

**Infrastructure Planning (Examination Procedure) Rules 2010
Application by SP MANWEB for an Order Granting Development Consent
for the North Wales Wind Farms Connection**

**Action Points from the Issue Specific Hearing on Option B draft
Development Consent Order and any remaining matters in relation to
the Option A draft Development Consent Order which took place on
Thursday 10 December 2015.**

	Action Point	Action by	Deadline
1	The Applicant is to prepare a schedule of certified plans and documents to be included in the draft DCO to ensure version management and provide clarity to the LPAs. The last editions of the Environmental Management Plans submitted before the end of the Examination are to be included in Requirement 1 as certified documents.	Applicant	9
2	The Applicant to provide confirmation in a SoCG with DCC that agreement has been reached on Articles 10 to 16 of the draft DCO	Applicant	9
3	Article 22 – the applicant is to reconsider the wording in order to provide a financial guarantee (or bond) to secure the funding for the compulsory acquisition of rights as provided for in the Hornsea One Offshore Wind Farm Order 2014.	Applicant	9
4	Article 33 should be amended to reflect NRW's positions, which will also require corresponding changes to Schedule 9	Applicant	9
5	The title of Requirement 6 should be amended to more suitably reflect the content	Applicant	9
6	The Applicant should reconsider the need for hours currently included in Requirement 10 of the draft DCO and consider the possibility of limiting HGV movements to week day working hours only	Applicant	9
7	The Applicant should consider including the following wording in Requirement 13;	Applicant	9

	"should include but not limited to"		
8	The Applicant should consider removing and/or consider wording with particular reference to the term "unlikely" in Requirement 16	Applicant	9
9	Notwithstanding the panel's remarks, the Applicant should also look at removal of superfluous terms such as "at some future date" in Requirement 18	Applicant	9
10	The Applicant should consider the provision of additional information presented in a tabular format which could include the provision of wording "included but not limited to" in Schedule 8	Applicant	9
11	The applicant is to report back to the ExA following the site meeting discussions that are to be held with Mr Dewi Parry w/c 14 December regarding his preference (if any) for Option A or Option B pole locations in the vicinity of College Farm bungalow.	Applicant and Mr Dewi Parry	9
11	The Applicant is to consider the provision an edition of the draft DCO based on Option B at DL9 which reflects all of the changes that were identified by the Panel at the end of the DCO hearing. This is to be provided as (i) a track changed edition (compared with the first edition of the Option B draft DCO) and also (ii) a clean copy with track changes accepted and (iii) a Word edition of the clean copy.	Applicant	9
