1. Introduction

- 1.1.1 This Book of Reference relates to an application made by Tillbridge Solar Limited (company number 12887594) (the “Applicant”) to the Secretary of State for Energy Security and Net Zero (the “Secretary of State”) via the Planning Inspectorate under section 37 of the Planning Act 2008 (the “2008 Act”) for the Tillbridge Solar Development Consent Order (“DCO”). If made, the DCO would grant consent for the Applicant to undertake the Tillbridge Solar Project (the “Scheme”).
- 1.1.2 This Book of Reference lists the plots of land over which the Applicant is seeking powers of compulsory acquisition and powers of temporary possession in the DCO for the purposes of the Scheme. For each plot it identifies whether the Applicant is seeking the power to acquire the freehold interest, the power to permanently suspend or extinguish easements, servitudes and other private rights, permanently create and/or acquire new rights (including restrictions), or the power to create and/or acquire temporary rights of possession and use.
- 1.1.3 This Book of Reference has been prepared and submitted in compliance with Regulation 5(2)(d) of the Infrastructure Planning (Applications: Prescribed Forms and Procedure) Regulations 2009 (the "2009 Regulations"), as amended, and in accordance with the Department for Communities and Local Government guidance 'Planning Act 2008: Guidance related to procedures for compulsory acquisition' (September 2013). It has also been prepared in accordance with regulation 7 of the 2009 Regulations.
- 1.1.4 As this Book of Reference is part of the Application documentation it should be read in conjunction with the **Land and Crown Land Plans [EN010142/APP/2.2]**, the **Statement of Reasons [EN010142/APP/4.1]** and the **draft DCO [EN010142/APP/3.1]**.
- 1.1.5 This Book of Reference is divided into five parts as prescribed by Regulation 7(1) of the 2009 Regulations. Each of the five Parts is described in the next chapter, together with a brief commentary on how the requirements in the Regulations and the related definitions in the 2008 Act have been interpreted and applied to the collation of each Part of the Book of Reference.
- 1.1.6 All plot area measurements in this Book of Reference are approximate, as these measurements are given in square metres, and each measurement is rounded up to the nearest whole square metre.
- 1.1.7 A description of the Scheme can be found in Schedule 1 of the **draft DCO [EN010142/APP/3.1]** and in **Chapter 3: Scheme Description** of the Environmental Statement (ES) **[EN010142/APP/6.1]**.

2. Book of Reference description

2.1.1 Part 1 of the Book of Reference is described in Regulation 7(1)(a) of the 2009 Regulations, as follows:

“Part 1 contains the names and addresses for service of each person within Categories 1 and 2 as set out in section 57 (categories for purposes of section 56(2)(d)) in respect of any land which it is proposed shall be subject to –

- i. powers of compulsory acquisition;
- ii. rights to use land, including the right to attach brackets or other equipment to buildings; or
- iii. rights to carry out protective works to buildings”

2.1.2 Part 1 of this Book of Reference contains the names and addresses of each person within Categories 1 and 2, as set out in Section 57 of the 2008 Act, along with the area of each plot of land in which the development will be carried out.

2.1.3 A person is within Category 1, if the applicant after making diligent inquiry, knows that they are an owner, lessee, tenant, or occupier of the land. A person is within Category 2 if they are interested in the land or have the power to sell and convey or release the land.

2.1.4 The description of each plot also includes the reference to the principal land use power(s) sought in the **draft DCO [EN010142/APP/3.1]** in respect of that particular plot:

- a. In respect of plots shaded pink on the **Land and Crown Land Plans [EN010142/APP/2.2]**, where the Applicant proposes to acquire the land (on an outright and permanent basis), the plot description includes this wording: "All interests and rights in..."
- b. In respect of plots shaded blue on the **Land and Crown Land Plans [EN010142/APP/2.2]**, where the Applicant proposes to create and acquire new rights over land and or extinguish or suspend private rights in the land (see Article 23 of the DCO) (including the right to impose restrictive covenants to protect the new tunnel), the plot description includes this wording: "Acquisition of rights over...";
- c. In respect of plots shaded green on the **Land and Crown Land Plans [EN010142/APP/2.2]**, where the Applicant proposes to possess and use land temporarily, the plot description includes this wording: "Temporary possession and use of..."

2.1.5 The categories of wording described above cross-refer to Articles in the **draft DCO [EN010142/APP/3.1]** as follows:

- a. “All interests and rights in...” – the compulsory acquisition of land pursuant to Article 21 of the **draft DCO [EN010142/APP/3.1]**.
- b. “Acquisition of rights over...” – the creation and compulsory acquisition of new rights over land pursuant to Article 23 of the **draft DCO [EN010142/APP/3.1]**.
- c. “Temporary possession and use of...” – the temporary possession and use of land for the purposes of constructing the authorised development pursuant to Article 30, and for the purposes of maintaining the authorised development pursuant to Article 31 of the **draft DCO [EN010142/APP/3.1]**.

2.1.6 The information above is summarised in the following **Table 1**.

Table 1: Relationship Between the Land Plans and DCO

Colour of plot on Land Plans	Wording used in BoR plot description	Land use power sought	Article Numbers
Pink	“All interests and rights in...”	Compulsory acquisition of all interests and rights in land (including, as required, subsoil, surface land or airspace)	Article 21
Blue	“Acquisition of rights over...”	Creation and compulsory acquisition of new rights (including, where necessary, a right to impose restrictive covenants to protect the cable corridor	Article 23
Green	“Temporary possession and use of ...”	Temporary possession and use of land	Articles 30 and 31

Part 2

- 2.1.7 Part 2 of the Book of Reference is described In Regulation 7(1)(b) of the 2009 Regulations as follows;

“Part 2 contains the names and addresses for service of each person within Category 3 as set out in section 57”

- 2.1.8 Part 2 of this Book of Reference contains the names and addresses (if known by the Applicant) of each person within Category 3, as defined by Section 57 of the 2008 Act. A person is within Category 3 if the Applicant believes that, if the DCO were to be made and fully implemented, they would or might be entitled to make a relevant claim as defined in section 57(6) of the 2008 Act. A relevant claim is a claim under section 10 of the Compulsory Purchase Act 1965, a claim under Part 1 of the Land Compensation Act 1973, or a claim under section 152(3) of the 2008 Act.
- 2.1.9 After carrying out diligent inquiries and having carefully assessed the likely significant environmental effects of the proposed Scheme, the Applicant does not consider that any person would be entitled to make a claim under part 1 of the Land Compensation 1973 or under section 152(1) of the PA 2008 in relation to the following factors:
- 2.1.10 It is considered that Category 3 includes Category 1 owners where land is not being acquired and all Category 1 lessees and tenants. Category 3 contains persons with interests in land within the Order limits. Category 3 also contains persons with interests in land outside the Order limits who, it is considered, might be able to make a relevant claim (as defined above).

Part 3

- 2.1.11 Part 3 of the Book of Reference is described in Regulation 7(1)(c) of the 2009 Regulations as follows:

“Part 3 contains the names of all those entitled to enjoy easements or other private rights over land (including private rights of navigation over water) which it is proposed shall be extinguished, suspended or interfered with”.

- 2.1.12 Part 3 of this Book of Reference contains the names of all those with easements or other private rights over land which it is proposed shall be extinguished, suspended or interfered with pursuant to the exercise of powers in the DCO.
- 2.1.13 Certain relevant **category 2 persons included within Part 1 of the Book of Reference** have also been included within Part 3 where their rights may be considered to be affected. Examples include tenants of the land, or statutory undertakers with services in or under the land, and whose rights over the land are likely to be affected whether the land is required permanently or temporarily.

Part 4

2.1.14 Part 4 of the Book of Reference is described in Regulation 7(1)(d) of the 2009 Regulations, this states:

“Part 4 specifies the owner of any Crown interest in the land which is proposed to be used for the purposes of the order for which application is being made”.

2.1.15 “Crown land” is defined in section 227 of the 2008 Act and includes interests belonging to Government departments among other Crown interests.

2.1.16 The Order limits include Crown Land held by The King’s Most Excellent Majesty In Right Of His Crown.

Part 5

2.1.17 Part 5 of the Book of Reference is described in Regulation 7(1)(e) of the 2009 Regulations, this states;

“Part 5 specifies land –

- i. the acquisition of which is subject to special parliamentary procedure;*
- ii. which is special category land;*
- iii. which is replacement land”*

2.1.18 Part 5 of this Book of Reference specifies land that the acquisition of which may be subject to special parliamentary procedure, is special category land or is replacement land.

2.1.19 No special category land has been identified that would be affected by the Scheme.

3. Book of Reference Notes

- 3.1.1 Part 1 of this Book of Reference provides the area in square metres of each plot of land included in the DCO. All plot measurements should be read as being approximated. This is because these measurements are given in square metres and each measurement is rounded up to the nearest whole square metre.
- 3.1.2 Each plot of land shown in this been given a unique reference. The first number relates Book of Reference has to the Land Plans sheet on which the plot is located. The second number differentiates between each plot sequentially. The numbers given to each plot are generally assigned from west to east across each sheet.
- 3.1.3 The description of each plot of land includes reference to the principal land use power(s) sought in the draft DCO in respect of that plot.
- 3.1.4 The Applicant is also seeking the power to temporarily possess all the land within the Order land (Article 29) of the **draft DCO [EN010142/APP/3.1]**. The Applicant has also included powers in the Order to ensure that easements and other private rights identified as affecting the Order land are extinguished or suspended, so as to facilitate the construction and operation of the Scheme without hindrance. Furthermore, there may be unknown rights, restrictions, easements or servitudes affecting that land which also need to be extinguished in order to facilitate the construction and operation of the Scheme. With respect to land shaded green, in respect of which temporary possession only is sought, Article 23 of the **draft DCO [EN010142/APP/3.1]** makes clear that any private rights or restrictive covenants are only suspended for the period in which the Applicant is in lawful possession of the land (i.e. they would only be suspended temporarily).
