**RE: Proposed Application by Mona Offshore Wind Limited (the Applicant) for an
Order Granting Development Consent for the Mona Offshore Wind Project
(the Proposed Development)**

Dear Ms. Terry,

I refer to our previous correspondence dated 13 May 2024 regarding the transboundary EIA procedure and public consultation required for the above proposed development.

I wish to advise that the public consultation period in Ireland will open from Wednesday 12 June and close for submissions by members of the public on Wednesday 17 July 2024.

For information, recent changes to our domestic legislation on transboundary public consultations now requires submissions by members of the public to be sent directly to the competent authority in the transboundary State. On this basis, the newspaper notice due to be published, advertising the public consultation will include the email address below, which was provided by you in your letter of 30 April 2024:

MonaOffshoreWindProject@planninginspectorate.gov.uk

I would be grateful if you could confirm that the email address above is the correct one for submissions to be made to the Planning Inspectorate UK.

If you have any queries in relation to this letter, please contact Declan Grehan at transboundaryeia@housing.gov.ie or on 00 353 1 888 2561.

Yours sincerely,

Declan Grehan
