Apologies,

I thought I had? However I was on my phone so sometimes it is difficult to fill out sections.

May I be added on the basis, that I object to the proposal due to the loss of agricultural land and the ugliness of the panels. I also feel that Lincolnshire is considered to be an easy target (as opposed to say the Cotswolds....)

Good afternoon,

We received the following Relevant Representation submission from you for the above project:

20054577 dated 15 February 2025

Unfortunately, we cannot accept your submission as you cannot just support/object the application without a reason.

You can still be kept updated on the project on our project webpage and can attend any upcoming events during the Examination stage of the application process.

Kind Regards,
