undertaker may submit to the relevant planning authority or relevant planning authorities (as applicable), for approval any amendments to any of the Approved Documents, Plans, Details or Schemes and, following approval by the relevant planning authority or both relevant planning authorities (as applicable), the relevant Approved Documents, Plans Details or Schemes is to be taken to include the amendments as so approved pursuant to this paragraph.</p> <p>3.—(1) The undertaker may submit any amendments to any of the Approved Document to the relevant planning authority for approval and, following approval, the relevant Approved Document is to be taken to include the amendments as approved under this paragraph.</p>	
--	--	--	--	--

			<p>(2) Approval under sub-paragraph (1) for the amendments to any of the Approved Documents, Plans, Details or Schemes Document must not be given except where it has been demonstrated to the satisfaction of the relevant planning authority or the relevant planning authorities (as applicable) that the subject matter of the approval sought is unlikely to give rise to any materially new or materially different environmental effects from those assessed in the environmental statement.</p> <p>(3) In this paragraph, “Approved Document” means any document certified under article 40 (certification of plans and documents, etc) and any plans, details or schemes which have been approved under any Requirement.</p> <p>Community liaison group</p> <p>4.—(1) Prior to the commencement of the authorised development the undertaker must submit to the relevant planning authorities for approval the terms of reference for a community liaison group whose aim is to facilitate liaison between representatives of people living in the vicinity of the Order limits and other relevant organisations in relation to the construction of the authorised development.</p> <p>(2) The community liaison group must be established prior to commencement of the authorised development and must be administered by the undertaker and operated in accordance with the approved terms of reference.</p> <p>(3) The community liaison group is to continue to meet until the date of final commissioning of the authorised development unless otherwise agreed with the relevant planning authorities.</p> <p>Detailed design approval</p> <p>5. No part of Work Nos. 1, 2, 3 or 4 may commence until details of—</p> <ul style="list-style-type: none"> (a) the layout; (b) scale; (c) proposed finished ground levels; (d) external appearance; 	
--	--	--	--	--

			<p>(e) hard surfacing materials;and</p> <p>(f) vehicular and pedestrian access, parking and circulation areas; and</p> <p>(g) refuse or other storage units, signs and lighting,</p> <p>relating to that part have been submitted and approved in writing by the relevant planning authority for that part or, where the part falls within the administrative areas of multiple relevant planning authorities, each of the relevant planning authorities.</p> <p>(2) The details submitted must accord with the concept design parameters and principles.</p> <p>(3) The authorised development must be carried out in accordance with the approved details.</p> <p>(4) Work No. 6 must be carried out in accordance with the concept design parameters and principles.</p> <p>Battery safety management</p> <p>6.—(1) Work Nos. 2 and 3 must not commence until a battery storage safety management plan has been submitted to and approved by the relevant planning authority.</p> <p>(2) The battery storage safety management plan must prescribe measures to facilitate safety during the construction, operation and decommissioning of Work No. 2 including the transportation of new, used and replacement battery cells both to and from the authorised development.</p> <p>(3) (1)The battery storage safety management plan must be substantially in accordance with the outline battery storage safety management plan.</p> <p>(4) (2)The relevant planning authority must consult with the Health and Safety Executive, West Lindsey District Council, Lincolnshire Fire and Rescue, Nottinghamshire Fire and Rescue Service and the Environment Agency before determining an application for approval of the battery storage safety management plan.</p>	
--	--	--	--	--

			<p>(5) (3)The battery storage safety management plan must be implemented as approved and maintained throughout the construction, operation and decommissioning of the authorised development.</p> <p>Landscape and ecological management plan</p> <p>7.—(1) No part of the authorised development may commence until a written landscape and ecological mitigation plan has been submitted to and approved by the relevant planning authority for that part or, where the part falls within the administrative areas of multiple relevant planning authorities, each of the relevant planning authorities, in consultation with the Environment Agency.</p> <p>(2) The landscape and ecological mitigation plan must be substantially in accordance with the outline landscape and ecological mitigation plan.</p> <p>(3) The landscape and ecological mitigation plan must be implemented as approved and maintained throughout the operation of the relevant part of the authorised development to which the plan relates.</p> <p>(4) For the purposes of sub-paragraph (1), “commence” includes part (h) (site clearance ((including vegetation removal, demolition of existing buildings and structures)) of permitted preliminary works.</p> <p>Ecological protection and mitigation strategy</p> <p>8.—(1) No part of the authorised development may commence until a written ecological protection and mitigation strategy has been submitted to and approved by the relevant planning authority for that part or, where the phase falls within the administrative areas of multiple relevant planning authorities, each of the relevant planning authorities, in consultation with the Environment Agency.</p> <p>(2) The ecological protection and mitigation strategy must be substantially in accordance with the outline ecological protection and mitigation strategy.</p> <p>(3) The ecological protection and mitigation strategy must be implemented as approved.</p>	
--	--	--	--	--

			<p>Biodiversity net gain</p> <p>9.—(1) No part of the authorised development may commence until a biodiversity net gain strategy has been submitted to and approved by the relevant planning authority, in consultation with the relevant statutory nature conservation body.</p> <p>(2) The biodiversity net gain strategy must be substantially in accordance with the outline landscape and ecological management plan and must be implemented as approved.</p> <p>Fencing and other means of enclosure</p> <p>10.—(1) No part of the authorised development may commence until written details of all proposed temporary fences, walls or other means of enclosure, including those set out in the construction environmental management plan, for that part have been submitted to and approved by the relevant planning authority or, where the part falls within the administrative areas of multiple relevant planning authorities, each of the relevant planning authorities.</p> <p>(2) No part of the authorised development may commence until written details of all permanent fences, walls or other means of enclosure for that part have been submitted to and approved by the relevant planning authority or, where the part falls within the administrative areas of multiple relevant planning authorities, each of the relevant planning authorities.</p> <p>(3) For the purposes of sub-paragraph (1), “commence” includes any permitted preliminary works.</p> <p>(4) (2)The written details provided under sub-paragraph (2) must be substantially in accordance with the relevant concept design parameters and principles.</p> <p>(5) Any construction site must remain securely fenced in accordance with the approved details under sub-paragraph (1) or (2) at all times during construction of the authorised development.</p> <p>(6)Any temporary fencing must be removed on completion of the part of construction of the authorised development for which it was used.</p>	
--	--	--	--	--

			<p>Surface and foul water drainage</p> <p>11.—(1) No part of the authorised development may commence until written details of the surface water drainage scheme and (if any) foul water drainage system for that part have been submitted to and approved by the relevant planning authority for that part, or where the part falls within the administrative areas of multiple relevant planning authorities, each of the relevant planning authorities.</p> <p>(2) The written details under sub-paragraph (1) must be substantially in accordance with the outline drainage strategy.</p> <p>(3) Before approving the written details under sub-paragraph (1) the relevant planning authority must consult with Anglian Water Services Limited or its successor in function as the relevant water undertaker.</p> <p>(4) Any approved scheme must be implemented as approved.</p> <p>Archaeology</p> <p>12. The authorised development must be implemented in accordance with the written scheme of investigation.</p> <p>Construction environmental management plan</p> <p>13.—(1) No part of the authorised development may commence until a construction environmental management plan for that part has been submitted to and approved by the relevant planning authority or, where the part falls within the administrative areas of multiple relevant planning authorities, each of the relevant planning authorities, in consultation with the relevant highway authority and the Environment Agency.</p> <p>(2) The construction environmental management plan must be substantially in accordance with the outline construction environmental management plan.</p>	
--	--	--	--	--

			<p>(3) All construction works associated with the authorised development must be carried out in accordance with the approved construction environmental management plan.</p> <p>Operational environmental management plan</p> <p>14.—(1) Prior to the date of final commissioning for any part of the authorised development, an operational environmental management plan for that part must be submitted to and approved by the relevant planning authority or, where the part falls within the administrative areas of multiple relevant planning authorities, each of the relevant planning authorities, in consultation with the relevant highway authority and the Environment Agency.</p> <p>(2) The operational environmental management plan must be substantially in accordance with the outline operational environmental management plan.</p> <p>(3) The operational environmental management plan must be implemented as approved.</p> <p>Construction traffic management plan</p> <p>15.—(1) No part of the authorised development may commence until a construction traffic management plan for that part must be submitted to and approved by the relevant planning authority or, where the part falls within the administrative areas of multiple relevant planning authorities, each of the relevant planning authorities.</p> <p>(2) The construction traffic management plan must be substantially in accordance with the outline construction traffic management plan.</p> <p>(3) Before approving the construction traffic management plan the relevant planning authority must consult with the relevant highway authority and West Lindsey District Council.</p> <p>(4) All construction works associated with the authorised development must be carried out in accordance with the approved construction traffic management plan.</p>	
--	--	--	---	--

			<p>Operational noise</p> <p>16.—(1) No part of Work Nos. 1, 2, 3, or 4 may commence until an operational noise assessment containing details of how the design of that numbered work has incorporated the operational mitigation measures set out in Section 15.6 of Chapter 15 of the environmental statement for that part has been submitted to and approved by the relevant planning authority for that part, or where the part falls within the administrative areas of multiple relevant planning authorities, each of the relevant planning authorities.</p> <p>(2) The design as described in the operational noise assessment must be implemented as approved and maintained throughout the operation of the relevant part of the authorised development to which the plan relates.</p> <p>Permissive paths</p> <p>17.—(1) Work No. 11 must be provided and open to the public prior to the date of final commissioning of Work No. 1A.</p> <p>(2) The permissive path must be maintained and access by the public permitted for 364 days a year except where closure is required for maintenance or in an emergency until commencement the date of decommissioning of the authorised development pursuant to requirement 21.</p> <p>Public rights of way</p> <p>18.—(1) No part of the authorised development may commence until a public rights of way management plan for any sections of public rights of way shown to be temporarily closed on the public rights of way plan for that part has been submitted to and approved by the relevant planning authority, or, where the part falls within the administrative areas of multiple relevant planning authorities, each of the relevant planning authorities.</p> <p>(2) The public rights of way management plan must be substantially in accordance with the outline public rights of way management plan.</p>	
--	--	--	---	--

			<p>(3) Before approving the public rights of way management plan the relevant planning authority must consult with the relevant highway authority.</p> <p>(4) The public rights of way management plan must be implemented as approved unless otherwise agreed with the relevant planning authority in consultation with the highway authority.</p> <p>Soils management</p> <p>19.—(1) No part of the authorised development may commence until a soils resource soil management plan for that part has been submitted to and approved by the relevant planning authority or, where the part falls within the administrative areas of multiple planning authorities, each of the relevant planning authorities.</p> <p>(3) (1) Any soils resource The soil management plan submitted in accordance with this paragraph must be substantially in accordance with the outline soils resource soil management plan as relevant to the activities to which it relates.</p> <p>(2) The soils resource soil management plan must be implemented as approved.</p> <p>Skills, supply chain and employment</p> <p>20.—(1) No part of the authorised development may commence until a skills, supply chain and employment plan in relation to that part has been submitted to and approved by the relevant planning authority for that part or, where the part falls within the administrative areas of multiple planning authorities, each of the relevant planning authorities, in consultation with Lincolnshire County Council.</p> <p>(2) The skills, supply chain and employment plan must be substantially in accordance with the outline skills, supply chain and employment plan.</p> <p>(3) Any plan under this paragraph must identify opportunities for individuals and businesses to access employment and supply chain opportunities associated with that part of the authorised development and the means for publicising such opportunities.</p>	
--	--	--	---	--

			<p>(4) The skills, supply chain and employment plan must be implemented as approved.</p> <p>Decommissioning and restoration</p> <p>21.—(1) The date of decommissioning must be no later than 60 years following the date of final commissioning.</p> <p>(2) Within 12 months of the date that Unless otherwise agreed with the relevant planning authority, no later than 12 months prior to the date the undertaker decides to decommission any part of the authorised development, the undertaker must submit to the relevant planning authority for that part a decommissioning plan for approval., the undertaker must notify the relevant planning authority of the intended date of decommissioning for that part of the authorised development.</p> <p>(3) Unless otherwise agreed with the relevant planning authority, within 12 months of the intended date of decommissioning of any part of the authorised development notified pursuant to sub-paragraph (2), the undertaker must submit to the relevant planning authority for that part a decommissioning plan for approval.</p> <p>(4) (4) Where the undertaker decides to decommission a part of the authorised development that falls within the administrative areas of multiple planning authorities, the decommissioning environmental management plan must be submitted to each relevant planning authority and the approval of all relevant planning authorities is required for the purposes of this paragraph.</p> <p>(5) (2) The decommissioning plan must be substantially in accordance with the outline decommissioning statement and must include a timetable for its implementation.</p> <p>(6) (3) No decommissioning works must be carried out until the relevant planning authority has approved the decommissioning plan submitted in relation to those works, in consultation with the Environment Agency.</p> <p>(7) (4) The decommissioning plan must be implemented as approved.</p> <p>(8) (5) This requirement is without prejudice to any other consents or permissions that may be required to decommission any part of the authorised development.</p>	
--	--	--	--	--

Schedule 4 – Streets subject to street works; Schedule 5 – Alteration of streets; Schedule 6 – Streets and public rights of way; Schedule 8 – Traffic regulation measures	ExA	Correction	All references to ‘streets to be stopped up plan’ amended to ‘streets plan’	B
Schedule 10 – land in which only new rights etc. may be acquired	Applicant	Reference to new plot numbers included within the Book of Reference submitted at Deadline 1 due to new title numbers.	[Plots 18-385a, 18-385b, 18-385c, and 18-385d are now referred to]	B
Schedule 13 – Hedgerows to be removed	Applicant	Clarification to address concerns raised about the extent of the powers and to be consistent with the amendments to Article 38.	[In all instances, the extent of removal has been amended to read: Removal of part of approximately...]	B
Schedule 14 – Documents and plans to be certified	Applicant	Clarification	[Not reproduced. The Schedule has been split into two parts. Part 1 contains the schedule of documents to be certified. Part 2 contains a list of substitute and supplementary documents to be incorporated into the documents to be certified, before these are presented to the Secretary of State in accordance with article 40]	B

Schedule 16 – Protective Provisions – Part 1 – For the protection of electricity, gas, water and sewerage undertakers	Applicant	Clarification that, where specific protective provisions are provided, these will take precedent over the generic provisions in Part 1.	1. For the protection of the utility undertakers referred to in this Part of this Schedule (save for any utility undertakers which are specifically protected by any other Part of this Schedule, which shall take precedence), the following provisions have effect, unless otherwise agreed in writing between the undertaker and the utility undertakers concerned.	B
Schedule 16 – Protective Provisions – Part 4 – National Grid Electricity Distribution (East Midlands) plc	Applicant and NGED	Revised protective provisions reflecting ongoing negotiations with NGED.	[Due to the extent of the amendments, these have not been reproduced here. Please refer to the tracked changes version of the draft DCO, provided at Deadline 1]	B
Schedule 16 – Protective Provisions – Part 5 – Protection of Northern Powergrid	Northern Powergrid	Revised protective provisions reflecting ongoing negotiations with Northern Powergrid.	[Due to the extent of the amendments, these have not been reproduced here. Please refer to the tracked changes version of the draft DCO, provided at Deadline 1]	B
Schedule 16 – Protective Provisions – Part 7 – Protection of Anglian Water	Anglian Water	Revisions to the protective provisions reflecting ongoing negotiations with Anglian Water.	<i>(1) [Due to the extent of the amendments, these have not been reproduced here. Please refer to the tracked changes version of the draft DCO, provided at Deadline 1]</i>	B

Schedule 16 – Protective Provisions – Part 8 – Protection of Internal Drainage Boards	Scunthorpe and Gainsborough Internal Drainage Board (SGIDB)	Correction to include SGIDB within the definition of the Board.	“the Board” means Scunthorpe and Gainsborough Internal Drainage Board , Upper Witham Internal Drainage Board or Trent Valley Internal Drainage Board (as applicable);	B
Schedule 16 – Protective Provisions – Part 9 – Protection of the Environment Agency	Environment Agency (EA)	Amendments made at the request of the EA during ongoing negotiations.	[Due to the extent of the amendments, these have not been reproduced here. Please refer to the tracked changes version of the draft DCO, provided at Deadline 1]	B
Schedule 16 – Protective Provisions – Part 13 – Protection of the Canal & River Trust	Canal & River Trust	Protective provisions added at the request of the Canal & River Trust.	[Protective Provisions not reproduced here; this is a wholly new Part of Schedule 16]	B
Schedule 16 – Protective Provisions – Part 14 – Protection of Uniper UK Limited	Uniper UK Limited	Protective provisions are currently being negotiated. The Applicant has agreed to provide protective provisions and a Part has been added to the draft DCO. The drafting of the protective provisions continues to be negotiated and will	[Not reproduced]	B

		be added to the draft DCO at a later revision once these are close to an agreed form.		
Schedule 16 – Protective Provisions – Part 14 – Protection of Exolum Pipeline System Limited	Exolum Pipeline System Limited	Protective provisions are currently being negotiated. The Applicant has agreed to provide protective provisions and a Part has been added to the draft DCO. The drafting of the protective provisions continues to be negotiated and will be added to the draft DCO at a later revision once these are close to an agreed form.	[Not reproduced]	B
Schedule 17 – Procedure for discharge of requirements	ExA and Applicant	Amendments made to this Schedule reflect the updated drafting on the Gate Burton draft DCO. This has been adopted in order to ensure the Lincolnshire DCOs are consistent with each other.	<p>Interpretation</p> <p>2. In this Schedule—</p> <p>“requirement consultee” means any body or authority named in a requirement as a body to be consulted by the relevant planning authority in discharging that requirement;and</p> <p>“start date” means the date of the notification given by the Secretary of State under paragraph 4(2)(b); and</p> <p>“working day” means any day other than a Saturday, Sunday or English bank or public holiday.</p>	B

			<p>Applications made under requirement</p> <p>3.—(1) Where an application has been made to the relevant planning authority for any consent, agreement or approval required by a requirement the relevant planning authority must give notice to the undertaker of its decision on the application within a period of six weeks beginning with the later of—, the undertaker will also submit a copy of that application to any requirement consultee.</p> <p>(2) Subject to sub-paragraph (3), where an application has been made to the relevant planning authority for any consent, agreement or approval required by a requirement the relevant planning authority must give notice to the undertaker of its decision on the application within a period of eight weeks beginning with the later of—</p> <ul style="list-style-type: none"> (a) the day immediately following that on which the application is received by the authority; (b) the day immediately following that on which further information has been supplied by the undertaker under paragraph 3; or (c) such longer period that is agreed in writing by the undertaker and the relevant planning authority. <p>(3) Where an application has been made to the relevant planning authority any consent, agreement or approval required by requirement 5, the relevant planning authority must give notice to the undertaker of its decision on the application within a period of ten weeks beginning with the later of—</p> <p>(4) (2) Subject to paragraph 4, in the event that the relevant planning authority does not determine an application within the period set out in sub-paragraph (1) (2) or (3), the relevant planning authority is to be taken to have granted all parts of the application (without any condition or qualification) at the end of that period.</p> <p>(5) (3) Any application made to the relevant planning authority pursuant to sub-paragraph (1) <u>sub-paragraph (2) or (3)</u> must include a statement to confirm whether it is likely that the subject matter of the application will give rise to any materially new or materially different environmental effects compared to those in the</p>

(¹¹) 1989 c. 29.

			<p>“plan” or “plans” include all designs, drawings, specifications, method statements, soil reports, programmes, calculations, risk assessments and other documents that are reasonably necessary properly and sufficiently to describe and assess the works to be executed; and</p> <p>“specified works” means any of the authorised development or activities (including onshore site preparation works, monitoring, ground work operations or the receipt and erection of construction plant and equipment)-undertaken in association with the authorised development which—</p> <p>(a) will or may be situated over, or within 15 metres measured in any direction of any apparatus the removal of which has not been required by the undertaker under paragraph 24 or otherwise; <u>or</u></p> <p>(b) may in any way adversely affect any apparatus the removal of which has not been required by the undertaker under paragraph 24 or otherwise; and/or</p> <p>(c) includes in relation to any electricity apparatus any activity that is <u>any of the activities that are</u> referred to in development near overhead lines EN43-8 and HSE’s guidance note 6 “Avoidance of Danger from Overhead Lines.”²²;</p> <p><u>“STC” means the System Operator Transmission Owner Code; and</u></p> <p><u>“Transmission Owner” means as defined in the STC.</u></p> <p>[...]</p> <p><u>On Street Apparatus</u></p> <p>20.-[...]</p> <p><u>Apparatus of National Grid in streets subject to temporary prohibition or restriction of use and public rights of way</u></p> <p>21.—(1) Where the use of any street or public right of way is prohibited or restricted under article 11 (temporary prohibition or restriction of use of streets and public rights of way), if National Grid has any apparatus in the street or accessed via that street <u>or public right of way</u> National Grid must be entitled to <u>has</u> the same rights in respect of such that apparatus as it enjoyed immediately before the prohibition or restriction of use and the undertaker must grant to National Grid, or must procure the granting to National Grid of, legal easements reasonably satisfactory to National Grid in respect of</p>	
--	--	--	---	--

		<p>such apparatus and access to it prior to the prohibition or restriction of use of any such street or highway public right of way but nothing in this paragraph affects any right of the undertaker or National Grid to require the removal of that apparatus under paragraph 24 or the power of the undertaker, subject to compliance with this sub-paragraph, to carry out works under paragraph 26.</p> <p>(2) Notwithstanding the temporary temporary prohibition or restriction of use or diversion of a street or public right of way under the powers of article 11 (temporary prohibition or restriction of use of streets and public rights of way), National Grid must be is at liberty at all times to take all necessary access across any such street and/or or public right of way and to execute and do all such works and things in, upon or under any such street or public right of way as may be reasonably necessary or desirable to enable it to maintain any apparatus which at the time of the prohibition or restriction of use or diversion was in that street or public right of way.</p> <p>Protective works to buildings</p> <p>22. The undertaker, in the case of the powers conferred by article 18 (protective work to buildings), must exercise those powers so as not to obstruct or render less convenient the access to any apparatus without the written consent of National Grid which must not be unreasonably be-withheld.</p> <p>Acquisition of land</p> <p>23.—(1) Regardless of any provision in this Order or anything shown on the land plans or contained in the book of reference to this Order, the undertaker must not appropriate or acquire or take temporary possession of any land or apparatus or appropriate, acquire, extinguish, interfere with or override any easement, other interest or right and/or apparatus of National Grid otherwise than by agreement (such agreement not to be unreasonably withheld).</p> <p>(2) As a condition of an agreement between the parties in sub-paragraph 23(1), prior to the carrying out of any part of the authorised development (or in such other timeframe as may be agreed between National Grid and the undertaker) that is subject to the requirements of this Part of this Schedule that will cause any conflict with or breach the terms of any easement or other legal or land interest of National Grid or affect the provisions of any enactment or agreement regulating the relations between National Grid and the undertaker in respect of any apparatus laid or erected in land belonging to or secured by the undertaker, the undertaker must as National Grid reasonably requires enter into such deeds of consent upon such terms and conditions as may be agreed between National Grid and the</p>
--	--	--

		<p><u>undertaker acting reasonably and which must be no less favourable on the whole to National Grid unless otherwise agreed by National Grid.</u></p> <p>(3) (4) The undertaker and National Grid agree that where there is any inconsistency or duplication between the provisions set out in this Part of this Schedule relating to the relocation and/or removal of apparatus (including but not limited to the payment of costs and expenses relating to such relocation and/or removal of apparatus) and the provisions of any existing easement, rights, agreements and licences granted, used, enjoyed or exercised by National Grid and/or other enactments relied upon by National Grid as of right or other use in relation to the apparatus, then the provisions in this Schedule shall <u>will</u> prevail.</p> <p>(4) (2) Any agreement or consent granted by National Grid under paragraph 26 or any other paragraph of this Part of this Schedule, shall <u>are</u> not <u>to</u> be taken to constitute agreement under sub-paragraph (23(1)).</p> <p>Removal of apparatus</p> <p>24.—(1) If, in the exercise of the powers conferred by the Order, the undertaker acquires any interest in or possess <u>possesses</u> temporarily any Order land in which any apparatus is placed, that apparatus must not be removed under this Part of this Schedule and any right of National Grid to maintain that apparatus in that land must not be extinguished until alternative apparatus has been constructed, and is in operation to the reasonable satisfaction of National Grid in accordance with sub-paragraphs (2) to (5) inclusive.</p> <p>(2) If, for the purpose of executing any works comprised in the authorised development in, on, under or over any land purchased, held, appropriated or used under this Order, the undertaker requires the removal of any apparatus placed in that land, it must give to National Grid 56 days' advance written notice of that requirement, together with a plan of the work proposed, and of the proposed position of the alternative apparatus to be provided or constructed and in that case (or if in consequence of the exercise of any of the powers conferred by this Order National Grid reasonably needs to remove any of its apparatus) the undertaker must, subject to sub-paragraph (3), secure any necessary consents for the alternative apparatus and afford to National Grid to its satisfaction (taking into account paragraph 25(1) below) the necessary facilities and rights—</p> <p>(a) for the construction of alternative apparatus in other land of or land secured by the undertaker; and</p>	
--	--	---	--

			<p>(b) subsequently for the maintenance of that apparatus.</p> <p>(3) If alternative apparatus or any part of such apparatus is to be constructed elsewhere than in other land of or land secured by the undertaker, or the undertaker is unable to afford such facilities and rights as are mentioned in sub-paragraph (2), in the land in which the alternative apparatus or part of such apparatus is to be constructed, National Grid must<u>may in its sole discretion</u>, on receipt of a written notice to that effect from the undertaker, take such steps as are reasonable in the circumstances in an endeavour to assist the undertaker to obtain the necessary facilities and rights in the land in which the alternative apparatus is to be constructed save that this obligation shall<u>does</u> not extend to the requirement for National Grid to use its compulsory purchase powers to this end unless it elects to so do so.</p> <p>(4) Any alternative apparatus to be constructed in land of or land secured by the undertaker under this Part of this Schedule must be constructed in such manner and in such line or situation as may be agreed between National Grid and the undertaker.</p> <p>(5) National Grid must, after the alternative apparatus to be provided or constructed has been agreed, and subject to a written diversion agreement having been entered into between the parties and the grant to National Grid of any such facilities and rights as are referred to in sub-paragraph (2) or (3), proceed without unnecessary delay to construct and bring into operation the alternative apparatus and subsequently to remove any apparatus required by the undertaker to be removed under the provisions of this Part of this Schedule.</p> <p>Facilities and rights for alternative apparatus</p> <p>25.—(1) [...]</p> <p>(2) If the facilities and rights to be afforded by the undertaker and agreed with National Grid under sub-paragraph (1) above in respect of any alternative apparatus, and the terms and conditions subject to which those facilities and rights are to be granted, are less favourable on the whole to National Grid than the facilities and rights enjoyed by it in respect of the apparatus to be removed and the terms and conditions to which those facilities and rights are subject the matter must<u>may</u> be referred to arbitration under in accordance with paragraph 32 (arbitration)<u>of this Part of this Schedule</u> and the arbitrator must make such provision for the payment of compensation by the undertaker to National Grid as appears to the arbitrator to be reasonable having regard to all the circumstances of the particular case. In respect</p>	
--	--	--	--	--

		<p>of the appointment of an arbitrator under this sub-paragraph (2), article 42 (arbitration) of this Order must apply.</p> <p>Retained apparatus: Protection of National Grid as Electricity Undertaker</p> <p>26.—(1) Not less than 56 days before the commencement of any specified works, the undertaker must submit to National Grid a plan of the works to be executed and seek from National Grid details of the underground extent of their electricity assets.</p> <p>(1) In relation to works which will or may be situated on, over, under or within—</p> <p>(a) 15 metres measured in any direction of any apparatus, or</p> <p>(b) involve embankment works within 15 metres of any apparatus;</p> <p><u>(2) In relation to the specified works</u> the plan to be submitted to National Grid under sub-paragraph (1) must include a method statement and describe—</p> <p>[...]</p> <p>(3) In relation to any works which will or may be situated on, over, under or within 10 metres of any part of the foundations of an electricity tower or between any two or more electricity towers, the plan to be submitted under sub-paragraph (1) must in addition to the matters set out in sub-paragraph (2) <u>26(2)</u> include a method statement describing—</p> <p>[...]</p> <p>(c) details of <u>any</u> cable installation methodology including access arrangements, jointing bays and backfill methodology;</p> <p>(4) The undertaker must not commence any works to which sub-paragraph (1), (2) <u>sub-paragraphs 26(2)</u> or (3) apply until National Grid has given written approval of the plan so submitted.</p> <p>(5) Any approval of National Grid required under sub-paragraph (1), (2) or (3) <u>(4)</u>—</p> <p>(a) may be given subject to reasonable conditions for any purpose mentioned in sub-paragraph (6) or (8); and</p> <p>(b) must not be unreasonably withheld.</p> <p>(6) In relation to a <u>any</u> work to which sub-paragraph (1), (2) <u>sub-paragraphs 26(2)</u> or (3) apply, National Grid may require such modifications to be made to the plans as may be reasonably necessary for the purpose of securing its apparatus against interference or risk of damage or for the provision of</p>	
--	--	--	--

		<p>protective works or for the purpose of providing or securing proper and convenient means of access to any apparatus.</p> <p>(7) Works to which this paragraph applies must only <u>executed under paragraphs 26(2) or (3) must</u> be executed in accordance with the plan, submitted under sub-paragraph (1) or as relevant sub-paragraph (2), (3) or (6) as approved or as amended from time to time by agreement between the undertaker and National Grid and in accordance with such reasonable requirements as may be made in accordance with sub-paragraphs 5), (6), (8) and/or (9 or (8) by National Grid for the alteration or otherwise for the protection of the apparatus, or for securing access to it, and National Grid will be entitled to watch and inspect the execution of those works.</p> <p>(8) [...]</p> <p>(9) If National Grid in accordance with sub-paragraphs (6) or (8) and in consequence of the works proposed by the undertaker, reasonably requires the removal of any apparatus and gives written notice to the undertaker of that requirement, paragraphs (1) to (34) and (6) to (78) <u>shall</u> apply as if the removal of the apparatus had been required by the undertaker under paragraph 24(2).</p> <p>(10) Nothing in this paragraph shall preclude <u>precludes</u> the undertaker from submitting at any time or from time to time, but in no case less than 56 days before commencing the execution of any specified works, a new plan, instead of the plan previously submitted, and having done so the provisions of this paragraph shall apply to and in respect of the new plan.</p> <p>(11) The undertaker will not be required to comply with sub-paragraph (1) where it needs to carry out emergency works as defined in the 1991 Act but in that case it must give to National Grid notice as soon as is reasonably practicable and a plan of those works and must <u>must comply with sub-paragraphs (6), (7) and (8) insofar as is reasonably practicable in the circumstances and comply with sub-paragraph (12) at all times.</u></p> <p>(a) comply with sub paragraphs (6), (7) and (8) insofar as is reasonably practicable in the circumstances; and</p> <p>(b) comply with sub paragraph (12) at all times.</p> <p>(12) At all times when carrying out any works authorised under this Order, the undertaker must comply with National Grid’s policies for development near overhead lines ENA TA 43-8 <u>EN43-8</u> and the Health and Safety Executive’s guidance note 6 “Avoidance of Danger from Overhead Lines”.</p>	
--	--	--	--

			<p>Expenses</p> <p>27.—(1) Save where otherwise agreed in writing between National Grid and the undertaker and subject to the following provisions of this paragraph, the undertaker must pay to National Grid within 30 days of receipt of an itemised invoice or claim from National Grid all charges, costs and expenses reasonably anticipated within the following three months or <u>reasonably or properly</u> incurred by National Grid in, or in connection with, the inspection, removal, relaying or replacing, alteration or protection of any apparatus or the construction of any new apparatus or alternative apparatus which may be required in consequence of the execution of any such works as are referred to in this Part of this Schedule including without limitation—</p> <p>[...]</p> <p>and the placing of apparatus of that type or capacity or of those dimensions or the placing of apparatus at that depth, as the case may be, is not agreed by the undertaker or, in default of agreement settled, is determined by arbitration in accordance with article 42 (arbitration) of this Order to paragraph 32 to not be necessary, then, if such placing involves cost in the construction of works under this Part of this Schedule exceeding that which would have been involved if the apparatus placed had been of the existing type, capacity or dimensions, or at the existing depth, as the case may be, the amount which apart from this sub-paragraph would be payable to National Grid by virtue of sub-paragraph (1) will be reduced by the amount of that excess save to the extent that it is not possible in the circumstances to obtain the existing type of apparatus at the same capacity and dimensions or place at the existing depth in which case full costs will be borne by the undertaker.</p> <p>(2) For the purposes of sub-paragraph (3)—</p> <p>[...].</p> <p>Indemnity</p> <p>28.—(1) [...]</p> <p>(b) indemnify National Grid for any other expenses, loss, demands, proceedings, damages, claims, penalty or costs incurred by or recovered from National Grid, by reason or in consequence of any such damage or interruption or National Grid becoming liable to any third party other than arising from any default by National Grid.</p>	
--	--	--	---	--

			<p>(2) The fact that any act or thing may have been done by National Grid on behalf of the undertaker or in accordance with a plan approved by National Grid or in accordance with any requirement of National Grid as a consequence of the authorised development or under its supervision will not (unless sub-paragraph (3) applies), excuse the undertaker from liability under the provisions of this sub-paragraph (2) where the undertaker unless National Grid fails to carry out and execute the works properly with due care and attention and in a skilful and workman like manner or in a manner that does not accord with the approved plan or as otherwise agreed <u>in writing</u> between the undertaker and National Grid.</p> <p>(3) Nothing in sub-paragraph (1) shall impose <u>imposes</u> any liability on the undertaker in respect of—</p> <p>(a) any damage or interruption to the extent that it is attributable to the neglect or default of National Grid, its officers, servants, contractors or agents;</p> <p>(b) any authorised development and/or any other works authorised by this Part of this Schedule carried out by National Grid as an assignee, transferee or lessee of the undertaker with the benefit of the Order pursuant to section 156 of the 2008 Act or article 5-35 (consent to transfer the benefit of the Order) of the Order subject to the proviso that once such works become apparatus (“new apparatus”), any <u>works authorised development</u> yet to be executed and not falling within this sub-paragraph (328(3)(b)) will be subject to the full terms of this Part of this Schedule including this paragraph 28 in respect of such new apparatus; and/or</p> <p>(c) any indirect or consequential loss of any third party (including but not limited to loss of use, revenue, profit, contract, production, increased cost of working or business interruption) arising from any such damage or interruption, which is not reasonably foreseeable.</p> <p>(4) National Grid must give the undertaker reasonable notice of any such <u>third party</u> claim or demand and no settlement, admission of liability or compromise or demand must be made, unless payment is required in connection with a statutory compensation scheme without first consulting the undertaker and considering its representations.</p> <p><u>(5) National Grid must, in respect of any matter covered by the indemnity given by the undertaker in this paragraph, at all times act reasonably and in the same manner as it would as if settling third party claims on its own behalf from its own funds.</u></p> <p><u>(6) National Grid must use its reasonable endeavours to mitigate and to minimise any costs, expenses, loss, demands, and penalties to which the indemnity under this paragraph applies where it is within National Grid’s reasonable ability and control to do so and which expressly excludes any obligation to</u></p>	
--	--	--	---	--

		<p><u>mitigate liability arising from third parties which is outside of National Grid must provide an explanation of how the claim has been minimised, where relevant.</u></p> <p>[...]</p> <p>Co-operation</p> <p>30.—(1) Where in consequence of the proposed construction of any part of the authorised development, the undertaker or National Grid requires the removal of apparatus under paragraph 24(2) or National Grid makes requirements for the protection or alteration of apparatus under paragraph 26, National Grid shall <u>The undertaker is to</u> use its best endeavours to co-ordinate the execution of the works in the interests of safety and the efficient and economic execution of the authorised development and taking into account the need to ensure the safe and efficient operation of National Grid’s undertaking and National Grid shall <u>is to</u> use its best endeavours to co-operate with the undertaker for that purpose.</p> <p>(2) For the avoidance of doubt whenever National Grid’s consent, agreement or approval to is required in relation to plans, documents or other information submitted by the undertaker or the taking of action by National Grid <u>the undertaker</u>, it must not be unreasonably withheld or delayed.</p> <p>[...]</p> <p>Arbitration</p> <p>32. Save for differences or disputes arising under paragraphs 24(2), 24(4), 25(1) and 26 any <u>Any</u> difference or dispute arising between the undertaker and National Grid under this Part of this Schedule must, unless otherwise agreed in writing between the undertaker and National Grid, be determined by arbitration in accordance with article 42-(arbitration).</p> <p>Notices</p> <p>33. The <u>Notwithstanding article 46 (service of notices), any</u> plans submitted to National Grid by the undertaker pursuant to paragraph 26(1) must be sent to National Grid LSBUD at https://lsbud.co.uk/ or assetprotection@nationalgrid.com or <u>must be submitted using the LSBUD system</u></p>	
--	--	--	--

			https://lsbud.co.uk or to such other address as National Grid may from time to time appoint instead for that purpose and notify to the undertaker in writing.	
Schedule 16 – Protective Provisions – Part 4 – For the Protection of National Grid Electricity Distribution (East Midlands) PLC as Electricity Undertaker	Applicant and National Grid Electricity Distribution (East Midlands) PLC (NGED)	Various amendments to the Protective Provisions reflect ongoing negotiations with NGED.	<p>Interpretation</p> <p>34. In this Part of this Schedule—</p> <p>[...]</p> <p>“apparatus” means electric lines or electrical plant as defined in the 1989 Act⁽¹²⁾, belonging to or maintained by NGED;</p> <p>[...]</p> <p>“plan” or “plans” includes all designs, drawings, specifications, method statements, programmes, calculations, risk assessments and other documents that are reasonably necessary to properly and sufficiently describe and assess the works to be executed;</p> <p>“specified work” means so much of any of the authorised development that is carried out within 6 metres of any apparatus;</p> <p>“NGED” means National Grid Electricity Distribution (East Midlands) plc (company number 02366923) whose registered office is at Avonbank, Feeder Road, Bristol, BS2 0TB; and</p> <p>[...]</p> <p><u>“plan” or “plans” includes all designs, drawings, specifications, method statements, programmes, calculations, risk assessments and other documents that are reasonably necessary to properly and sufficiently describe and assess the works to be executed; and</u></p> <p><u>“specified work” means so much of any of the authorised development that is carried out within 6 metres of any apparatus.</u></p>	E

⁽¹²⁾ 1989 c. 29. The definition of “~~electricity~~ electrical plant” (in section 64) was amended by paragraphs 24 and 38(1) and (3) of Schedule 6 to the Utilities Act 2000 (~~e-c.27~~).

			<p>Removal of apparatus</p> <p>38.—(1) [...]</p> <p>(3) If as a direct-consequence of the exercise of any of the powers conferred by this Order NGED reasonably needs to remove or divert any of its apparatus and the removal of that apparatus has not been required by the undertaker under sub-paragraph (2) then NGED must give to the undertaker written notice of that requirement, together with a plan of the work proposed, and of the proposed position of the alternative apparatus to be provided or constructed and this Part has effect as if the removal or diversion of such apparatus had been required by the undertaker under sub-paragraph (2).</p> <p>(4) If as a direct-consequence of the removal or diversion of apparatus under sub-paragraph (2) or (3) alternative apparatus is to be constructed in land owned or controlled by the undertaker then the undertaker must afford to NGED the necessary facilities and alternative rights and any necessary third party consents or approvals for the construction of alternative apparatus in the other land owned or controlled by the undertaker as reasonably required by <u>the</u> NGED.</p> <p>(5) [...]</p> <p>(6) If alternative apparatus is to be constructed in land not owned or controlled by the undertaker and NGED is unable to obtain such alternative rights as are mentioned in sub-paragraph (5), the undertaker and NGED shall consider whether there is an alternative engineering solution that can achieve the diversion without the need for the use of compulsory powers. Should such an alternative engineering solution not be practicable and deliverable in a reasonable timescale and at a reasonable cost (which shall be determined by the undertaker acting reasonably), NGED may but shall not be compelled to use the powers of compulsory acquisition set out in this Order or the 1989 Act to obtain the necessary facilities and rights in the land outside the Order limits, in which the alternative apparatus is to be constructed in accordance with a timetable agreed between NGED and the undertaker.</p> <p>(7) Any alternative apparatus required pursuant to sub-paragraphs (2) or (3) must be constructed in such manner and in such line or situation as may be agreed between NGED and the undertaker or in default of agreement settled in accordance with paragraph 10 <u>article 42 (arbitration)</u>.</p> <p>(8) NGED must, after the alternative apparatus to be provided or constructed has been agreed or settled in accordance with paragraph 43(2), and after the acquisition by or grant to NGED of any such facilities and alternative rights as are referred to in sub-paragraphs (2) to (6), proceed without unnecessary delay to construct and bring into operation the alternative apparatus and subsequently to</p>	
--	--	--	---	--

		<p>remove any apparatus required <u>by the undertaker</u> to be removed under the provisions of this Part of this Schedule.</p> <p>(9) [...]</p> <p>Facilities and rights for alternative apparatus</p> <p>39.—(1) Where, in accordance with the provisions of this Part of this Schedule, the undertaker affords to NGED facilities and alternative rights for the construction and maintenance in land of the undertaker of alternative apparatus in substitution for apparatus to be removed, those facilities and alternative rights are to <u>must</u> be granted upon such terms and conditions as may be agreed between the undertaker and NGED or in default of agreement settled in accordance with paragraph 43(2).</p> <p>[...]</p> <p>Retained apparatus</p> <p>40.—(1) Not less than 60 days before the undertaker intends to start the execution of any specified work where the removal of the apparatus in question has not been required under paragraph 38 (removal of apparatus), the undertaker shall submit to NGED a plan of the works to be executed. Any submission must note the time limits imposed on NGED under sub-paragraph (3) below.</p> <p>[...]</p> <p>(5) At all times when carrying out the authorised development the undertaker shall <u>must</u> comply with NGED’s Avoidance of Danger from Electricity Overhead Lines and Underground Cables (2014), the Energy Network Association’s A Guide to the Safe Use of Mechanical Plant in the Vicinity of Electricity Overhead Lines (undated), the Health and Safety Executive’s GS6 Avoiding Danger from Overhead Power Lines, and the Health and Safety Executive’s HSG47 Avoiding Danger from Underground Services (Third Edition) (2014) as the same may be replaced from time to time.</p> <p>[...]</p> <p>(8) The undertaker is not required to comply with sub-paragraph (1) in a case of emergency but in that case it must give to NGED notice as soon as is reasonably practicable and a plan of those works as soon as reasonably practicable subsequently and must comply with any reasonable requirements stipulated by NGED under sub-paragraph (2) and with sub-paragraph <u>sub-paragraphs</u> (4) and (5) in</p>	
--	--	--	--

		<p>so far as is reasonably practicable in the circumstances. Nothing in this sub-paragraph prevents NGED from exercising its rights under sub-paragraph (6).</p> <p>Expenses, and costs and expert determination</p> <p>41.—(1) Subject to the following provisions of this paragraph, the undertaker must pay to NGED the proper and reasonable expenses incurred by NGED in, or in connection with, the inspection, removal, diversion, alteration or protection of any apparatus, the construction of any alternative apparatus and the acquisition or grant of alternative rights for the alternative apparatus, arising as a result of the powers conferred upon the undertaker pursuant to this Order.</p> <p>[...]</p> <p>42.—(1) Subject to sub-paragraphs (2) to <u>and</u> (3), if by reason or in consequence of the construction of any specified work or any subsidence resulting from any of those works any damage is caused to any apparatus or alternative apparatus (other than apparatus the repair of which is not reasonably necessary in view of its intended removal for the purposes of those works) or property of NGED the undertaker is to—</p> <p>[...]</p> <p>(3) NGED must give the undertaker reasonable notice of any such claim or demand and no settlement or compromise is to be made without the consent of the undertaker which, if it withholds such consent, is to have <u>has</u> the sole conduct of any settlement or compromise or of any proceedings necessary to resist the claim or demand.</p> <p>(4) NGED must act reasonably in relation to any claim or demand served under sub-paragraph (1) and use its reasonable endeavours to mitigate and to minimise any costs, expenses, loss, <u>claims</u>, demands, <u>proceedings</u> and penalties to which a claim or demand under sub-paragraph (1) applies.</p> <p>(5) NGED’s liability to the undertaker for negligence or breach of contract in <u>in</u> respect of each diversion, shall be limited to the value of that diversion and NGED shall not otherwise be liable to the undertaker for any losses or costs incurred by the undertaker resulting from delays to the authorised development as a result of its <u>the undertaker’s</u> failure to undertake works to deliver any alternative apparatus.</p> <p>43.—(1) — Article 42 (arbitration) shall apply to any difference as to the legal interpretation of this Part of this Schedule and as provided for in sub-paragraph (7).</p>

Schedule 16 – Protective Provisions – Part 10 – For the Protection of Railway Interests	Applicant and Network Rail	Minor amendments to the Protective Provisions reflect ongoing negotiations with Network Rail.	<p>115. 114. The provisions of this Part of this Schedule have effect, unless <u>otherwise</u> agreed in writing between the undertaker and Network Rail and, in the case of paragraph 128-129 of this Part of this Schedule any other person on whom rights or obligations are conferred by that paragraph.</p> <p>[...]</p> <p>125.—(1) In this paragraph—</p> <p>[...]</p> <p>(10) In relation to any dispute arising under this paragraph the reference in article 42 (arbitration) to the Institution of Civil Engineers shall be read as a reference to the Institution of Engineering and Technology.</p> <p>[...]</p> <p>136. In relation to any <u>Any</u> dispute arising under this part of this Part of this Schedule (except for those disputes referred to in paragraph 124) the provisions of article 42 (arbitration) shall not apply and any such dispute, unless otherwise provided for, must be referred to and settled by a single arbitrator <u>arbitration</u> in accordance with <u>article 42 (arbitration) and</u> the Rules at Schedule 15 (arbitration rules) to be agreed between the parties or, failing agreement, to be appointed on the application of either party (after giving notice in writing to the other) to the President of the Institution of Civil Engineers.</p>	E
Schedule 16 – Protective Provisions – Part 11 – For the Protection of Gate Burton Energy Park Limited	Applicant	Reference is now made to the relevant Work No. from the Gate Burton DCO Application in respect of the shared cable corridor.	[Every instance of “Gate Burton Work No. []” has been changed to refer to “Gate Burton Work No. 4B]	E

Schedule 16 – Protective Provisions – Part 11 – For the Protection of West Burton Energy Park Limited	Applicant	Reference is now made to the relevant Work No. from the West Burton DCO Application in respect of the shared cable corridor.	[Every instance of “West Burton Work No. []” has been changed to refer to “West Burton Work No. 5B]	E
Schedule 16 – Protective Provisions – Part 13 – For the Protection of the Canal & River Trust	Applicant	Minor amendments reflect the final agreed protective provisions within the Gate Burton Energy Park draft DCO.	<p>Interpretation</p> <p>169.—(1) [...]</p> <p>“practical completion” means practical completion of all <u>of</u> the specified work notwithstanding that items which would ordinarily be considered snagging items remain outstanding, and the expressions “practically complete” and “practically completed” are to be construed accordingly;</p> <p>“protective work” means a work constructed under paragraph 172(4)(a)<u>173(4)(a)</u> (approval of plans, protective works, etc.);</p> <p>[...]</p> <p>Powers requiring the Canal & River Trust’s consent</p> <p>170.—(1) [...]</p> <p>(2) The undertaker must not exercise any power conferred by this Order to discharge water into the waterway under article 16 (discharge of water) or in any way interfere with the supply of water to or the drainage of water from the waterway unless such exercise is with the consent of the Canal & River Trust, save as to surface water <u>discharge</u> which will not require the consent of the Canal & River Trust.</p> <p>[...]</p> <p>(5) The undertaker must not exercise any power conferred by article 20 (compulsory acquisition of land), article 22 (compulsory acquisition of rights), article 25 (acquisition of subsoil) or article 31</p>	E

		<p>(statutory undertakers) in respect of the Canal & River Trust's interests in the waterway unless such exercise is with the consent of the Canal & River Trust.</p> <p>(6) The consent of the Canal & River Trust pursuant to sub-paragraphs (1) to (5) must not be unreasonably withheld or delayed but may be given subject to reasonable terms and conditions provided that it will not be reasonable for the Canal & River Trust to withhold or delay consent or impose terms and conditions that would prevent the undertaker from complying with the protective provisions in this part Part of this Schedule or any condition contained in Schedule 2 (Requirements requirements) or Part 2 of Schedule 9 (Deemed marine licence under the 2009 Act). [...]</p> <p>Survey of waterway</p> <p>172.—(1) Before the commencement of the initial construction of any part of the specified works and again following practical completion of the specified works the undertaker must bear the reasonable and proper cost of the carrying out by a qualified engineer (“the surveyor”), to be approved by the Canal & River Trust and the undertaker, of a survey to measure the navigational depth of the waterway and profile of the riverbed (“the survey”) of so much of the waterway and of any land which may provide support for the waterway as will or may be affected by the specified works.</p> <p>(2) The design of the and methods proposed to be used for the survey are to be approved by the Canal & River Trust and the undertaker. [...]</p> <p>Approval of plans, protective works, etc.</p> <p>173.—(1) [...]</p> <p>(2) The approval of the engineer under sub-paragraph (1) must not be unreasonably withheld or delayed, and if within 25 working days after such plans (including any other particulars reasonably required under sub-paragraph (1)) have been received by the Canal & River Trust the engineer has not intimated his disapproval of those plans and the grounds of his disapproval he, the engineer is deemed to have approved the plans as submitted. [...]</p>	
--	--	--	--

			<p>(5) The withholding of an approval of the engineer under this paragraph will be deemed to be unreasonable if it would prevent the undertaker from complying with any condition contained in Schedule 2 (Requirements<u>requirements</u>) or Part 2 of Schedule 9 (Deemed marine licence under the 2009 Act). [...]</p> <p>Design of works</p> <p>174. Without prejudice to its obligations under the foregoing provisions of this Part of this Schedule the undertaker must consult, collaborate and respond constructively to any reasonably<u>reasonable</u> approach, suggestion, proposal or initiative made by the Canal & River Trust on— [...]</p> <p>Construction of specified works</p> <p>176.—(1) [...]</p> <p>(f) in compliance with the code of practice (where appropriate and <u>where</u> consistent with the exercise of powers pursuant to this Order and for the timely, safe, economic and efficient delivery of the authorised works); [...]</p> <p>Repayment of the Canal & River Trust’s fees, etc.</p> <p>180.—(1) [...]</p> <p>(c) in respect of the employment during the construction of the specified works or any protective works of any inspectors, watchmen and other persons whom it is reasonably necessary to appoint for inspecting, watching and lighting the<u>any</u> waterway and for preventing, so far as may be reasonably practicable, interference, obstruction, danger or accident arising from the construction or failure of the specified works or any protective works;</p> <p>(3) The Canal & River Trust must take into account any representations made by the undertaker in accordance with this paragraph and must, within 15 working days of receipt of the information pursuant</p>	
--	--	--	--	--

		<p>to sub-paragraph (1), confirm the amount of the fee, charge, cost or expense to be paid by the undertaker (if any) and then <u>the</u> date by which this is to be paid.</p> <p>Making good of detriment; compensation and indemnity, etc.</p> <p>181.—(1) [...] (2) [...] (b) by reason of any act or omission of the undertaker or of any person in its employ or of its contractors or others whilst engaged upon the construction of a specified work or protective work and subject to sub-paragraph (4), the undertaker must effectively indemnify and hold harmless the Canal & River Trust from and Against <u>against</u> all claims and demands arising out of or in connection with any of the matters referred to in paragraphs (a) and (b) (provided that the Canal & River Trust is not entitled to recover from the undertaker any consequential losses which are not reasonably foreseeable).</p> <p>(3) The fact that any act or thing may have been done by the Canal & River Trust on behalf of the undertaker or in accordance with <u>plans approved by the engineer or in accordance with</u> any requirement of the engineer or under the engineer’s supervision or in Aeeordanee <u>accordance</u> with any directions or awards of an arbitrator is not to (if it was done without negligence on the part of the Canal & River Trust or of any person in its employ or of its contractors or agents) excuse the undertaker from any liability <u>under the provisions</u> of this paragraph.</p> <p>[...]</p> <p>Arbitration</p> <p>182.181. Any difference arising between the undertaker and the Canal & River Trust under this Part (other than a difference as to the meaning or construction of this Part) must be referred to and settled by arbitration in accordance with article 42 (arbitration).</p> <p>[...]</p>	
--	--	--	--

			<p>As built drawings</p> <p>184. As soon as reasonably practicable following the completion of the construction of the authorised development, the undertaker must provide to the Canal & River Trust as built drawings of any specified works in a form and scale to be agreed between the undertaker and the Canal & River Trust to show the position of those works in relation to the waterway.</p>	
Schedule 16 – Protective Provisions – Part 16 – For the Protection of Lincolnshire Fire & Rescue Service	Applicant and Lincolnshire County Council	Addition of agreed Protective Provisions for Lincolnshire Fire and Rescue. These provisions are also contained in the Gate Burton Energy Park draft DCO.	<p style="text-align: center;"><u>PART 16</u></p> <p style="text-align: center;"><u>FOR THE PROTECTION OF LINCOLNSHIRE FIRE & RESCUE SERVICE</u></p> <p><u>185.</u> For the protection of Lincolnshire Fire and Rescue as referred to in this Part of this Schedule the following provisions have effect, unless otherwise agreed in writing between the undertaker and Lincolnshire Fire and Rescue.</p> <p><u>Interpretation</u></p> <p><u>186.</u> In this Part of this Schedule—</p> <p>“Index” means the Consumer Price Index;</p> <p>“Index Linked” means an increase in the sums payable on an annual basis or pro rata per diem from the first day following the first year of operation of the authorised development, to the date of payment, based upon the relevant Index last published before the first day following the first year of operation of the authorised development; and</p> <p>“Lincolnshire Fire and Rescue” means Lincolnshire County Council in its capacity as a fire and rescue authority pursuant to section 1(2)(a) of the Fire and Rescue Services Act 2004.</p> <p><u>Site visits</u></p> <p><u>187.—</u> (1) The undertaker must, prior to the date of final commissioning of Work No. 2 or Work No. 3, use reasonable endeavours to facilitate a site familiarisation exercise in connection with Work No. 2</p>	E

			<p><u>or Work No. 3 of the authorised development for Lincolnshire Fire and Rescue for the purposes of providing the necessary assurance to Lincolnshire Fire and Rescue that all the required systems and measures are in place in accordance with the battery safety management plan.</u></p> <p><u>(2) Following the anniversary of the date of final commissioning of Work No. 2 or Work No. 3 of the authorised development, the undertaker must use reasonable endeavours to facilitate an annual review of the site by Lincolnshire Fire and Rescue at the reasonable request of Lincolnshire Fire and Rescue, up until date of decommissioning of Work No. 2 or Work No. 3 of the authorised development.</u></p> <p><u>Costs</u></p> <p><u>188.—(1) Pursuant to the provisions set out at paragraph 189, the undertaker must pay to Lincolnshire Fire and Rescue:</u></p> <p><u>(1) £16,665 in the first year of operation of the authorised development for, or in connection with Lincolnshire Fire and Rescue’s attendance at the site familiarisation exercise facilitated by the undertaker pursuant to paragraph 189(1), such sum to be paid on a date mutually agreed between the parties (the “Payment Date”); and</u></p> <p><u>(2) £1,530 in each subsequent year of operation of the authorised development until the date of decommissioning of Work No. 2, payable on the anniversary of the Payment Date, if in that year an annual review has taken place pursuant to paragraph 189(2).</u></p> <p><u>(2) The costs payable under sub-paragraph 190(1)(ii) are to be Index Linked.</u></p> <p><u>Arbitration</u></p> <p><u>189. Any difference or dispute arising between the undertaker and Lincolnshire Fire and Rescue under this Part of this Schedule must be determined by arbitration in accordance with article 42.</u></p>	
--	--	--	---	--

<p>Schedule 16 – Protective Provisions – Part 17 – For the Protection of Tillbridge Solar Project</p>	<p>Applicant and Tillbridge Solar Limited</p>	<p>Protective provisions included for the benefit of Tillbridge Solar Limited as the fourth solar project that will utilise the shared cable route corridor.</p>	<p style="text-align: center;"><u>PART 17</u></p> <p style="text-align: center;"><u>FOR THE PROTECTION OF TILLBRIDGE SOLAR PROJECT LIMITED</u></p> <p><u>193. The provisions of this Part apply for the protection of Tillbridge unless otherwise agreed in writing between the undertaker and Tillbridge.</u></p> <p><u>194. In this Part—</u></p> <p><u>“apparatus” means the cables, structures or other infrastructure owned, occupied or maintained by Tillbridge or its successor in title within the Tillbridge Work No. [] Area;</u></p> <p><u>“construction” includes execution, placing, altering, replacing, reconstruction, relaying, maintenance, extensions, enlargement and removal; and “construct” and “constructed” must be construed accordingly;</u></p> <p><u>“Tillbridge” means an undertaker with the benefit of all or part of the Tillbridge Solar Project Order for the time being;</u></p> <p><u>“Tillbridge Work No. [] Area” means the area for Work No. [] authorised in the Tillbridge Solar Project Order;</u></p> <p><u>“plans” includes sections, drawings, specifications, designs, design data, software, soil reports, calculations, descriptions (including descriptions of methods of construction), staging proposals, programmes and details of the extent, timing and duration of any proposed occupation of the Tillbridge Work No. [] Area; and</u></p> <p><u>“specified works” means so much of any works of operations authorised by this Order (or authorised by any planning permission intended to operate in conjunction with this Order) as is—</u></p> <p><u>(1) within the Tillbridge Work No. [] Area;</u></p> <p><u>(2) in, on, under, over or within 25 metres of the Tillbridge Work No. [] Area or any apparatus;</u></p> <p><u>or</u></p> <p><u>(3) may in any way adversely affect any apparatus.</u></p>	<p>E</p>
---	---	--	---	----------

			<p><u>195. The consent of Tillbridge under this Part is not required where the Tillbridge Solar Project Order has expired without the authorised development having been commenced pursuant to requirement 1 of Schedule 2 to the Tillbridge Solar Project Order.</u></p> <p><u>196. Where conditions are included in any consent granted by Tillbridge pursuant to this Part, the undertaker must comply with the conditions if it chooses to implement or rely on the consent, unless the conditions are waived or varied in writing by Tillbridge.</u></p> <p><u>197. The undertaker must not under the powers of this Order acquire, extinguish, suspend, override or interfere with any rights that Tillbridge has in respect of any apparatus or the Tillbridge Work No. [] Area without the consent of Tillbridge, which must not be unreasonably withheld or delayed but which may be made subject to reasonable conditions.</u></p> <p><u>198.—(1) The undertaker must not under the powers of this Order carry out any specified works without the consent of Tillbridge, which must not be unreasonably withheld or delayed but which may be made subject to reasonable conditions and if Tillbridge does not respond within 28 days of the undertaker’s request for consent, then consent is deemed to be given.</u></p> <p><u>(2) Subject to obtaining consent pursuant to sub-paragraph 158(1) and before beginning to construct any specified works, the undertaker must submit plans of the specified works to Tillbridge and must submit any such further particulars available to it that Tillbridge may reasonably require.</u></p> <p><u>(3) Any specified works must be constructed without unreasonable delay in accordance with the plans approved in writing by Tillbridge.</u></p> <p><u>(4) Any approval of Tillbridge required under this paragraph may be made subject to such reasonable conditions as may be required for the protection or alteration of any apparatus in the Tillbridge Work No. [] Area or for securing access to such apparatus or the Tillbridge Work No. [] Area.</u></p> <p><u>(5) Where Tillbridge requires any protective works to be carried out either by themselves or by the undertaker (whether of a temporary or permanent nature) such protective works must be carried out to Tillbridge’s reasonable satisfaction.</u></p> <p><u>(6) Nothing in this paragraph precludes the undertaker from submitting at any time or from time to time, but in no case less than 28 days before commencing the execution of any specified works, new plans instead of the plans previously submitted, and the provisions of this paragraph shall apply to and in respect of the new plans.</u></p>	
--	--	--	---	--

			<p><u>199.—(1) The undertaker must give to Tillbridge not less than 28 days’ written notice of its intention to commence the construction of the specified works and, not more than 14 days after completion of their construction, must give Tillbridge written notice of the completion.</u></p> <p><u>(2) The undertaker is not required to comply with paragraph 158 or sub-paragraph 159(1) in a case of emergency, but in that case it must give Tillbridge notice as soon as is reasonably practicable and a plan, section and description of those works as soon as reasonably practicable subsequently and must comply with paragraph 158 in so far as is reasonably practicable in the circumstances.</u></p> <p><u>200. The undertaker must at all reasonable times during construction of the specified works allow Tillbridge and its servants and agents access to the specified works and all reasonable facilities for inspection of the specified works.</u></p> <p><u>201.—(1) After the purpose of any temporary works has been accomplished, the undertaker must with all reasonable dispatch, or after a reasonable period of notice in writing from Tillbridge requiring the undertaker to do so, remove the temporary works in, on, under, over or within the Tillbridge Work No. [] Area.</u></p> <p><u>(2) If the undertaker fails to remove the temporary works within a reasonable period of receipt of a notice pursuant to sub-paragraph 161(1), Tillbridge may remove the temporary works and may recover the reasonable costs of doing so from the undertaker.</u></p> <p><u>202. If in consequence of the exercise of the powers conferred by this Order the access to any apparatus is materially obstructed, the undertaker must provide such alternative means of access to such apparatus as will enable Tillbridge to maintain or use the apparatus no less effectively than was possible before the obstruction.</u></p> <p><u>203. The undertaker must not exercise the powers conferred by this Order to prevent or interfere with the access by Tillbridge to the Tillbridge Work No. [] Area.</u></p> <p><u>204. To ensure its compliance with this Part, the undertaker must before carrying out any works or operations pursuant to this Order within Tillbridge Work No. [] Area request up-to-date written confirmation from Tillbridge of the location of any apparatus or proposed apparatus.</u></p> <p><u>205. The undertaker and Tillbridge must each act in good faith and use reasonable endeavours to cooperate with and provide assistance to each other as may be required to give effect to the provisions of this Part.</u></p>	
--	--	--	--	--

			<p><u>206. The undertaker must pay to Tillbridge the reasonable expenses incurred by Tillbridge in connection with the approval of plans, inspection of any specified works or alteration or protection of any apparatus or the Tillbridge Work No. [] Area.</u></p> <p><u>207.—(1) Subject to sub-paragraphs 167(2) and 167(3), if by reason or in consequence of the construction of any specified works, any damage is caused to any apparatus or there is any interruption in any service provided, or in the supply of any goods, by Tillbridge, or Tillbridge becomes liable to pay any amount to any third party, the undertaker must—</u></p> <p><u>(1) bear and pay the cost reasonably incurred by Tillbridge in making good such damage or restoring the service or supply; and</u></p> <p><u>(2) compensate Tillbridge for any other expenses, loss, demands, proceedings, damages, claims, penalty or costs incurred by or recovered from Tillbridge, by reason or in consequence of any such damage or interruption or Tillbridge becoming liable to any third party as aforesaid.</u></p> <p><u>(2) Nothing in sub-paragraph 167(1) imposes any liability on the undertaker with respect to any damage or interruption to the extent that it is attributable to the act, neglect or default of Tillbridge, its officers, servants, contractors or agents.</u></p> <p><u>(3) Tillbridge must give the undertaker reasonable notice of any such claim or demand and no settlement or compromise shall be made, unless payment is required in connection with a statutory compensation scheme without first consulting the undertaker and considering its representations.</u></p> <p><u>(4) Tillbridge must use its reasonable endeavours to mitigate in whole or in part and to minimise any costs, expenses, loss, demands, and penalties to which the indemnity under this paragraph applies. If requested to do so by the undertaker, Tillbridge shall provide an explanation of how the claim has been minimised. The undertaker shall only be liable under this paragraph for claims reasonably incurred by Tillbridge.</u></p> <p><u>(5) The fact that any work or thing has been executed or done with the consent of Tillbridge and in accordance with any conditions or restrictions prescribed by Tillbridge or in accordance with any plans approved by Tillbridge or to its satisfaction or in accordance with any directions or award of any arbitrator does not relieve the undertaker from any liability under this Part.</u></p> <p><u>(6) Any dispute arising between the undertaker and Tillbridge under this Part must be determined by arbitration under article 42</u></p>	
--	--	--	--	--

<p>Schedule 17 – Procedure for Discharge of Requirements</p>	<p>Applicants</p>	<p>Amendments consequential on the revision, within Version C of the draft DCO, to apply a single timeframe for the relevant planning authority to give notice of its decision in respect of all Requirements. Correction; footnote added.</p>	<p>Applications made under requirement</p> <p>2.—(1) [...]</p> <p>(2) Subject to sub-paragraph (3), where <u>Where</u> an application has been made to the relevant planning authority for any consent, agreement or approval required by a requirement the relevant planning authority must give notice to the undertaker of its decision on the application within a period of ten weeks beginning with the later of [...]</p> <p>(2) —Where an application has been made to the relevant planning authority any consent, agreement or approval required by requirement 5, the relevant planning authority must give notice to the undertaker of its decision on the application within a period of ten weeks beginning with the later of —</p> <p>(a) the day immediately following that on which the application is received by the authority;</p> <p>(b) the day immediately following that on which further information has been supplied by the undertaker under paragraph 3; or</p> <p>(c) such longer period that is agreed in writing by the undertaker and the relevant planning authority.</p> <p><u>(3)</u> (3) Subject to paragraph 4, in the event that the relevant planning authority does not determine an application within the period set out in sub-paragraph (2) and (3), the relevant planning authority is to be taken to have granted all parts of the application (without any condition or qualification) at the end of that period.</p> <p><u>(4)</u> (4) Any application made to the relevant planning authority pursuant to sub- paragraph (2) and (3) must include a statement to confirm whether it is likely that the subject matter of the application will give rise to any materially new or materially different environmental effects compared to those in the environmental statement and if it will then it must be accompanied by information setting out what those effects are.</p> <p><u>(5)</u> (5) Where an application has been made to the relevant planning authority for any consent, agreement or approval required by a requirement included in this Order and the relevant planning authority does not determine the application within the period set out in sub- paragraph (2) or (3) and</p>	<p>E</p>
--	-------------------	--	---	----------

			<p>is accompanied by a report pursuant to sub-paragraph (5) which states that the subject matter of such application is likely to give rise to any materially new or materially different environmental effects compared to those in the environmental statement then the application is to be taken to have been refused by the relevant planning authority at the end of that period.</p> <p>Appeals</p> <p>4.—(1) The undertaker may appeal in the event that—</p> <ul style="list-style-type: none"> (a) the relevant planning authority refuses an application for any consent, agreement or approval required by a requirement included in this Order or grants it subject to conditions; (b) the relevant planning authority is deemed to have refused an application pursuant to paragraph 2(6)(5) 2(6)(5); <p>[...]</p> <p>5.—(1) Where an application is made to the relevant planning authority for written consent, agreement or approval in respect of a requirement, the fee prescribed under regulation 16(1)(b) of the Town and Country Planning (Fees for Applications, Deemed Applications, Requires Requests and Site Visits) (England) Regulations 2012-(15) (15) (as may be amended or replaced from time to time) is to apply for the discharge of each requirement (whether dealt with in separate applications or combined within a single application) and must be paid to the relevant planning authority for each application.</p>	
Part 1 - Preliminary - paragraph 2 - Interpretation	Applicant	Corrections	<p><u>“important hedgerows plan”</u> means the plans of that name identified in the table at Schedule 14^F (documents and plans to be certified) and which are certified by the Secretary of State as the important hedgerows plan for the purposes of this Order;</p> <p>[...]</p> <p>“Tillbridge Solar Project Order” means a development consent order granted by the Secretary of State following the examination of the project known as Tillbridge Solar project Project and given reference number EN010142 by the Planning Inspectorate;</p>

			[...]	
Part 2 - Principal Powers – paragraph 6 – Application and modification of statutory provisions	Applicant and the Environment Agency	Amendment to remove the disapplication of sections 24 and 25 of the Water Resources Act 1991, in response to comments from the Environment Agency.	<p>Application and modification of statutory provisions</p> <p>6.—(1) The following provisions do not apply in relation to the construction of any work or the carrying out of any operation required for the purposes of, or in connection with, the construction, operation or maintenance of any part of the authorised development—</p> <p>[...]</p> <p>(d) section 24 (restrictions on abstraction) of the Water Resources Act 1991;</p> <p>(e) section 25 (restrictions on impounding) of the Water Resources Act 1991;</p> <p>[...]</p>	F
Schedule 2 – Requirements – requirement 2 – Commencement of the authorised development	Applicant and West Lindsey District Council (WLDC)	A requirement to provide a written scheme setting out the phasing of the Scheme has been added in response to comments from WLDC. This requirement reflects similar provisions in the Longfield Solar Farm Order 2023, and the draft DCOs for the Sunnica and Mallard Pass solar projects.	<p>Commencement of the authorised development</p> <p>2.—(1) The authorised development must not be commenced after the expiration of five years from the date this Order comes into force.</p> <p><u>(2) No part of the authorised development may commence until a written scheme setting out the phase or phases of construction of the authorised development has been submitted to the relevant planning authorities.</u></p> <p><u>(3)The written scheme submitted pursuant to sub-paragraph (1) must include a timetable for the construction of the phase or phases of the authorised development and a plan identifying the phasing area.</u></p>	F

Schedule 2 – Requirements – requirement 9 – Biodiversity net gain	Applicant	Amendments to the BNG Requirement seek to ensure that a minimum percentage of BNG is provided as part of the Scheme. The exact percentages are being considered, to allow for flexibility in detailed design.	<p>Biodiversity net gain</p> <p>9.—(1) No part of the authorised development may commence until a biodiversity net gain strategy has been submitted to and approved by the relevant planning authority, in consultation with the relevant statutory nature conservation body.</p> <p><u>(2) The biodiversity net gain strategy must include details of how the strategy will secure a minimum of []% biodiversity net gain in habitat units, a minimum of []% biodiversity net gain in hedgerow units and a minimum of 10% biodiversity net gain in river units for all of the authorised development during the operation of the authorised development, and the metric that has been used to calculate that those percentages will be reached.</u></p> <p><u>(3) (2)</u>The biodiversity net gain strategy must be substantially in accordance with the outline landscape and ecological management plan and must be implemented as approved.</p>	F
Schedule 2 – Requirements – requirement 22 – Long term flood risk mitigation	Local planning authorities and the Environment Agency (EA)	New Requirement to provide for an updated flood risk assessment in the event the Scheme is likely to remain operational beyond 40 years. This Requirement has been added at the request of the EA, and is currently being considered by the EA.	<p>Long term flood risk mitigation</p> <p>22.—(1) If any part of Work Nos. 1 to 4 is still in operation on the date that is 39 years from the date of final commissioning, the undertaker must notify the relevant planning authority and the Environment Agency whether it anticipates that the operation of any part of Work Nos. 1 to 4 will continue beyond the date that is 40 years from the date of final commissioning.</p> <p>(2) If a notification under sub-paragraph (1) indicates that the undertaker anticipates that the operation of any part of Work Nos. 1 to 4 will continue beyond the date that is 40 years from the date of final commissioning, it must, unless otherwise agreed by the Environment Agency, submit for approval to the Environment Agency</p> <ul style="list-style-type: none"> (a) an updated flood risk assessment of the flood risk arising from the continued operation of that part of Work Nos. 1 to 4 beyond the date that is 40 years from the date of final commissioning; (b) the details of any mitigation or compensation measures that the flood risk assessment under paragraph (a) recommends are necessary (if applicable); (c) the implementation timetable for any mitigation or compensation measures identified under sub-paragraph (b) (if applicable); and 	F

			<p>(d) the details of any maintenance and monitoring requirements for any mitigation or compensation measures identified under sub-paragraph (b) required until the date of decommissioning (if applicable).</p> <p>(3) The undertaker must submit the details approved by the Environment Agency under sub-paragraph (2) to the relevant planning authority, within five days of such approval being given.</p> <p>(4) The undertaker must implement the mitigation or compensation measures approved under sub-paragraph (2)(b) in accordance with the implementation timetable approved under sub-paragraph (2)(c) or such other time period as is agreed with the Environment Agency and must implement the maintenance and monitoring requirements identified under sub-paragraph (2)(d) until the date of decommissioning of that part of Work Nos. 1 to 4.</p> <p>(5) The undertaker must not continue operation of any part of Work Nos. 1 to 4 beyond the date that is 40 years from the date of final commissioning unless the Environment Agency has given its approval under sub-paragraph (2) and the undertaker has complied with sub-paragraph (3), unless otherwise agreed in writing by the Environment Agency.</p>	
Schedule 4 – Streets Subject to Street Works	Applicant	The private streets added to the Streets Plan [REP-002] have been included where they are subject to street works.	[Not reproduced. Please refer to the tracked version for more information]	F
Schedule 6 – Streets and Public Rights of Way – Part 1 – Temporary Prohibition or Restriction of the Use of Streets	Applicant	The private streets added to the Streets Plan [REP-002] have been included where they are subject to a temporary prohibition or restriction of the use of streets.	[Not reproduced. Please refer to the tracked version for more information]	F

Schedule 9 – Deemed Marine Licence under the 2009 Act – Part 1 – Licensed Marine Activities – paragraph 1	Applicant and Marine Management Organisation (MMO)	Amendments to the Deemed Marine Licence (DML) reflect comments made by the MMO in respect of the draft DML (on a without prejudice basis) in the Gate Burton Energy Park Order (PINS Reference EN010131) Examination.	[Not reproduced]		F
Schedule 10 – Land in Which Only New Rights etc. May be Acquired	Applicant and Examining Authority (ExA)	Changes to the plots subject to compulsory acquisition of rights reflect the Change Request, accepted by the Examining Authority in [PD-014].	<p style="text-align: center;"><i>(1)</i> <i>Plot reference number shown on the Land Plans</i></p> <p>01-004, 01-005, 01-008, 01-014, 01-019, 01-023, 01-025, 01-027, 02-054, 02-057, 02-058, 02-059, 02-060, 02-074 03-091, 04-103, 04-104, 05-124, 05-125, 05-128, 05-129, 05-130, 06-146, 06-147, 07-157, 07-159, 07-160, 08-161, 08-162, 08-163, 08-182, 09-188, 09-192, 09-194a, 10-208, 10-214, 10-215, 10-220, 10-221, 10-222, 10-223, 10-224, 10-226, 10-228, 10-229, 10-232, 10-241a, 10-244, 11 246, 11-247, 12-274, 12-276, 14-289, 14-291, 15-305, 15 307, 16-315, 17-338a, 17-339, 17-339a, 17-340, 17-362, 17-363, 17-364, and 18-377 and 19-394.</p> <p>01-036, 01-041, 02-042, 02-064, 02-065, 02-070, 02-071, 02-076, 02-077, 02-078, 02-079, 02-080, 03-084, 03-089, 03-096, 03-097, 03-098, 04-099, 04-107, 04-111, 04-114, 04-115, 04-116, 04-117, 04-118, 04-119, 05-120, 05-121, 05-126, 05-133, 05-134, 05-135, 05-136, 05-140, 05-141, 06-142, 06-143, 06-145, 06-148, 06-152, 07-157, 07-159, 07-160, 08-170, 08-171, 08-172, 08-174, 08-175, 08-177, 08-186, 09-188, 09-192, 10-</p>		F

Schedule 12 – Land of Which Temporary Possession May be Taken	Applicant and ExA	Changes to the plots subject to temporary possession only reflect the Change Request, accepted by the Examining Authority in [PD-014].	<p style="text-align: center;">(1) <i>Plot reference number shown on the Land Plans</i></p> <p>01-031, 01-033, 01-034, 01-037, 01-038, 01-039, 01-040, 02-048, 02-049, 02-050, 02-051, 02-052, 02-053, 02-055, 02-056, 02-067, 02-068, 02-069, 02-072, 02-073, 03-082, 03-083, 03-085, 03-086, 03-087, 03-094, 03-095, 04-100, 04-101, 04-102, 04-105, 04-109, 04-110, 04-112, 05-122, 05-127, 05-132, 05-138, 05-139, 06-144, 06-150, 06-151, 08-173, 08-176, 09-187, 09-189, 09-191, 09-193, 10-234, 10-236, 10-237, 10-238, 10-242, 10-245, 11-254, 11-256, 12-281, 14-284, 14-284a, 14-284b, 14-284c, 14-284d, 14-284e, 14-284f, 14-284g, 14-285, 14-286, 14-287, 14-290, 14-292, 14-292a, 14-292b, 14-292d, 14-293, 14-293a, 14-294, 14-295, 14-296 15-306, 15-308, 16-325, 17-341, 18-378, 18-380, 19-386, 19-387, 19-388 and 19-389.</p> <p>01-035, 02-066, 02-075, 03-081, 03-088, 04-106, 04-108, 04-113, 05-123, 05-131, 05-137, 06-149, 08-185, 14-298, 15-302, 16-316, 16-323, 17-332, 17-333, 17-334, 17-334a, 17-342, 17-343, 17-344 and 18-376, 19-401, 19-402 and 20-403.</p>		F
Schedule 13 – Hedgerows to be Removed	Applicant and ExA	Changes to the hedgerows that may be removed in part to reflect the Change	[Not reproduced]		F

		Request, accepted by the Examining Authority in [PD-014].		
Schedule 14 - Documents and Plans to be Certified	Applicant	Updates reflect the latest versions of documents submitted into Examination.	[Not reproduced]	F
Schedule 16 - Protective Provisions	Applicant	Corrections	[Not reproduced]	F
Schedule 16 - Protective Provisions - Part 18 - For the Protection of EDF Energy (Thermal Generation) Limited	Applicant and EDF Energy (Thermal Generation) Limited	Protective provisions are currently being negotiated. The Applicant has agreed to provide protective provisions and a Part has been added to the draft DCO. The drafting of the protective provisions continues to be negotiated and will be added to the draft DCO at a later revision once these	<p><u>PART 18</u> <u>FOR THE PROTECTION OF EDF ENERGY (THERMAL GENERATION) LIMITED</u> <u>1. [TBC]</u></p>	F

		are close to an agreed form.		
Schedule 17 – Procedure for the Discharge of Requirements – paragraph 1 - Interpretation	Applicant and Local Planning Authorities	Amendments provide for bespoke fee to be payable in respect of the discharge of Requirements. The drafting is based on the Mallard Pass Solar Farm draft DCO and has been included at the request of Lincolnshire County Council and West Lindsey District Council.	<p>Interpretation</p> <p>1. In this Schedule— <u>“discharge” means any consent, agreement or approval required by—</u> <u>(a) a requirement;</u> <u>(b) a document referred to by a requirement; or</u> <u>(c) a document that has been approved pursuant to a requirement;</u></p> <p>[...]</p> <p>Fees</p> <p>5.—(1) Where an application is made to the relevant planning authority for written consent a discharge, agreement or approval in respect of a requirement, the a fee prescribed under regulation 16(1)(b) of the Town and Country Planning (Fees for Applications, Deemed Applications, Requests and Site Visits) (England) Regulations 2012⁽⁸⁶⁾ (as may be amended or replaced from time to time) is to apply for the discharge of each requirement (whether dealt with in separate applications or combined within a single application) and must be paid to the relevant planning authority for each application.</p> <p><u>(2) The fee payable for each application under sub-paragraph (1) is as follows—</u> <u>(a) a fee of £2,535 for the first application for the discharge of each of the requirements 5, 6, 7, 8, 9, 11, 13, 14, 15, 18, 19, and 21;</u> <u>(b) a fee of £578 for each subsequent application for the discharge of each of the requirements listed in paragraph (a) and any application under requirement 5 in respect of the requirements listed in paragraph (a); and</u> <u>(c) a fee of £145 for any application for the discharge of—</u></p>	F

⁸⁶() S.I. 2012/2920 amended by S.I. 2013/2153, S.I. 2014/357, S.I. 2014/643, S.I. 2017/1314 and S.I. 2019/1154.

			<p>(i) any other requirements not listed in paragraph (a);</p> <p>(ii) any application under requirement 3 in respect of requirements not listed in paragraph (a); and</p> <p>(iii) any approval required by a document referred to by any requirement or a document approved pursuant to any requirement.</p> <p>(3) (4) Any fee paid under this Schedule must be refunded to the undertaker within four weeks of—</p> <p>(a) the application being rejected as invalidly made; or</p> <p>(b) the relevant planning authority failing to determine the application within the relevant period in paragraph 2(2) or 2(3) unless—</p> <p>(i) within that period the undertaker agrees, in writing, that the fee is to be retained by the relevant planning authority and credited in respect of a future application; or</p> <p>(ii) a longer period of time for determining the application has been agreed pursuant to paragraph 2(2) or 2(3) of this Schedule, as applicable.</p>	
Article 2(1) - Interpretation	Examining Authority (ExA)	Amendments to ensure that plans are consistently referred to in the singular.	<p>[Example provided. Amended throughout to be consistent]</p> <p>“access plan” means the plans plan of that name identified in the table at Schedule 14 (documents and plans to be certified) and which are is certified by the Secretary of State as the access plan for the purposes of this Order;</p>	G
Article 2(1)	ExA	Updated definition of ‘Order Land’ to incorporate changes requested by the ExA; Definition of ‘working day’ moved from Schedule 17,	<p>“Order land” means the land which is required for or is required to facilitate or is incidental to or is affected by the authorised development and shown coloured pink, blue or yellow on the land plans and which is within the limits of land to be acquired or used and which is described in the book of reference; [...]</p> <p>“working day” means any day other than a Saturday, Sunday or English bank or public holiday</p>	G

		due to its wider use within the Order.		
Article 2(3)	Applicant	Correction	All distances, directions, capacities and lengths referred to in this Order are approximate and distances between lines or points on a numbered work comprised in the authorised development and shown on the works plans and , access plan and public rights of way plans are to be taken to be measured along that work.	G
Article 10 – Construction and maintenance of altered streets	Applicant	Clarifications and corrections to ensure the requirements relating to highways and private streets are consistent.	<p>10.—(1) The permanent alterations to each of the streets specified in Part 1 (permanent alteration of layout) of Schedule 5 (alteration of streets) to this Order that are maintained by the highway authority must be completed to the reasonable satisfaction of the highway authority where applicable and, unless otherwise agreed by the highway authority, the alterations must be maintained by and at the expense of the undertaker for a period of 12 months from their completion and from the expiry of that period by and at the expense of the highway authority.</p> <p>(2) The permanent alterations to each of the streets specified in Part 1 (permanent alteration of layout) of Schedule 5 (alteration of streets) to this Order that are maintained by the street authority must be completed to the reasonable satisfaction of the street authority where applicable and, unless otherwise agreed by the street authority, the alterations must be maintained by the undertaker for a period of 12 months from their completion and from the expiry of that period by and at the expense of the street authority.</p>	G
Article 15(5)(b) – Traffic regulation measures	ExA	Correction	(a) not less than 7 days before the provision is to take effect published the undertaker’s intention to make the provision in one or more newspapers circulating in the area in which any road to which the provision relates is situated.	G
Article 20(2) – Compulsory acquisition of land	ExA and Applicant	Addition of two articles that operate to limit the time and extent of the powers of compulsory acquisition into paragraph (2), to	(2) This article is subject to article 21 (time limit for exercise of authority to acquire land compulsorily) , paragraph (2) of article 22 (compulsory acquisition of rights), and article 29 (temporary use of land for constructing the authorised development) and article 31 (statutory undertakers) .	G

		signpost the reader to the restrictions on these powers.		
Article 22(3) – Compulsory acquisition of rights	Applicant	Correction	(3) Subject to section 8 (other provisions as to divided land) and Schedule 2A (counter-notice requiring purchase of land) of the 1965 Act (as substituted by paragraph 5(8) of Schedule 10 <u>11</u> (modification of compensation and compulsory purchase enactments for the creation of new rights and imposition of new restrictive covenants)), where the undertaker creates or acquires an existing right over land or the benefit of a restrictive covenant under paragraph (1) or (2), the undertaker is not required to acquire a greater interest in that land.	G
Schedule 2, Requirement 9(2) – Biodiversity net gain	Applicant	The specific percentage minimum of biodiversity net gain (BNG) units have been included in response to comments from stakeholders. The percentage stated allows for a degree of flexibility commensurate with the current uncertainty around BNG metrics and how these will apply to NSIP Schemes.	(2) The biodiversity net gain strategy must include details of how the strategy will secure a minimum of 11% <u>76.8%</u> biodiversity net gain in habitat units, a minimum of 11% <u>56.1%</u> biodiversity net gain in hedgerow units and a minimum of 10% biodiversity net gain in river units for all of the authorised development during the operation of the authorised development, and the metric that has been used to calculate that those percentages will be reached.	G
Schedule 2, Requirement 14 – Operational	Applicant and Lincolnshire	Amendments to include a waste management	14. —(1) Prior to the date of final commissioning for any part of the authorised development, an operational environmental management plan for that part must be submitted to and approved by the relevant planning authority or, where the part falls within the administrative areas of multiple	G

environmental management plan	County Council (LCC)	strategy have been added in response to comments made by LCC and are agreed with LCC.	relevant planning authorities, each of the relevant planning authorities, in consultation with the relevant highway authority, the relevant waste <u>planning</u> authority and the Environment Agency. (2) The operational environmental management plan must be substantially in accordance with the outline operational environmental management plan <u>and must include a waste management strategy that has been submitted to and approved by the relevant waste planning authority.</u>	
Schedule 2, Requirement 15(1) – Construction traffic management plan	Applicant	Correction	15. —(1) No part of the authorised development may commence until a construction traffic management plan for that part must be <u>has been</u> submitted to and approved by the relevant planning authority or, where the part falls within the administrative areas of multiple relevant planning authorities, each of the relevant planning authorities.	G
Schedule 2 – Requirement 22 – Long term flood risk mitigation	Applicant and Environment Agency	Amendments to Requirement 22 have been agreed with the Environment Agency, and require an updated flood risk assessment (FRA) to be completed before any part of the authorised development is commenced, covering a period of operation up to 60 years, as provided for in Requirement	22.—(1) If any No part of Work Nos. 1 to 4 is still in operation on the date that is 39 years from the date of final commissioning, the undertaker must notify the relevant planning authority and the Environment Agency whether it anticipates that the operation <u>the authorised development may commence until an updated flood risk assessment of the flood risk arising from the river Trent in respect of any part the continued operation</u> of Work Nos. 1 to 4 will continue beyond the date that is 40 for 60 years from the date of final commissioning <u>has been submitted to and approved by the Environment Agency.</u> (2) If a notification under <u>The updated flood risk assessment submitted pursuant to</u> sub-paragraph (1) indicates that the undertaker anticipates that the operation of any part of Work Nos. 1 to 4 will continue beyond the date that is 40 years from the date of final commissioning, it must, unless otherwise agreed by the Environment Agency, submit for approval to the Environment Agency <u>include—</u> (a) an updated flood risk assessment of the flood risk arising from the continued operation of that part of Work Nos. 1 to 4 beyond the date that is 40 years from the date of final commissioning; (b)(a) the details of any mitigation or compensation measures that the flood risk assessment under paragraph (a) recommends are necessary (if applicable); (c)(b) the implementation timetable for any mitigation or compensation measures identified under sub-paragraph (a) (if applicable); and	G

		<p>21 (decommissioning and restoration). The revised Requirement secures any mitigation, compensation and maintenance and monitoring requirements identified by the updated FRA.</p>	<p>(d)(c) the details of any maintenance and monitoring requirements for any mitigation or compensation measures identified under sub-paragraph (a) required until the date of decommissioning (if applicable). (3) The undertaker must submit the details approved by the Environment Agency under sub-paragraph (1) to the relevant planning authority, within five days of such approval being given. (4) The undertaker must implement the <u>approved</u> mitigation or compensation measures approved <u>identified</u> under sub-paragraph (2)(a) in accordance with the <u>approved</u> implementation timetable approved <u>identified</u> under sub-paragraph (2)(b) or such other time period as is agreed with the Environment Agency and must implement the <u>approved</u> maintenance and monitoring requirements identified under sub-paragraph (2)(c) until the date of decommissioning of that part of Work Nos. 1 to 4. (5) The undertaker must not continue operation of any part of Work Nos. 1 to 4 beyond the date that is 40 years from the date of final commissioning unless the Environment Agency has given its approval under sub-paragraph and the undertaker has complied with sub-paragraph, unless otherwise agreed in writing by the Environment Agency.</p>	
<p>Schedule 4 – Streets Subject to Street Works</p>	<p>Applicant</p>	<p>Corrections and amendments for consistency; changes reflect amendments to the numbering of points on some sheets of the streets plan, the identification of private streets, and amendments reflecting updates to the streets plan at Deadline 5.</p>	<p>[Not reproduced. Please refer to the Tracked version of Revision G of the draft DCO]</p>	<p>G</p>

Schedule 5 – Alteration of Streets	Applicant	Private streets have been added into Schedule 5, Parts 1 and 2. Changes have been made in relation to some public highways following a complete review of the plans, proposed works and required streets powers. Other corrections and amendments have been made for consistence.	[Not reproduced. Please refer to the Tracked version of Revision G of the draft DCO]	G
Schedule 6 – Streets and Public Rights of Way	Applicant	Correction of the colour references used in relation to private streets and removal of a duplicate entry. Correction of street names and the distance of the part of Torksey Ferry Road to be temporarily stopped up. The public rights of way (PRoW)	[Not reproduced. Please refer to the Tracked version of Revision G of the draft DCO]	G

		forming or abutting Torksey Ferry Road have been moved into Part 2, reflecting the addition of an area to divert these PRowS, with the consequential removal of the same PRowS from Part 3 of this Schedule.		
Schedule 7 - Access to Works	Applicant	Corrections have been made following a review of all streets and access proposals and requirements, ensuring this Schedule reflects the use of each Access identified within ES Chapter 14: Transport and Access [APP-049] and Addendum [REP2-070].	[Not reproduced. Please refer to the Tracked version of Revision G of the draft DCO]	G
Schedule 8 - Traffic Regulation Measures	Applicant	Corrections and amendments for consistency; changes	[Not reproduced. Please refer to the Tracked version of Revision G of the draft DCO]	G

		reflect amendments to the numbering of points on some sheets of the streets plan and amendments reflecting updates to the streets plan at Deadline 5. Schedule 8 and Article 15 are only applicable to public highways, and private streets are therefore omitted.		
Schedule 9 – Deemed Marine Licence	Applicant and Marine Management Organisation (MMO)	Corrections; changes have been made in response to without prejudice comments made by the MMO. Further detail in respect of each change is set out in the table within Appendix A of the Applicant’s Response to Deadline 3A and Deadline 4 Submissions [EX5/C8.1.32].	[...] 2.—(1) Except where otherwise notified in writing by the MMO, notices to the MMO must be sent to— (a) Marine Management Organisation Marine Licensing Team Lancaster House Hampshire Court Newcastle Business Park Newcastle upon Tyne NE4 7YH Tel: 0300 123 1032.; and (b) Marine Management Organisation Beverley Office First Floor Crosskill House Mill Lane Beverley HU17 9JB Tel: 0208 026 0519 [...]	G

		<p>3. [...] (3) The activity set out in sub-paragraph (2) is authorised in relation to the construction, maintenance and operation <u>and decommissioning</u> of those elements of Work No. 6B of Schedule 1 (authorised development) of the Order as defined in paragraph 1 of this Schedule, and any further associated development listed in Schedule 1 (authorised development) in connection with Work No. 6B, which are located within the area of the river Trent bounded by the coordinates specified in paragraph 4.</p> <p>[...]</p> <p>8. The licence holder must inform the MMO at the address <u>addresses</u> provided in condition <u>paragraph 2</u> and in writing of the commencement of the first licensed activity at least five days prior to such commencement.</p> <p>[...]</p> <p>15.—(1) The licence holder must remove all temporary structures, waste and debris associated with the licensed activities within 6 <u>10</u> weeks following completion of the final construction activity.</p> <p>[...]</p> <p>16.—(1) Unless otherwise agreed by the MMO, the maintenance activities may not commence until a maintenance plan has been approved in writing by the MMO. (2) The maintenance plan must be submitted at least 6 <u>10</u> weeks prior to the commencement of any maintenance activity, and must include details of the maintenance activities required including location, duration, timings, methodology and materials to be used.</p> <p>[...]</p> <p>17.—(1) Unless otherwise agreed by the MMO, the decommissioning activities may not commence until a decommissioning plan has been approved in writing by the MMO. (2) The decommissioning plan must be submitted at least 6 <u>10</u> weeks prior to the commencement of any decommissioning activity, and must include details of the decommissioning activities required including location, duration, timings, methodology and materials to be used.</p>
