Hello Simon

I've tried to load a response via 'have your say' but after a long period of time, its still processing, so not sure if it will come through.

Please accept my last email as a request to change the deadline 1 for the LIR to 27 June 2024 - see reasons below.

Hello Simon

Thank you for your email and advice on this matter.

I can add another response regarding a change to Deadline 1.

FYI - (We are asking if the ExA can consider a change to Deadline 1 - with respect to the submission of the LIR. The LIR is expected to be presented to Members at the Planning Committee on 20 June 24, which is after Deadline 1 (18 June) set out in Annex D. We may also require further time to amend the LIR, to include the resolution of Members. We therefore seek an extension of Deadline 1 to the 27 June 24.)

Good evening Joanne,

I hope this email finds you well.

I can confirm that we have an entry for you to attend the Preliminary Meeting virtually and this did make reference to your desire to speak at Agenda Item 5 and speak in relation to the Timetable. If you later need us to add any other representatives of East Riding of Yorkshire Council, please let us know and we can accommodate that. I have not yet seen a separate submission seeking a change to Deadline 1 but that may still be moving through our system (if you did this by the Have your say portal). I can get the case team to check again on Tuesday and if you have a copy of such a submission you are welcome to submit this through the mailbox as well to provide you with reassurance that we will have got it by at least one route prior to 23:59 on Tuesday and that parties can see it prior to the meeting and reflect on the change you are seeking. Alternatively, I can treat your email below as a submission to Procedural Deadline A, should you wish us to do this.

Kind regards,

Simon

Hello

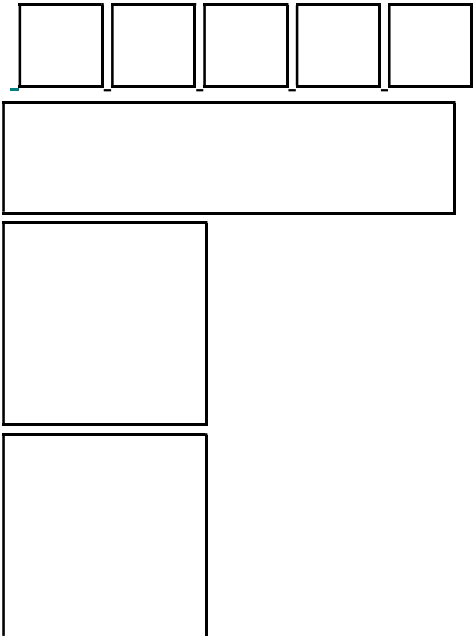

On behalf of East Riding of Yorkshire Council, I've submitted an online request to participation virtually in the Preliminary Meeting and we are seeking a change to Deadline 1 - submission of the LIR, due to our Committee Timetable.

I've not received anything to say you've received this and I'm not sure if I've done this correctly or whether you require more details about our request.

Given the approaching Bank Holiday and the deadline of 7 May, I wanted to be sure you have my submission and whether you need further information.

Regards
