You don't often get email from [REDACTED]@gmail.com. [Learn why this is important](#)

Dear Sirs,

Could you please note I object very strongly to the proposed 3,000 acres of solar farm, Gribthorpe, Spaldington, Brind etc.

What a monstrous idea, the devastation it will cause will be unbelievable.

There are many photographs of absolutely splendid crops growing, important crops!

The devastation this will cause will be immeasurable, beautiful old trees, miles of hedgerow, wild flowers. Deer will end up being forced into the roads, accidents or worse for both humans and animals. Deer, badgers, otters, amphibians including great crested newts (endangered), all will be displaced, sky larks, a ground nesting bird, it would be awful to never hear their sweet song again.

It was such a great shame all the new builds in Howden were not completed with solar panel's.

Solar panels do not belong on agricultural land.

Having attended several of the Boom meetings, their agents really didn't have a clue as to how to answer my questions, that was a total waste of time.

The noise will be intolerable, whilst being installed and after, ruining our beautiful countryside, who wants to walk, cycle, ride a horse, (which would probably be terrified).

We have a number of airbnbs, lodges, etc that attract a number of tourists, what a massive loss for the locality. Who would want to visit, or holiday when this proposed monstrosity is being built and after?

The batteries can and do ignite, causing massive problems for the fire brigades, and pollution!!

This is not green energy. The metals etc. have been mined from across the world, by very poor people, in dreadful situations. Then in 20 or 30 years what happens to the useless panels? Massive land fill or what?

Interestingly solar panels are at best only 20 percent efficient!!!!

What a total waste of agricultural land. Personally I would rather go with our electricity than starve.

Please say no to solar farms, panels belong on roof tops etc, not on farm land.

Thanking you for your attention,

Yours sincerely,

Rowena Morgan

Dear Sir/Madam

Please find below a link to a letter from the Examining Authority (ExA) that has been published on the National Infrastructure Planning website.

The letter provides notification of the following events at The Parsonage Hotel and Spa, Escrick, York, North Yorkshire, YO19 6LF and virtually via Microsoft Teams:

- Tuesday 09 July 2024, 2:00pm Compulsory Acquisition Hearing 1
- Tuesday 09 July 2024, 6:00pm Open Floor Hearing 1
- Wednesday 10 July 2024, 10:00am Issue Specific Hearing 2

The letter also includes other important information about the hearing(s) including details about how to make a request to be heard and the procedure that will be followed at the hearing(s).

<https://infrastructure.planninginspectorate.gov.uk/document/EN010143-000621>

You can also view the letter under the Documents tab on the project webpage of the National Infrastructure Planning website:
