You don't often get email from [REDACTED]. [Learn why this is important](#)

Dear Sir

Thank you for sending your letter of 27 February.

I regret I am not happy to withdraw my objection. As I explained in my earlier email of 8 January 2024, the Applicant has not inspected or met me on site as I have repeatedly asked them to do, nor addressed my concerns over access across my land. I do not object to the principal of the proposals but I do object to the detail.

Yours faithfully

Bob Cowlin
