You don't often get email from [botleywestsolar@planninginspectorate.gov.uk](mailto:botleywestsolar@planninginspectorate.gov.uk). [Learn why this is important](#)

Dear Sir/Madam,

The Inspectorate previously approached your authority on Monday 18 November 2024 and followed up with a further reminder email to your authority dated Friday 29 November 2024. In our letter and email dated Monday 18 November 2024 we invited your authority to provide an Adequacy of Consultation Representation by Monday 2 December 2024 in relation to the Botley West Solar Farm Development Consent application. I attach copies of our letter of the 18 November and our proforma for Adequacy of Consultation Representations.

We do not appear to have received such a representation from your authority to date and would appreciate it is you could advise us whether you intend to make such a representation but require more time or are not intending to make such a representation. If you could provide us with this
