27 June 2024

Dear Mr Warder,

**Applicant Letter Examination Deadline 2, East Yorkshire Solar Farm Limited**  
**Application Ref: EN010143**

This letter accompanies the submission of a suite of documents by East Yorkshire Solar Farm Limited (the Applicant) for the Examination of the Development Consent Order Application for East Yorkshire Solar Farm. The suite of documents has been submitted via the Planning Inspectorate's portal at Deadline 2 of the Examination on 27 June 2024. This information has been provided to respond to requests for information set out in the Rule 6 letter **[PD-002]** issued by the Examination Authority (ExA) on 23 April 2024 and the Rule 8 letter **[PD-003]** issued on 28 May 2024.

The table below lists the suite of documents submitted by the Applicant with this cover letter, with further information provided in the remainder of the letter and in the Guide to the Application (Revision 03).

<b>Doc. No.</b>	<b>Title</b>

EN010143/APP/8.4	Statement of Commonality for Statements of Common Ground
EN010143/APP/8.17	UK Health Security Agency/Officer for Health Improvement and Disparities Statements of Common Ground

### **Further Detail on Documents Submitted**

#### **Applicant's draft itinerary for the ASI**

This document presents a draft itinerary for the Accompanied Site Inspection (ASI).

#### **Applicant's response to Written Representations submitted at Deadline 1**

This document presents the Applicant's responses to Written Representations submitted at Deadline 1.

#### **Applicant's Additional Responses to Examining Authority's First Written Questions and Interested Parties' Submissions to First Written Questions at Deadline 1 and ES Appendix 17-1**

This document provides additional responses in relation to ExA's First Written Question relating to the cumulative effects assessment. An update to ES Appendix 17-1 Shortlist of Cumulative Schemes is provided to support the additional response to ExA1WQ 15.0.5 [REP1-082]. In addition, this document provides the Applicants responses to Interested Parties' Submissions to First Written Questions at Deadline 1 which include matters that have not been considered previously.

### **Guide to the Application (Revision 03)**

The Guide to the Application has been updated to provide a full list of all documents submitted so it can be clearly seen which version is the most up to date of each document. Both tracked and clean versions of this document have been submitted.

### **Schedule of Negotiations and Powers Sought (Revision 02)**

This document has been updated to document the progress on voluntary negotiations with persons with an interest in land, and with statutory undertakers since Deadline 1. Both tracked and clean versions of this document have been submitted.

### **Chapter 7: Cultural Heritage, ES Volume 1 (Revision 01)**

Chapter 7 of the ES has been updated with a section presenting the effects of the temporary construction compounds which was originally part of the assessment of laying of cables within the Grid Connection Corridor). The updated chapter also updates the assessment of the historic landscape to respond to a Historic England's relevant representation. Both tracked and clean versions of this document have been submitted.

### **Statement of Need (Revision 01)**

The Statement of Need has been updated to amend the section regarding the proposed panel technology which was originally written in error. Both tracked and clean versions of this document have been submitted.

### **Habitats Regulations Assessment (Revision 01)**

The Habitats Regulation Assessment has been updated to address matters raised in Natural England's Relevant Representation and in further consultation with the Applicant. In addition, this document has been updated in response and the First Written Questions from the ExA. Both tracked and clean versions of this document have been submitted.

### **Statement of Commonality for Statements of Common Ground (Revision 01)**

This document has been updated to reflect changes to status of the Statements of Common Ground since Deadline 1. Both tracked and clean versions of this document have been submitted.

### **UK Health Security Agency/Officer for Health Improvement and Disparities (UKHSA/OHID) Statements of Common Ground (Revision 01)**

This document has been updated following receipt of confirmation from the UKHSA/OHID that the SoCG has been agreed and does not require signature from UKHSA/OHD. Both tracked and clean versions of this document have been submitted.

Should you require any further information or have any questions regarding this submission please do not hesitate to contact the project team.

Yours sincerely,

*Helen Standing*
