Dear Planning Inspectorate

**The Proposed Bramford to Twinstead Reinforcement Order
Application Ref. EN020002**

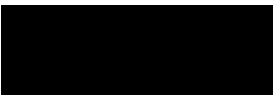

Deadline 4 Submission

We are acting on behalf of East Anglia THREE Limited (“**EA3**”) (a wholly owned subsidiary of ScottishPower Renewables (UK) Limited (“**SPR**”)) and SPR in relation to the development consent application by National Grid Electricity Transmission (the “**Applicant**”) for the proposed Bramford to Twinstead Reinforcement (the “**Application**”).

EA3 and SPR have had several productive discussions with the Applicant to date and have agreed on the key interface issues between the projects. We are currently waiting for a draft side agreement to be provided by the Applicant so the negotiations can continue to progress.

We would be grateful if you could kindly acknowledge safe receipt of this letter.

Yours faithfully
