FAO Case Officer

East Yorkshire Solar Farm Limited - Withdrawal of Northern Gas Networks Ltd. (NGN) Objection

(NGN Properties Job ref: 14025)

(Pipelines: Asselby to Harswell & Asselby 7 bar + local distribution network)

Based on the provisions contained within the attached, signed "Asset Protection Agreement", I am therefore withdrawing our current objection to the Solar Farm scheme which I understand took the form of the attached letter (from Dave Ring) dated 11/05/23.

Please accept this e mail as withdrawal of the objection.

Going forward, I would emphasise that it is in the developers interest to continue to liaise with us during the planning, construction and subsequent operation of the Solar Plant, in order to ensure the safety of any site personnel and the continued integrity of our affected assets.

Many thanks and Best Wishes

Donald Gilbank

Network Officer
