1. Introduction

1.1. General

- 1.1.1. RWE (the Applicant) has submitted an application under section 37 of the Planning Act 2008 (the Act) for an order to grant development consent for Byers Gill Solar (the Proposed Development).
- 1.1.2. This Book of Reference has been prepared to accompany the application for a Development Consent Order (DCO), made by the Applicant to the Secretary of State for the Department for Energy Security and Net Zero (SoS), formally the Department for Business, Energy and Industrial Strategy, via the Planning Inspectorate (PINS).
- 1.1.3. The application is seeking powers to construct a renewable energy scheme, covering an area of approximately 490 hectares (ha), and comprising of solar photovoltaic (PV) panels, on-site Battery Energy Storage Systems (BESS), associated infrastructure as well as underground cable connections between panel areas and to connect to the existing National Grid Substation at Norton. The Proposed Development will have the capacity to generate over 50 Megawatts (MW) of electricity. The Proposed Development is located in the north-east of England, within the administrative boundaries of Darlington Borough Council, Stockton-on-Tees Borough Council and Durham County Council.
- 1.1.4. This Book of Reference lists the plots of land over which the Applicant is seeking powers of compulsory acquisition and powers of temporary possession in the DCO for the purposes of the Proposed Development. For each plot it identifies whether the Applicant is seeking the power to acquire that plot outright, the power to create and/or acquire permanent rights, the power to create and/or acquire temporary rights of possession and use, or where no acquisition of compulsory or temporary rights is proposed. In the vast majority of cases, the Applicant is not seeking the acquisition of any compulsory or temporary rights, as the Applicant has already acquired all necessary interests in the land necessary to deliver the Proposed Development.
- 1.1.5. This Book of Reference also lists the persons with land outside the Order Limits who may be entitled to make a relevant claim for compensation due to the effects of construction or when the Proposed Development is in use.
- 1.1.6. This Book of Reference has been prepared and submitted in compliance with Regulation 5(2)(d) and Regulation 7 of the Infrastructure Planning (Applications: Prescribed Forms and Procedure) Regulations 2009 (the 2009 Regulations), and in accordance with the Department for Communities and Local Government guidance 'Planning Act 2008: Guidance related to procedures for compulsory acquisition' (September 2013).

- 1.1.7. As this Book of Reference is part of the application documents it should be read in conjunction with the Land Plans (Document Reference 2.4), the Statement of Reasons (Document Reference 4.1) and the draft DCO (Document Reference 3.1).
- 1.1.8. This Book of Reference is divided into five parts as prescribed by Regulation 7(1) of the 2009 Regulations. Each of the five Parts are summarised in the next chapter, together with a brief commentary on how the requirements in the Regulations have been interpreted and applied to the collation of each Part of the Book of Reference.

2. Book of Reference Description

2.1. Part 1 description

2.1.1. Part 1 of the Book of Reference is described in Regulation 7(1)(a) of the 2009 Regulations, this states:

“Part 1 contains the names and addresses for service of each person within Categories 1 and 2 as set out in section 57 (categories for purposes of sections 56(2)(d)) in respect of any land which it is proposed shall be subject to –

- i. powers of compulsory acquisition;*
- ii. rights to use land, including the right to attach brackets or other equipment to buildings; or*
- iii. rights to carry out protective works to buildings;”*

2.1.2. Part 1 of this Book of Reference contains the names and addresses of each person within Categories 1 and 2, as set out in Section 57 of the Act, along with the area of each plot of land in which the Proposed Development will be carried out.

2.1.3. A person is within Category 1 if the Applicant after making diligent inquiry, knows that they are an owner, lessee, tenant (whatever the tenancy period), or occupier of the land. A person is within Category 2 if the Applicant, after making diligent inquiry, knows that they are interested in the land or have the power to sell and convey or release the land.

2.1.4. Part 1 contains plots of unregistered land that are often occupied by a number of parties including local and national (i.e. National Highways) highway authorities. In these cases, the Applicant has undertaken efforts to determine the proprietor but no persons have been identified. In the absence of ownership information, the Applicant has applied the ‘half-width’ presumption to the adjacent landowners as adopted by the Land Registry in its ‘HM Land Registry plans: boundaries (practice guide 40, supplement 3)’. This states “...that the owner of land abutting on a road is also the owner of the adjoining section of the road up to the middle line (*ad medium filum*).”

2.2. Part 2 description

2.2.1. Part 2 of the Book of Reference is described in Regulation 7(1)(b) of the 2009 Regulations, which states:

“Part 2 contains the names and addresses for service of each person within Category 3 as set out in section 57;”

2.2.2. Part 2 of this Book of Reference contains the names and addresses (if known by the Applicant) of each person within Category 3, as defined by Section 57 of the 2008 Act.

A person is within Category 3 if the Applicant thinks that, if the DCO were to be made and fully implemented, they would or might be entitled to make a relevant claim as defined in section 57(6) of the 2008 Act. These include persons whose land is not directly affected under the DCO (i.e. their interest is outside the Order Limits) but who the Applicant believes would or might be entitled to make a relevant claim; and the persons identified in para 2.2.3 below. A relevant claim is a claim under section 10 of the Compulsory Acquisition Act 1965, a claim under part 1 of the Land Compensation Act 1973, or a claim under section 152(3) of the Act.

2.2.3. It is considered that Category 3 also includes:

- a. Certain Category 1 ‘Owners’ (where they are a category 2 interest elsewhere in the Order Limits),
- b. All Category 1 ‘Lessees and Tenants’,
- c. Any Category 2 interests for land within the Order Limits.

and, therefore those interests listed in Part 1 have not been repeated in Part 2.

2.3. Part 3 description

2.3.1. Part 3 of the Book of Reference is described in Regulation 7(1)(c) of the 2009 Regulations, which states:

“Part 3 contains the names of all those entitled to enjoy easements or other private rights over land (including private rights of navigation over water) which it is proposed shall be extinguished, suspended or interfered with;”

2.3.2. Part 3 of this Book of Reference contains the names of all those with easements or other private rights over land which it is proposed shall be extinguished, suspended or interfered with as a result of the Proposed Development.

2.4. Part 4 description

2.4.1. Part 4 of the Book of Reference is described in Regulation 7(1)(d) of the 2009 Regulations, which states:

“Part 4 specifies the owner of any Crown interest in the land which is proposed to be used for the purposes of the order for which application is being made;”

2.4.2. Part of this Book of Reference is blank as no plots have been identified which constitute “crown land” for the purposes of section 227 of the Act that will be affected by the Proposed Development and the rights contained in the Order land.

2.5. Part 5 description

2.5.1. Part 5 of the Book of Reference is described in Regulation 7(1)(e) of the 2009 Regulations, which states:

“Part 5 specifies land—

- i. the acquisition of which is subject to special parliamentary procedure;*
- ii. which is special category land;*
- iii. which is replacement land;*

and for each plot of such land within which it is intended that all or part of the Proposed Development and works shall be carried out, the area in square metres of that plot.”

2.5.2. Part 5 of this Book of Reference is blank as no plots have been identified which constitute “special category land” or “replacement land” or are subject to “special parliamentary procedure” for the purposes of section 132 of the Act that will be affected by the Proposed Development and the rights contained in the Order land.

3. Acquisition of Rights and Imposition of Restrictions

3.1.1. Schedule 8 of the DCO sets out the purpose for which the compulsory acquisition powers for the creation of new rights and imposition of restrictions are being sought, which is also set out below in Table 3-1.

4. Temporary Use of Land

- 4.1.1. Article 29 of the DCO authorises the temporary possession of land identified on the Land Plans (Document Reference 2.4) which includes those parcels listed in Table 3-1 above. In addition, it authorises the temporary possession of the land referred to in Schedule 10, which is also set out below in Table 4-1.

5. Book of Reference Notes

5.1. Notes

- 5.1.1. Part 1 of this Book of Reference provides the area in square metres of all land include in the Order Limits. For ease of reference the areas have been repeated in Parts 2 to 5 of this Book of Reference
- 5.1.2. All plot area measurements are given in square metres and each measurement is rounded to the nearest whole square metre.
- 5.1.3. Each plot of land shown in this Book of Reference has been given a unique reference. The first number relates to the Land Plans sheet on which the plot is located. The second number differentiates between each plot sequentially on the sheet.
- 5.1.4. The extent of acquisition or use of each plot of land includes reference to the principal land use power(s) sought in the draft DCO in respect of that plot, except for plots in which land is not subject to powers of compulsory acquisition or temporary possession, in which only a description of that land is given. The table below is provided to explain the relationship between the Book of Reference, the Land Plans and the draft DCO and to clarify the powers sought in relation to compulsory acquisition and temporary possession.

Table 5-1 Relationship between the Land Plans and DCO

Colour of the plot on Land Plans	Description of the plot in the Book of Reference	Principal Land use Power Sought	Relevant DCO Article
Blue	Permanent acquisition of new rights	New rights (including restrictions) to be compulsorily acquired and temporary use of land and in relation to which it is proposed to suspend or extinguish easements, servitudes and other private rights.	Article 23
Green	Temporary Possession	Temporary use of land and in relation to which it is proposed to temporarily suspend easements, servitudes and other private rights.	Article 29
No Shading (White)	<i>Blank (i.e. no extent of acquisition given before area and description of land)</i>	Land in which the Applicant does not require any powers.	N/A

5.2. How to use this Book of Reference

- 5.2.1. The table below provides a step-by-step guide to enable any party with an interest in the land to identify how the Applicant's proposals may affect the land in which they have an interest.

Table 3-2 How to use this Book of Reference

Step One
Look at the Land Plans (Document Reference 2.4) and find the area (plot(s)) of land in which you have an interest.
Step Two
Note the colour and the number of the plot(s).
Using Table 3-1 above, the colour of the plot(s) will tell you the purpose for which it is required.
Step Three
Use the plot(s) number to identify where the land is referred to in other DCO Application documents:
This Book of Reference – Which provides a description of each plot (including an approximate area measurement) and details of persons who own, lease or otherwise occupy or have any other interest in the land.
The Statement of Reasons (Document Reference 4.1) Where a plot is subject to compulsory acquisition powers (shaded blue) or temporary possession powers (shaded green), refer to Appendix A to this document, which provides details of the purpose for which compulsory acquisition powers are sought and references each plot in the Book of Reference subject to compulsory acquisition powers.
The draft Development Consent Order (DCO) (Document Reference 3.1) Where a plot is subject to compulsory acquisition powers (shaded blue), which contains the powers needed to carry out a scheme, and includes the powers of compulsory acquisition to assemble the land required that are listed in Table 5-1.
