I'm writing to update you about our proposal to develop a solar farm in East Yorkshire.

Our statutory consultation for this project will run between 9 May and 20 June 2023. As a parish in the local area, we value your views and would like to invite a representative of Eastrington Parish Council to a briefing ahead of the statutory consultation's start date. We would like to take this opportunity to update you on the changes that we have made to the proposal. These changes are based on the results of our surveys and the feedback we received from you during the non-statutory consultation. We will give a short presentation and then we will have plenty of time to answer any questions or queries you may have.

Please can you advise your availability to attend on either of the dates below. We will send a meeting invite in advance of the meeting.

- Tuesday 25 April 5pm-6pm
- Wednesday 26 April 6pm-7pm

We will post a brochure and feedback form to local residents and businesses at the start of the statutory consultation. We will also hold four local in-person events where we will share details of the scheme and will have representatives of the project team available to answer any questions stakeholders may have. I would like to ask you to encourage members of the local community to attend these events so that they can find out more and also ask their own questions. The event dates are:

- Tuesday 16 May from 2pm to 8pm at Loftsome Bridge Hotel, Wressle
- Wednesday 24 May from 2pm to 8pm at Boothferry Golf Course, Spaldington
- Saturday 10 June from 2pm to 8pm at Bubwith Leisure Centre, Bubwith
- Tuesday 13 June from 2pm to 8pm at Howden Shire Hall, Howden

In addition, we will be hosting two online webinars for anyone who cannot join the local in-person events. These events we include a brief overview presentation of our plans and allow attendees to ask questions. The webinars will run on:

- Thursday 25 May from 6pm to 7pm
- Thursday 8 June from 7pm to 8pm

All information will be available online at our dedicated website <https://www.boom-power.co.uk/east-yorkshire/>

We are committed to ensuring that we remain open and engaged with the community regarding our proposed solar projects. We believe that staying connected with a transparent approach to our development process with those most affected by our projects is key to a achieving a brighter future for us all.

It is our aim to submit a Development Consent Order (DCO) application for the solar farm in late 2023.

To arrange a briefing meeting, or if you have any questions, please get in touch by emailing eastyorkshiresolarfarm@boom-power.co.uk

Your sincerely,
