Mona Offshore Wind Development ref EN10137
Interested Parties 20048082 and 20048083

We wish to nominate that our property be included within locations for Site Inspections:

Address:

[REDACTED]
[REDACTED]
[REDACTED]
[REDACTED]

Reasons

- Unique position within the proposed onshore development with construction works behind, to the side and in front, including the onshore substation.
- Incorrect assumptions made by the applicant in their reports

Issues to be observed

- Close proximity to onshore developments
- Visual and noise impacts
- Cumulative impacts
