Consultation Report – Appendix 11.22**

Appendix 11.21 - SoCC Commitments table

Commitment	Completed/Not Completed (Y/N)	Evidence / Reference to relevant section of Main Consultation Report
1.1.2. This document has previously been issued to the relevant local councils: Selby District Council and North Yorkshire County Council ('the host local authorities') in draft, to obtain their informal feedback ahead of the statutory 28-day SoCC consultation taking place.	Y	Chapter 11.5 of the Consultation Report (Document 5.2)
1.1.5. The SoCC has been advertised in the Yorkshire Post, Pontefract and Castleford Express and the Selby Times and is available on the project website.	Y	Chapter 11.6.1 of the Consultation Report (Document 5.2). Appendices 11.4 and 11.5.
1.1.6. As well as local community consultation, as part of the statutory consultation we are also consulting prescribed consultees under section 42 of the PA2008.	Y	Chapter 10 of the Consultation Report (Document 5.2)
5.2.2. The consultation approach has been developed in line with these core principles to ensure that local communities, interested parties and stakeholders have ample opportunity to find out about, and provide their thoughts on, the proposals in a way that allows for their comments to help shape the Proposed Development.	Y	Chapter 11.6 of the Consultation Report (Document 5.2).
5.2.3. We are committed to actively and consistently keeping those with an interest in the Proposed Development informed through regular updates about the process.	Y	Correspondence has been acknowledged and all those who have an expressed an interest will be notified upon acceptance.
6.3.2. Any changes made will be discussed with the host local authority, and all changes will be communicated clearly on the project website and to local parish councils.	Y	Not required.

Consultation Report – Appendix 11.22**

<p>7.1.5. In addition to local individuals, we will continue to consult with the relevant parish councils around the site and seek to enhance engagement with local authority ward members, community groups and organisations representing the local business communities to increase awareness of the consultation process and enable participation.</p>	<p>Y</p>	<p>Stat Con Launch</p>
<p>7.2.2. Those living outside the CCZ may wish to participate in the consultation. To ensure that these individuals and organisations are given the opportunity to participate, we will raise awareness of the consultation in the following ways:</p> <ul style="list-style-type: none"> • Directly notify those people and organisations who have registered an interest in the Proposed Development through direct engagement or participation in informal consultation phase. • Publish a Section 48 notice (a notice publicising the proposed application and consultation process) in the local and national press and London Gazette. • Publicise the consultation by advertising in local media. • Publish consultation materials on the project website. 	<p>Y</p>	<p>Chapters 11 and 14.4 of the Consultation Report (Document 5.2).</p>
<p>8.1.4. We will continue to provide the local community with updates and information throughout the application process and would welcome comments from the local community throughout the pre-application period via the communication methods described in this SoCC.</p>	<p>Y</p>	<p>All methods for engagement described in the SoCC are explained in Chapter 11 of the Consultation Report (Document 5.2).</p>
<p>8.1.5. Following the statutory consultation period, we may carry out additional targeted consultation with stakeholders, members of the local community or other consultees as feedback is received and the Proposed Development is refined. Wider consultation could be carried out if considered appropriate. Any additional consultation will be carried out on a proportionate basis in line with the principles set out in this SoCC and communicated to the host local authorities in advance.</p>	<p>Y</p>	<p>This was not required.</p>

**Helios Renewable Energy Project
Consultation Report – Appendix 11.22**

<p>8.2.1. We will seek to undertake informal consultation, including with groups and organisations that represent Equality, Diversity and Inclusion ('EDI') groups in the vicinity of the Proposed Development.</p>	<p>Y</p>	<p>See Chapter 11 of the Consultation Report (Document 5.2)</p>
<p>8.2.4. Ensuring that materials and consultation techniques are accessible to all demographic groups, including those that may not usually engage in consultation activity, as well as people with disabilities who may have problems accessing the consultation information is a central consideration.</p>	<p>Y</p>	<p>See Chapter 11 of the Consultation Report (Document 5.2)</p>
<p>8.2.6. Updates will also be shared on social media accounts to help raise the profile of the consultation. A dedicated project X (formerly Twitter) social media account will be utilised to share information about the consultation and proposals. Where possible, local groups (such as EDI organisations and the parish councils) will be encouraged to share information about the consultation on their own social media feeds to help disseminate information.</p>	<p>Y</p>	<p>See Chapter 11 of the Consultation Report (Document 5.2). The Project X account has been active throughout the process.</p>
<p>8.6.1. In addition to the methods of informing and engaging with local communities set out in Chapter 3, we will also undertake face to face consultation events at the following venues. The dates and exact timings of these events will be confirmed in writing to consultees and interested parties on the consultation materials, newsletters and online.</p>	<p>Y</p>	<p>See Chapter 11 of the Consultation Report (Document 5.2). Consultation events were held at the locations identified in the SOCC (Camblesforth Hall and Carlton Village Hall) and were advertised in writing via newsletter, letter, the project website and other engagement as set out in Chapter 11 of the Consultation Report.</p>
<p>8.7.2. From the beginning of the statutory consultation period, feedback forms will be available on the project website (noted above), at all public consultation events and can also be provided directly upon request.</p>	<p>Y</p>	<p>Feedback forms were available online, upon request, and at all consultation events throughout the statutory consultation period. See Chapter 11 of the Consultation Report (Document 5.2)</p>

Consultation Report – Appendix 11.22**

		for further details about the Feedback Form.
9.1.2. In the Consultation Report we will also make it clear where we have / have not altered our proposals to reflect comments received and explaining our reasoning. The Consultation Report will be submitted to the Secretary of State as part of the DCO application.	Y	See Chapters 14 and 17 of the Consultation Report for details of issues raised and the regard had by the Applicant. This is supported by further detail in Appendices 13.1 and 14.1.
9.2.1. If, as a result of feedback, our proposals for the Proposed Development change to the extent that it is necessary to carry out further targeted consultation, this will be undertaken in accordance with the principles and methods set out in the SoCC.	Y	Some additional Targeted Consultation with additional identified land interests was carried out (Set out in Chapter 15 of the Consultation Report). This was very specific outreach to a few identified stakeholders to inform them of the previous statutory consultation.
