Dear Planning Inspectorate,

We are acting on behalf of East Anglia THREE Limited ("EA3") who are a wholly owned subsidiary of ScottishPower Renewables (UK) Limited in relation to the development consent application by National Grid Electricity Transmission (the "Applicant") for the proposed Bramford to Twinstead Reinforcement.

We would like to request to be heard orally at the Preliminary Meeting on 12 September 2023, particularly in relation to agenda item 4 (Draft Examination Timetable). During this agenda item, we would like to confirm that our plan for involvement during the early stages of the Examination is agreed with the Planning Inspectorate and the Applicant. We intend to join the Preliminary Meeting virtually.

Yours faithfully,

Shepherd and Wedderburn LLP
