Hi Jake,

I have confirmed with Gina but I wanted to respond to you directly to provide a brief update on our position.

We are currently looking to agree protective provisions with the promoter consistent with those incorporated in a recent DCO for another project connecting to Bodelyyddan Substation, so do not anticipate that there should be any reason for NGET to attend. However, we will advise if this position changes for future hearings.

Thank you.  
Kind regards

Tiffany
