

In response ExQ1.6.5 I can confirm that the Protective Provisions included in the draft DCO under Schedule 15 for the benefit of Anglian Water are now agreed between the parties. There are other aspects of Anglian Water's position on the Scheme that remain unresolved, and these are the subject of ongoing discussions between the parties as reflected in the submitted Anglian Water SoCG (document reference Document Reference: EN010142/APP/9.15). It is the intention to provide the ExA with an update on these elements, by way of an updated SoCG, at Deadline 4.
