

**Planning Act 2008**

**The Infrastructure Planning (Environmental Impact Assessment) Regulations 2009**

**Certificate of compliance with regulation 13**

I hereby certify that, in compliance with the requirements under regulation 13 of the Infrastructure Planning (Environmental Impact Assessment) Regulations 2009 –

- a) notice of the application was given to the person identified under regulation 9; and
- b) a copy of the accepted application, including the environmental statement and a map was given to the consultation bodies in accordance with regulation 13,

- in relation to the application for an order to grant development consent to construct and install, operate and maintain an approximate 17 kilometre 132,000 volt (132 kV) electric line above ground (electricity distribution connection) along the route commencing from a collector substation at Clocaenog Forest, Denbighshire, to a terminal point located to the south of the unnamed Groesffordd Marli to Glascoed Road and the B531 (Glascoed Road) near to St Asaph Denbighshire. It crosses into the County of Conwy near to Henilan and back into Denbighshire at the Afon Elwy.

(Completed certificate to be received by the Secretary of State for Energy and Climate Change no later than 10 working days after the deadline stating the applicant has fulfilled all the requirements at (a) and (b) above).
