FAO: Rivenhall IWME and Energy Centre Case Team.

Thank you for consulting the Ministry of Defence (MOD) on Pre-Application reference EN010138. The Defence Infrastructure Organisation (DIO) Safeguarding Team represents the MOD as a consultee in UK planning and energy consenting systems to ensure that development does not compromise or degrade the operation of defence sites such as aerodromes, explosives storage sites, air weapon ranges, and technical sites or training resources such as the Military Low Flying System.

I can confirm that, following review of the application documents, the proposed development falls outside of MOD safeguarded areas and does not affect other defence interests. The MOD, therefore, has no objection to the development proposed.

I trust this is clear however should you have any questions please do not hesitate to contact me.

Best wishes,

**Vicki James | Estates-Safeguarding Officer**
