The proposed Botley West Solar Farm application is currently at the Pre-application stage of the Planning Act 2008 process. Further information about the process can be found at the following link to the National Infrastructure Planning website: https://infrastructure.planninginspectorate.gov.uk/application-process/the-process/.

Your email appears to relate to the public consultation being carried out by Photovolt Development Partners (PVDP) on behalf of SolarFive Ltd ('the Developer'). The Planning Inspectorate is unable to consider such representations until an application for Development Consent has been submitted and accepted for Examination.

Instead, you should send your correspondence directly to the Developer at the contact details below:

Email: info@botleywest.co.uk
Post: FREEPOST BWSF
Telephone: 0808 175 3085

It is important that the Developer is made aware of your consultation comments to enable them to consider the points raised before finalising their proposals and submitting the application. The Developer's consultation period is from 30 November 2023 to 8 February 2024.

Should the application be accepted for Examination, you will be able to register as an Interested Party by submitting a Relevant Representation. This must be submitted on the 'Registration and Relevant Representation form' which will be made available on the project webpage of the National Infrastructure Planning website at the appropriate time. Further information about registering as an Interested Party can be found in the Planning Inspectorate's 'Advice Note 8.2: How to register to participate in an Examination' which can be found here: https://infrastructure.planninginspectorate.gov.uk/legislation-and-advice/advice-notes/advice-note-8-2-how-to-register-to-participate-in-an-examination/.

You may also find it helpful to subscribe to receive email notifications for key events that occur after the application has been submitted to the Planning Inspectorate: https://infrastructure.planninginspectorate.gov.uk/email-subscription.php?project=EN010147&email=.
