Certificate under regulation 9(b) certifying compliance with regulations 7 and 8

I certify that, in compliance with the requirements of regulations 7 and 8 of the Infrastructure Planning (Compulsory Acquisition) Regulations 2010 –

(a) notice of the proposed provision was given to the required persons identified in accordance with regulation 7;

(b) a copy of the proposed provision and accompanying documents and information was made available to the required persons; and

(c) the proposed provision was published in the required manner

- in relation to the proposed provision to authorise the compulsory acquisition of additional land for accommodating changes to the Proposed Development as a result of landowner suggestions

Pole Changes	Statement of Reasons relating to the Additional Land
Indicative pole locations 7-15	Amend indicative location of pole 7 including additional pole 9b so that the pole is not in the corner of the field.
Indicative pole locations 55-61	Amend indicative location of pole 59 away from the hedge to allow access south from the pole.
Indicative pole locations 62-69	Amend indicative location of pole 64 and 66 south approximately 6 metres so that they are closer to the hedgerow.
Indicative pole location 96	Amend indicative location of pole 90, 92 and 96 such that they are placed on hedge lines.
Indicative pole locations 117-121	Amend indicative location of pole 119 so as to place the pole on the east side of the hedgerow to enable improved access into the field. The change in position of the illustrative location for pole 119 is limited to approximately 10 metres to the east.
Indicative pole locations 175-177	Amend indicative location of pole 176 to 177 to avoid poles in the middle of future building plot.
Indicative pole locations 178-188	Amend indicative location of pole 178 to 179 to be moved to the boundary and Poles 182 and 184 to be moved north to the field boundaries.
Indicative pole locations 210-214	Amend indicative location of pole 211 to 213 including additional pole 212a to move the line further to the east of the field to address the landowner's request regarding the visibility of the Proposed Development from their property.
