Hi Simon,

Following on from communications with Harbour Energy, I can confirm that the below statement represents a jointly agreed position between both parties to aid the ExA in advance of the Issue Specific Hearings next week.

Joint Statement between the Applicant and Harbour Energy

The Applicant and Harbour Energy are engaged in constructive discussion to identify a mutually agreeable mechanism (such as in a coexistence and cooperation agreement or alternative mechanism) to address mutually exclusive simultaneous operations and marine access. The Applicant and Harbour Energy will provide a progress update to the Examining Authority no later than Deadline 5.

Many thanks
Peter Gaches
