Representing: Cefn Meiriadog Community Council

I am the Member of Cefn Meiriadog Community Council with responsibility for consideration of Infrastructure issues and confirm that on behalf of Cefn Meiriadog Community Council I should like to attend **in person** the Preliminary Meeting scheduled to take place 16 July, and the subsequent follow-up meetings scheduled for the following three days.

On the basis of the documentation published regarding status in relation to the Examination, as well as being a Statutory Party, Cefn Meiriadog Community Council would like to become an Interested Party.

I am attaching a brief document expressing the Community Council's views on how the application should be examined, the main thrust of which concerns the paramount importance to the future of the community of Cefn Meiriadog of the cumulative effects of proposed project being considered in their entirety and in relation to similar existing, ongoing and pending projects.

I should like to represent the Community Council's views by speaking briefly at either one of the Issue Specific Hearings or the Open Floor Hearing, whichever is deemed most appropriate.

I look forward to your confirmation on the above.

Please note I have copied in the Community Council's Chair (Karin Jones) and Clerk (Ffion Douglas) via the council's general email address (clerkcommunitycouncil@outlook.com)
