Adequacy of consultation request

Dear Mr Coombes

Thank you for your letter dated 20th March regarding the above matter.

A report on the applicant's draft Statement of Community Consultation was submitted to the Planning Committee on 14th February 2014. The Committee resolved to make no objection to that draft Statement.

In respect of your letter dated 20th March, I note that you require a response by 3rd April. As there has not been a meeting of the Planning Committee during that period, the Council is unable to form a view within the timescale provided as to the adequacy of the consultation exercise.

I am aware of correspondence by the Pylon The Pressure Group to yourselves in relation to the consultation exercise. Whilst I'm unable to endorse any representations made by interested parties, I trust that you will give careful consideration to the issues raised therein.

Yours sincerely

 **Paula Jones**
