Table of Tables

- Table 1-1 Schedule of Negotiations **2**

1. Introduction

1.1. Purpose of this document

- 1.1.1. The purpose of this document is to set out the current status of negotiations between RWE (the Applicant) and each landowner with land interests affected by the powers of compulsory acquisition sought by the Applicant to deliver Byers Gill Solar (the Proposed Development).
- 1.1.2. This document updates the position reported in Appendix B of the Statement of Reasons [APP-014] submitted with the Development Consent Order (DCO) application.
- 1.1.3. In respect of each relevant landowner, Table A-1 of this document summarises:
- the landowner's interest in the relevant land plots identified in the Book of Reference,
 - the type of rights sought to be acquired compulsorily by the Applicant,
 - the current status of negotiations between the parties for the Applicant to secure the necessary rights through voluntary agreement, and
 - the status of any objection or other representation submitted by each landowner to the Examination.
- 1.1.4. This document will be further updated at each requested deadline of the Examination. Changes to the document since Deadline 3 are shown in tracked changes to aid the reader.

2. Schedule of Negotiations

Table 1-1 Schedule of Negotiations

Unique Ref Number	Name	Examination Library reference numbers	Interest	Type of Rights relating to specified plot(s)		CA Proposed (Y/N)	Update on agreement, negotiations and objection, including indicative timescales
				Plot Ref. (Sheet/Plot)	Type of rights		
1	Andrew Parsons and Josephine Parsons	-	Part 1 (Category 1)	9/3, 9/4, 9/5, 9/6	Land to be used temporarily and new rights to be acquired permanently	Y	<p><u>Status of Negotiation:</u></p> <p>The Option for the cable Easement has been signed by the landowner and RWE is awaiting completion. A letter was issued on 26th September 2024 to outline the proposed minor changes to the DCO application and seeking consent to the inclusion of additional compulsory acquisition powers over the landowners' subsoil interest in a highway forming part of the on-road cable route option.</p> <p><u>Status of Objection:</u></p> <p>No objection or other representation has been submitted to the Examination.</p>
2	David Richard Hewitson and Richard William Hewitson	-	Part 1 (Category 1)	2/2, 2/4, 2/6, 5/2, 5/3, 6/1, 6/2, 6/4	Land to be used temporarily and new rights to be acquired permanently	Y	<p><u>Status of Negotiation:</u></p> <p>An Option Agreement in respect of Panel Area B which includes rights over plots 2/4, 5/2, 5/3, 6/1, 6/2 and 6/4 to carry out cable works was entered into in July 2022. A letter was issued on 26th September 2024 to outline the proposed minor changes to the DCO application and seeking consent to the inclusion of additional compulsory acquisition powers over the landowners' subsoil interest in a highway forming part of the on-road cable route option.</p>
