Dear Madam / Sir,

Planning Act 2008

The proposed Morgan Offshore Wind Project: Generation Assets

PINS Reference: EN010136

Morgan Offshore Wind Limited (the Applicant) encloses its submission for the Procedural Deadline. Please find below an overview of key documents within this submission.

Application Guide

The Applicant has provided an updated version of the Application Guide (F03) for the Procedural Deadline.

Response to ExA's Rule 4, 6, 9 and 13 letter

The Applicant has responded to the Examining Authority's Rule 4, 6, 9 and 13 letter (S_PD_2) for the Procedural Deadline. Within the document S_PD_2 the Applicant provided comments on the draft timetable, confirmed participation in the Preliminary Meeting and ISH1 on 10th of September and provided a proposal for accompanied and unaccompanied site inspections.

Responses to Relevant Representations

The Applicant has submitted responses to all Relevant Representations in the master response document "Applicants response to Relevant Representations" with reference number S_PD_3. Several annexes have been submitted alongside the master response document. A detailed list of annexes is outlined in the application guide.

Responses to Additional Submissions

The Applicant has submitted responses to additional submissions in the master response document "Applicants response to Relevant Representations" with reference number S_PD_3.

The Applicant's Examination Progress Tracker (combined with Statement of Commonality)

The Applicant has submitted the Examination Progress Tracker (S_PD_4). As suggested by the rules 4, 6, 9 and 13 letter the Applicant has decided to combine the Examination Progress Tracker and the Statement of Commonality.

The Applicant's Errata Sheet at the Procedural Deadline

Since the submission of the Morgan Offshore Wind Project: Generation Assets application in April 2024, a small number of discrepancies have been identified within the application documents.

The errata sheet (S_PD_5) identifies these errors in application documents and the required corrections and sets out the Applicant's approach to errata throughout examination.

Yours faithfully,

Jamie Grant
