Subject: NGET: Response to request for further information [CMCK-UK.FID118606439]

Dear John

We represent National Grid Electricity Transmission in respect of the Cottam DCO.

Further to the request for further information contained in paragraph 14 of the letter dated 19th July, I can confirm that the Promoter and NGET have now reached an agreed position in respect of protective provisions to be included in the DCO and an associated side agreement which provides satisfactory protection to NGET's apparatus and interests. We understand that the Promoter will send over the agreed protective provisions in their response later today. The Side Agreement has now been issued for execution by the parties and once this has been completed, NGET will be in a position to withdraw its objection.

Please do not hesitate to contact me if you have any further queries.

Kind regards

Sarah
