Dear Madam / Sir,

Planning Act 2008

The proposed Morgan Offshore Wind Project: Generation Assets

PINS Reference: EN010136

Morgan Offshore Wind Limited (the Applicant) encloses its submission for the Deadline 2. Please find below an overview of key documents within this submission.

Application Guide

The Applicant has provided an updated version (clean and tracked) of the Application Guide (F05) (S_D2_2) for Deadline 2.

Applicant's response to Deadline 1 submissions

The Applicant has responded to the Written Representations (WR) submitted at Deadline 1. The Applicant's response to the WR is included in the masterfile S_D2_3_Applicant's response to Written Representation. The Applicant's response to post-hearing submissions is also included within S_D2_3.

Applicant's response to Local Impact Report submitted at Deadline 1

The Applicant has reviewed the local impact report submitted by Isle of Man Government at Deadline 1. The Applicant has responded in S_D2_4_The Applicant's response to Local Impact Report from TSC IoM Government.

The Applicant's Examination Progress Tracker and Statement of Commonality

The Applicant has submitted an updated version (F03) of the Examination Progress Tracker (S_D2_5).

Statements of Common Ground

The Applicant has continued to progress Statements of Common Ground (SoCG) with all Interested Parties identified by the Examining Authority in its Rule 6 letter. Fourteen initial SoCG were submitted at Deadline 1. For Deadline 2 the Applicant submitted initial SoCGs with the following Interested Parties:

- Initial SoCG MCA
- Initial SoCG Orsted IPs
- Initial commercial fisheries joint SoCG (NFFO, WFA and WFC)
- Initial commercial fisheries joint SoCG (Fisheries Stakeholders)
- Initial SoCG NRW

The Applicant will continue to progress the SoCGs with all Interested Parties throughout the examination.

Accompanied Site Visit (ASI)

As mentioned in S_PD_2_ The Applicant's response to the Examining Authority's Rule 4, 6, 9 and 13 letter, the Applicant does not consider an accompanied site inspection to be necessary as the development is entirely at sea. No Interested Party has requested an accompanied site visit. Therefore, the Applicant has not submitted a draft itinerary for any ASI.

The draft DCO

The Applicant has submitted an updated draft DCO (S_D2_7) in clean and track versions. An updated Schedule of Changes to the Draft DCO (S_D2_8) is also submitted.

The Applicant's Errata Sheet at the Deadline 2

Since Deadline 1 a few more minor discrepancies have been identified within the application documents. An updated Errata Sheet (S_D2_6) has been submitted at Deadline 2 to reflect these minor discrepancies.

Updated application documents

The Applicant has updated the following application documents, which are submitted in clean and track change versions:

- The In Principle Monitoring Plan (APP-066)
- The Mitigation and monitoring schedule (APP-076)
- The Outline Vessel Traffic Management Plan (APP-071)
- The Outline Fisheries Liaison Co-existence Plan (APP-065)

Additional documents

The Applicant has also submitted the following additional documents to address specific stakeholder concerns raised in their Relevant Representations:

-
- S_D2_13 Treatment of Birds in Flight Data in Abundance Estimation at Deadline 2 in response to the request from Natural England (B19 in RR-026)
 - S_D2_14 Great black-backed gull regional populations
 - S_D2_15 Review of Cumulative Effects Assessment and In-Combination Assessment

Yours faithfully,

Peter Gaches
