Dear Madam / Sir,

Planning Act 2008

The proposed Morgan Offshore Wind Project: Generation Assets

PINS Reference: EN010136

Morgan Offshore Wind Limited (the Applicant) encloses its submission for the Deadline 3. Please find below an overview of key documents within this submission.

Application Guide

The Applicant has provided an updated version (clean and tracked) of the Application Guide (F06) (S_D3_2) for Deadline 3.

Applicant's response to Written Submissions received at Deadline 2

The Applicant has responded to the Written Submission submitted at Deadline 2. The Applicant's response to the Written Submissions is included in the masterfile S_D3_3_Applicant's response to Written Submissions submitted at Deadline 2. The masterfile is accompanied by an annex S_D3_3.1.

Applicant's Response to Examining Authority's Written Questions (ExQ1)

The Applicant has responded to the Examining Authority's Written Questions (ExQ1). The Applicant's response to the ExQ1 is included in the masterfile S_D3_4_Applicant's Response to Examining Authority's Written Questions (ExQ1). The masterfile is accompanied by four annexes S_D3_4.1 to S_D3_4.4. Further the Applicant submitted the S_D3_13 Commercial Side Agreement Tracker (F01).

Statements of Common Ground

The Applicant has continued to progress Statements of Common Ground (SoCG) with all Interested Parties identified by the Examining Authority in its Rule 6 letter. Fourteen initial SoCG were submitted at Deadline 1. An additional five were submitted at Deadline 2. For Deadline 3 the Applicant has submitted seven updated initial SoCGs with the following Interested Parties:

-
- Initial SoCG Marine Management Organisation_F02
 - Initial SoCG Isle of Man Steam Packet Company_F02
 - Initial UKCoS SoCG_F02
 - Initial Trinity House SoCG_F02
 - Initial SoCG Isle of Man Government (Territorial Sea Committee)_F02
 - Initial Stena Line SoCG_F02
 - Initial SoCG BAE Systems / Walney Aerodrome_F02

The Applicant will continue to progress the SoGCs with all Interested Parties throughout the examination.

The draft DCO

The Applicant has submitted an updated draft DCO (S_D3_6) in clean and track versions as well as an updated Explanatory Memorandum (S_D3_7). An updated Schedule of Changes to the Draft DCO (S_D3_8) is also submitted.

The Applicant's Errata Sheet at the Deadline 3

Since Deadline 2 a few more minor discrepancies have been identified within the application documents. An updated Errata Sheet (S_D3_5) (clean and tracked) has been submitted at Deadline 3 to reflect these minor discrepancies.

Updated application documents

The Applicant has updated the following application documents:

- S_D3_12_Outline fisheries liaison and co-existence plan (F03)

Additional documents

The Applicant has also submitted the following additional documents:

- S_D3_9 Inclusion of Awel y Môr in Cumulative Assessments – Clarification note (F01)
- S_D3_10 Review of Cumulative Effects Assessment and In-Combination Assessment: Offshore ornithology (F01)
- S_D3_11 Kittiwake apportioning clarification note (F01)

Documents requested at Deadline 3 that will be submitted at Deadline 4

In response to ExQ1, the Applicant has confirmed it will submit new or updated versions of the documents listed below. These will be submitted at Deadline 4 due to insufficient time to finalise these at Deadline 3.

- Commitments Register: The Applicant is preparing a Commitments Register in line with the Planning Inspectorate's latest advice note. This will be adapted from the Mitigation and Monitoring Schedule (REP2-015).
- Funding statement
- Outline Offshore Environmental management plan (EMP), including an Outline Marine pollution contingency plan (MPCP) and outline measures to minimise the potential spread of invasive non-native species

-
- Outline MMMP
 - Outline Construction method statement
 - Outline Cable specification and installation plan (CSIP)
 - Updated Outline Written Scheme of Investigation (WSI)
 - GHG Reduction Strategy
 - Conservation Objectives for all SPAs progressed to the ISAA

Artificial Intelligence (AI)

The Applicant can confirm that Artificial Intelligence has not been used to create or alter any application documents either submitted at application or provided for the Examination to date.

Yours faithfully,

Peter Gaches
Consents Lead
