1 INTRODUCTION

1.1 Purpose of this document

- 1.1.1 This Book of Reference relates to an application made by Enso Green Holdings D Ltd (the “Applicant”) to the Planning Inspectorate under the Planning Act 2008 (the “2008 Act”) for a Development Consent Order (“DCO”). If made, the DCO would grant consent for the Applicant to undertake the Helios Renewable Energy Project (the “Scheme”).
- 1.1.2 This Book of Reference lists the plots of land over which the Applicant is seeking powers of compulsory acquisition and powers of temporary possession in the DCO for the purposes of the Scheme. For all plots within this Book of Reference, the Applicant is seeking to acquire the power to create and/or acquire permanent rights, and temporary rights of possession and use. It also lists the persons with land outside the DCO boundary who may be entitled to make a relevant claim for compensation due to the effects of construction of the Scheme
- 1.1.3 This Book of Reference has been prepared and submitted in compliance with Regulation 5(2)(d) and Regulation 7 of the Infrastructure Planning (Applications: Prescribed Forms and Procedure) Regulations 2009 (the "2009 Regulations"), as amended, and in accordance with the Department for Communities and Local Government guidance 'Planning Act 2008: Guidance related to procedures for compulsory acquisition' (September 2013).
- 1.1.4 As this Book of Reference is part of the application documents it should be read in conjunction with the Lands Plans (Application document 2.2), the Statement of Reasons (Application document 4.1) and the draft DCO (Application document 3.1).
- 1.1.5 This Book of Reference is divided into five parts as prescribed by Regulation 7(1) of the 2009 Regulations. Each of the five Parts are summarised in the next chapter, together with a brief commentary on how the requirements in the Regulations have been interpreted and applied to the collation of each Part of the Book of Reference.

2 BOOK OF REFERENCE DESCRIPTION

2.1 PART 1 DESCRIPTION

2.1.1 Part 1 of the Book of Reference is described in Regulation 7(1)(a) of the 2009 Regulations, this states;

Part 1 contains the names and addresses for service of each person within Categories 1 and 2 as set out in section 57 (categories for purposes of section 56(2)(d)) in respect of any land which it is proposed shall be subject to –

- I. powers of compulsory acquisition;*
- II. rights to use land, including the right to attach brackets or other equipment to buildings; or*
- III. rights to carry out protective works to buildings*

2.1.2 Part 1 of the Book of Reference contains the names and addresses of each person within Categories 1 and 2, as set out in Section 57 of the 2008 Act, along with the area of each plot of land in which the development will be carried out.

2.1.3 A person is within Category 1 if the Applicant after making diligent inquiry, knows that they are an owner, lessee, tenant, or occupier of the land. A person is within Category 2 if they are interested in the land or have the power to sell and convey or release the land.

2.1.4 The Applicant has taken the cautious approach of seeking powers of compulsory acquisition of rights in respect of all plots of land required for the Scheme even where it already holds an interest or presumes it holds an interest in the land. This approach has been taken to ensure that it has the right to acquire the interests it needs in the whole of the DCO land even where an unidentified owner later asserts an interest in land which the Applicant believes it has acquired a voluntary interest.

2.2 PART 2 DESCRIPTION

2.2.1 Part 2 of the Book of Reference contains the names and addresses (if known by the Applicant) of each person within Category 3, as defined by Section 57 of the 2008 Act.

2.2.2 A person is within Category 3 if the Applicant believes that, if the DCO were to be made and fully implemented, they would or might be entitled: -

2.2.2.1 as a result of the implementing of the DCO;

2.2.2.2 as a result of the DCO having been implemented; or

2.2.2.3 as a result of the use of the land once the DCO has been implemented, to make a relevant claim as defined in Section 57(6) of the 2008 Act.

2.2.3 A relevant claim is defined as:

2.2.3.1 a claim under Section 10 of the Compulsory Acquisition Act 1965,

2.2.3.2 a claim under Part 1 of the Land Compensation Act 1973, or

2.2.3.3 a claim under Section 152(3) of the 2008 Act.

2.2.4 The Applicant has divided Part 2 into two sections;

2.2.4.1 Part 2a covers qualifying persons under Section 10 of the Compulsory Purchase Act 1965 (compensation where satisfaction not made for the taking, or injurious affection, of land subject to compulsory purchase) and Section 152(3) of the Planning Act 2008 (compensation to any person whose land is injuriously affected by the carrying out of authorised works).

2.2.4.2 Part 2b covers qualifying persons under Part 1 of the Land Compensation Act 1973 (claims which may be brought for depreciation of land value by physical factors caused by use of public works)

2.2.5 It is considered that Category 3 also includes:

2.2.5.1 Certain Category 1 'Owners';

2.2.5.2 All Category 1 'Lessees and Tenants'; and

2.2.5.3 Any Category 2 interests for land within the DCO boundary.

2.3 PART 3 DESCRIPTION

2.3.1 Part 3 of the Book of Reference is described in Regulation 7(1)(c) of the 2009 Regulations, this states;

Part 3 contains the names of all those entitled to enjoy easements or other private rights over land (including private rights of navigation over water) which it is proposed shall be extinguished, suspended or interfered with

2.3.2 Part 3 of the Book of Reference contains the names of all those with easements or other private rights over land which it is proposed shall be extinguished, suspended or interfered with as part of the DCO.

2.4 PART 4 DESCRIPTION

2.4.1 Part 4 of the Book of Reference is described in Regulation 7(1)(d) of the 2009 Regulations, this states;

Part 4 specifies the owner of any Crown interest in the land which is proposed to be used for the purposes of the order for which application is being made

2.4.2 For the avoidance of doubt, there is no Crown Land identified within this scheme.

2.5 PART 5 DESCRIPTION

2.5.1 Part 5 of the Book of Reference is described in Regulation 7(1)(e) of the 2009 Regulations, this states;

Part 5 specifies land –

- i. the acquisition of which is subject to special parliamentary procedure;*
- ii. which is special category land*
- iii. which is replacement land*

2.5.2 Part 5 of the Book of Reference specifies land that as part of the DCO is acquired subject to special parliamentary procedure, is special category land or is replacement land. Again, no special category land has been identified, and no replacement land is required for this scheme.

Page intentionally left blank.
