### **THE PLANNING ACT 2008 AND THE INFRASTRUCTURE PLANNING (ENVIRONMENTAL IMPACT ASSESSMENT) REGULATIONS 2017**

#### **NOTICE OF A DECISION ON AN APPLICATION FOR AN ORDER GRANTING DEVELOPMENT CONSENT FOR EIA DEVELOPMENT**

The Secretary of State for Energy Security and Net Zero, (“the Secretary of State”) gives notice under regulation 31(2) of the Infrastructure Planning (Environmental Impact Assessment) Regulations 2017 (“the 2017 Regulations”) that a determination has been made on an application made by Indaver Rivenhall Limited (“the Applicant”) for development consent under the Planning Act 2008 (“the 2008 Act”) for development that constitutes “EIA development” as defined in the 2017 Regulations.

The application is to increase the capacity of the energy from waste electricity generating station consented under the Town and Country Planning Act 1990 from 49.9MW to over 50MW by carrying out one of two internal engineering works:

- Work No. 1 – an extension to the existing generating station comprising mechanical modifications to the actuated steam turbine inlet control valves to allow steam capacity to be increased, or
- Work No. 2 – an extension to the existing generating station comprising the installation and commissioning of unrestricted actuated steam turbine inlet control valves.

The Secretary of State has decided, following consideration of the report of the Examining Authority who conducted an examination into the application, that development consent should be granted for the proposed development.

The statement of reasons for deciding to make an Order granting development consent, which has been prepared by the Secretary of State under section 116 of the 2008 Act and regulation 31(2) of the 2017 Regulations, containing the content of the decision, the requirements imposed in connection with the development, the main reasons and considerations on which the decision is based including relevant information about the participation of the public, a description of the main features to avoid, reduce and offset any major adverse effects of the development, is published on the Planning Inspectorate’s website:
