

Planning Act 2008

**The Infrastructure Planning (Environmental Impact Assessment) Regulations
2017**

Certificate of compliance with regulation 16

I hereby certify that, in compliance with the requirements under regulation 17 of the Infrastructure Planning (Environmental Impact Assessment) Regulations 2017 –

(a) notice of the application was given to the persons identified under regulation 11;
and

(b) a copy of the accepted application, including the environmental statements and a map was given to the consultation bodies in accordance with regulation 16.

– In relation to the application for an order to grant development consent for the Tillbridge Solar Project (“the Scheme”), which comprises the construction, operation (including maintenance) and decommissioning of ground mounted solar photovoltaic panel arrays to generate electricity, a Battery Energy Storage System and infrastructure to export and import electricity to the national electricity transmission network at the location of a Principal Site located approximately five kilometres (km) to the east of Gainsborough and approximately 13 km to the north of Lincoln, and a Cable Route Corridor extending from the Principal Site to National Grid Cottam Substation. The Scheme is partly located in the administrative boundary of West Lindsey District Council and Lincolnshire County Council and partly located in the administrative boundary of Bassetlaw District Council and Nottinghamshire County Council.

(Completed certificate to be received by the Secretary of State no later than 10 working days after the deadline stating the applicant has fulfilled all the requirements at (a) and (b))
