**EN010137: Application by Mona Offshore Wind Limited for an Order Granting Development Consent for the Mona Offshore Wind Farm**

Name: Lois Williams  
Status: Land owner  
Email: [REDACTED]@btinternet.com  
Business: L.O Williams, Groesffordd Farm  
Unique Ref: See below

I am the owner of [REDACTED], in Cefn Meiriadog, whose business is affected by the Mona Offshore Wind Farm project. Both intrusive and non-intrusive works have been carried out on my land in connection with the Mona project, and I have had on-site meetings with Dalcour Maclaren as Mona's agents. The Title Number of the land in question is CYM456237.

In addition to the work affecting my farmland, I also own a property close to the site where Mona propose to build their substation. The property, [REDACTED], is a Grade 2 listed building adjacent to the property Tyddyn Meredydd, whose owners ([REDACTED]) I note are already registered for the Examination. [REDACTED] and Tyddyn Meredydd are the two properties closest to the proposed substation site and together with nearby Cae Llwyd, are those most affected by it in terms of being visual receptors.

My dealings with Mona and Dalcour Maclaren are handled by my land agent, Jones Peckover, at their Abergele office. Aware of today's deadline for registration, I have today asked Jones Peckover to provide me with my reference number in connection with the Mona consultation, but unfortunately the person handling my business was out of the office and the member of staff he asked to get in touch about it did not get back to me.

Notwithstanding the above, I would like to register to attend the meetings to be held at Venue Cymru from the 16th-19th July. I wish to attend as an observer and would not plan to speak. I would also like to be regarded as an Interested Party given the way my properties are affected.

I look forward to hearing from you.

Lois Oldfield Williams
