1 Introduction

1.1 Purpose of this document

- 1.1.1 This Book of Reference relates to an application made by EPL 001 Limited (the 'Applicant') to the Planning Inspectorate under section 37 of the Planning Act 2008 (the "PA 2008") for a Development Consent Order ('DCO') from the Secretary of State for Energy Security and Net Zero. If made, the DCO would grant consent for the Applicant to undertake the Stonestreet Green Solar project (the 'Project').
- 1.1.2 This Book of Reference lists the plots of land over which the Applicant is seeking powers of compulsory acquisition and powers of temporary possession in the DCO for the purposes of the Project. For each plot it identifies whether the Applicant is seeking the power to acquire that plot outright, the power to create and/or acquire permanent rights, or the power to create and/or acquire temporary rights of possession and use. It also lists the persons who the Applicant thinks, if the DCO were to be made and fully implemented, would or might be entitled as a result of the implementing of the DCO, the DCO having been implemented or the use of the land once the DCO has been implemented to make a "relevant claim" (as defined in section 44(6) of the PA 2008).
- 1.1.3 This Book of Reference has been prepared and submitted in compliance with Regulation 5(2)(d) of the Infrastructure Planning (Applications: Prescribed Forms and Procedure) Regulations 2009 (the 'APFP Regulations'), as amended, and in accordance with the Department for Levelling-Up, Housing and Communities 'Planning Act 2008: Guidance related to procedures for compulsory acquisition' (September 2013). It has also been prepared in accordance with Regulation 7 of the APFP Regulations.
- 1.1.4 As this Book of Reference is part of the application documents it should be read in conjunction with the **Land Plans (Doc Ref. 2.1)**, the **Crown Land Plans (Doc Ref. 2.2)**, the **Statement of Reasons (Doc Ref. 4.2)** and the **Draft DCO (Doc Ref. 3.1)** submitted under regulation 5(2) of the APFP Regulations.
- 1.1.5 This Book of Reference is divided into five parts as prescribed by Regulation 7(1) of the APFP Regulations. Each of the five Parts are summarised in the next chapter, together with a brief commentary on how the requirements in the APFP Regulations have been interpreted and applied to the collation of each Part of the Book of Reference.
- 1.1.6 A description of the Project can be found in **Environmental Statement, Volume 2, Chapter 3: Project Description (Doc Ref. 5.2)**.

2 Book of Reference Description

2.1 Part 1 Description

2.1.1 Regulation 7(1)(a) of the APFP Regulations states:

"[...] Part 1 contains the names and addresses for service of each person within Categories 1 and 2 as set out in section 57 (categories for purposes of section 56(2)(d)) in respect of any land which it is proposed shall be subject to:

(i) powers of compulsory acquisition;

(ii) rights to use land, including the right to attach brackets or other equipment to buildings; or

(iii) rights to carry out protective works to buildings"

2.1.2 In accordance with this, Part 1 of this Book of Reference contains the names and addresses for service for every person who is within Category 1 or Category 2.

2.1.3 A person is within Category 1 if the Applicant, after making diligent inquiry, knows that they are an owner, lessee, tenant (whatever the tenancy period) or occupier of the land to which the DCO application relates; see section 57(1) and (7) of the PA 2008.

2.1.4 A person is within Category 2 if the Applicant, after making diligent inquiry, knows that they are interested in the land or have the power to sell and convey or to release the land. This includes mortgagees, cautioners and beneficiaries that may have an interest in the land to which the DCO application relates; see section 57(2) of the PA 2008.

2.1.5 Parties recorded in Part 3 (see Section 2.3 below) of this Book of Reference have also been included in Part 1.

2.2 Part 2 Description

2.2.1 Regulation 7(1)(b) of the APFP Regulations states:

"[...] Part 2 contains the names and addresses for service of each person within Category 3 as set out in section 57"

2.2.2 In accordance with this, Part 2 of this Book of Reference contains the names and addresses (if known by the Applicant) of each person within Category 3, as defined by section 57 of the PA 2008.

2.2.3 A person is within Category 3 if the Applicant thinks that, if the DCO were to be made and fully implemented, they would or might be entitled to make a relevant

claim as defined in section 57(6) of the PA 2008. A relevant claim is a claim under section 10 of the Compulsory Purchase Act 1965 (compensation where satisfaction is not made for the taking, or injurious affection, of land subject to compulsory purchase), a claim under Part 1 of the Land Compensation Act 1973 (compensation for depreciation of land value by physical factors caused by use of public works), or a claim under section 152(3) of the PA 2008 where land is injuriously affected by the carrying out of the works.

- 2.2.4 Certain relevant persons included within Part 1 of the Book of Reference have been included within Part 2 where their rights may be affected. No Category 3 parties outside of the order limits have been identified following diligent inquiries.

2.3 Part 3 Description

- 2.3.1 Regulation 7(1)(c) of the APFP Regulations states:

"[...] Part 3 contains the names of all those entitled to enjoy easements or other private rights over land (including private rights of navigation over water) which it is proposed shall be extinguished, suspended or interfered with"

- 2.3.2 In accordance with this, Part 3 of this Book of Reference contains the names of all those with easements or other private rights over land which it is proposed shall be extinguished, suspended or interfered with as part of the DCO.

- 2.3.3 Category 2 persons included within Part 1 of this Book of Reference have also been included within Part 3 where their rights may be affected. Examples include tenants of the land, or statutory undertakers with services in or under the land, and whose rights over the land are likely to be affected whether the land is required permanently or temporarily.

- 2.3.4 Parties recorded in Part 3 of this Book of Reference have also been included in Part 1.

2.4 Part 4 Description

- 2.4.1 Regulation 7(1)(d) of the APFP Regulations states:

"[...] Part 4 specifies the owner of any Crown interest in the land which is proposed to be used for the purposes of the order for which application is being made"

- 2.4.2 A "Crown interest" is defined in section 227(3) of the PA 2008 and includes an interest belonging to a government department among other interests.

- 2.4.3 In accordance with this, Part 4 of this Book of Reference specifies the owner of any Crown interest in the land to which the DCO application relates.

2.5 Part 5 Description

- 2.5.1 Regulation 7(1)(e) of the APFP Regulations states:

"[...] Part 5 specifies land–

(i) the acquisition of which is subject to special parliamentary procedure;

(ii) which is special category land;

(iii) which is replacement land"

2.5.2 No land required for the DCO is subject to special parliamentary procedure, is special category land or is replacement land, but an empty Part 5 in this Book of Reference has been included for completeness with the note "No land was identified which should appear in this Part".

3 Book of Reference Notes

- 3.1.1 Part 1 of this Book of Reference provides the area in square metres of all land included in the DCO. Areas have not been repeated in Parts 2 to 5 of this Book of Reference.
- 3.1.2 The term ‘approximately’ is used before all plot area measurements as these measurements are given in square metres and each measurement is rounded up to the nearest whole square metre.
- 3.1.3 Each plot of land shown in this Book of Reference has been given a unique reference. The first number relates to the Land Plans sheet on which the plot is located. The second differentiates between each plot sequentially on the sheet.
- 3.1.4 The description of each plot of land includes reference to the principal land use power(s) sought in the Draft DCO in respect of that plot. The table below is provided to explain the relationship between this Book of Reference, the **Draft DCO (Doc Ref. 3.1)** and the **Land Plans (Doc Ref. 2.1)** and to clarify the powers sought in relation to compulsory acquisition and temporary possession.

Table 1: Relationship with the Land Plans and DCO

Colour of the plot on Land Plans	Description of the plot in the Book of Reference	Principal land use of power sought	Principal relevant DCO Article
Pink	“Permanent acquisition...”	Compulsory acquisition of freehold and in relation to which it is proposed to extinguish easements, servitudes and other private rights	Article 22
Blue	“Permanent acquisition of new rights over...”	Creation and compulsory acquisition of new rights and restrictive covenants to be imposed and land in relation to which existing easements, servitudes and other private rights the exercise of which is inconsistent with rights and restrictions acquired pursuant to the Order are to be extinguished	Article 26
Pink hatched	“Permanent acquisition, excluding all Crown interests...”	Compulsory acquisition of freehold and in relation to which it is proposed to extinguish easements, servitudes and other private rights, excluding all Crown interests	Article 22 and Article 42
Blue hatched	“Permanent acquisition of new rights over, excluding all Crown interests...”	Creation and compulsory acquisition of new rights and restrictive covenants to be imposed and land in relation to which existing easements, servitudes and other private rights the exercise of which is inconsistent with rights and restrictions acquired pursuant to the Order are to be extinguished, excluding all Crown interests	Article 26 and Article 42

- 3.1.5 The Applicant has also included a power in the **Draft DCO (Doc Ref. 3.1)** to provide statutory authority to override easements and other rights (Article 24) and to extinguish private rights over land subject to compulsory acquisition and private rights or restrictive covenants over land subject to the compulsory acquisition of rights or the imposition of restrictive covenants under the DCO (Article 27). The Applicant is seeking the power to temporarily possess all the land within the Order land (Articles 31 and 33 of the Draft DCO). Article 27(3) of the Draft DCO makes clear that any private rights or restrictive covenants over land of which the undertaker takes temporary possession are only suspended for the period in which the Applicant is in lawful possession of the land (i.e. they would only be suspended temporarily).

3.2 How to use this Book of Reference

- 3.2.1 The table below provides a step-by-step guide to enable any person with an interest in the land to identify how the Applicant's proposals may affect the land in which they have an interest.

Table 2: How to use this Book of Reference

Step One

Look at the **Land Plans (Doc Ref. 2.1)** and find the area (plot(s)) of land in which you have an interest

Step Two

Note the colour and the number of the plot(s)

Using Table 3.1 above, the colour of the plot(s) will tell you of the purpose for which it is required

Step Three

Use the plot(s) number to identify where the land is referred to in other DCO application documents:

This Book of Reference –
Which provides a brief description of each plot (including an approximate area measurement) and details of persons who own, lease or otherwise occupy or have an interest in the land

The **Statement of Reasons (Doc Ref. 4.2)** alongside the **Schedule of Negotiations and Powers Sought (Doc Ref. 4.4)** – Which provide details of the purpose for which compulsory acquisition and temporary possession powers are sought and reference each plot in the Book of Reference to these purposes

The **Draft Development Consent Order ('DCO') (Doc Ref. 3.1)** –
Which contains the powers needed to carry out the Project, and includes the powers of compulsory acquisition to assemble the land required that are listed in Table 3.1
