Dear Sir / Madam,

REF: Helios Renewable Energy Project EN010140

PLANNING ACT 2008 (AS AMENDED) – DEADLINE 1 SUBMISSION BY THE APPLICANT

On 11 December 2024, the Examining Authority (“ExA”) issued a letter under Section 89 of the Planning Act 2008 and Rules 8 and 9 of the Infrastructure Planning (Examination Procedure) Rules 2010 (“the Rule 8 letter”) which confirmed the Examination timetable and procedure relating to the Helios Renewable Energy Project Development Consent Order (DCO) application. The Rule 8 letter set out the submissions required by the ExA to be provided for each Deadline of the Examination and this letter provides the Applicants submissions accordingly in relation to Deadline 1.

The Applicant’s submissions to the Examination for Deadline 1 comprise:

- Written Summary of Applicant’s Oral Submissions at the Preliminary Meeting and Open Floor Hearing 1;
- Written Summary of Applicant’s Oral Submissions at the Issue Specific Hearing 1 (and Appendices A-D);
- Written Summary of Applicant’s Oral Submissions at the Compulsory Acquisition Hearing 1;
- The Applicant’s Responses to Relevant Representations (and Appendix A);
- The Applicant’s suggested locations for site inspections; and
- The Applicant’s Hearing Action Points Update.

To aid the ExA, the Applicant has included in its submission a document updating the ExA on the progress of the Applicant’s Hearing Action Points as issued on 9 December 2024 for the Issue Specific Hearing 1 [EV3-002] and the Compulsory Acquisition Hearing 1 [EV4-002]. The Applicant will update this document to provide an update on each outstanding action at each deadline and will include Action Points for the Applicant arising from any other hearings as they occur. The Action Points listed relate only to those assigned to the Applicant and do not update on those solely for third parties.

Yours sincerely,

Principal Planner and Helios Renewable Energy Project Lead
