The Examining Authority issued its Rule 6 letter on 12 March 2024 providing details of the Preliminary Meeting and information about how the application will be examined, including a Draft Examination Timetable at Annex D.

I write on behalf of the Applicant – Indaver Rivenhall Ltd – to register my request to speak at and participate in the Preliminary Meeting. The Event Participation Form has been completed and submitted, in accordance with the protocol set out in the Rule 6 letter.

The Applicant welcomes the publication of the Draft Examination Timetable and looks forward to discussing the timetable at the Preliminary Meeting on 9th April 2024. I can confirm that the Applicant has no comments to make on the Draft Examination Timetable. However, we reserve the right to participate in any discussion on the Draft Examination Timetable that takes place during the meeting in response to feedback from any Interested Parties, if necessary.

To aid arrangements for the Accompanied Site Inspection, I have enclosed a draft version of the Accompanied Site Inspection Proposed Itinerary.

Please do not hesitate to contact me [REDACTED] if I can help in any way to clarify further any matters associated with this letter.
