Dear Sirs

PLANNING ACT 2008

**APPLICATION BY SP MANWEB FOR DEVELOPMENT CONSENT FOR THE
NORTH WALES WIND FARMS CONNECTION**

OPTION B SUBMISSION

I am pleased to enclose, on behalf of SP Manweb plc (SP Manweb), an application for consideration by the Examining Authority and Secretary of State – SP Manweb’s “Option B Submission”.

Whilst SP Manweb considers its March 2015 application to be acceptable and that it should be granted development consent, Option B reflects requests for amendments made by affected landowners.

A full Schedule of applications is included in Annex 1 to the Option B Submission Document. This document sets out in detail the basis for and the background to the application.

If you have any queries in relation to this submission, then please do not hesitate to contact my colleague Charlotte Clinton at: charlotte.clinton@acem.com.

Yours sincerely

Claire Duffy
Environmental Planner
SP Energy Networks, for and on behalf of SP Manweb
