Notes

1. This drawing has been prepared in accordance with the scope of RPS's appointment with its client and is subject to the terms and conditions of that appointment. RPS accepts no liability for any use of this document other than by its client and only for the purposes for which it was prepared and provided.
2. If received electronically it is the recipient's responsibility to print to correct scale. Only written dimensions should be used.
3. i. The plans shown are for planning purposes only.
ii. All buildings shown are subject to further detailed design for construction purposes.
4. For the purposes of this plan, RPS is not appointed as principal designer for the purposes of the Construction (Design & Management) Regulations 2015 (or its successors).
5. The design and layout of the buildings shown will be subject to relevant Building Regulation requirements and Construction (Design & Management) Regulations requirements, and any other relevant regulations and requirements including fire safety and other health and safety regulations and requirements. This may result in further changes to the final design and construction of the development.
6. The information shown on these drawings is reliant upon the details, plans, drawings, elevations and other information provided to RPS by and/or on behalf of the client.
