**To:** North Wales Wind Farm Connection  
**Subject:** FAO Steffan Jones - Our Client :Mr AEM Owen Bodysgaw Isa, Llanefydd,Denbigh - Proposed North Wales Wind Farms Scheme Our Ref;NWW. Owe,A-6-EW SUBJECT TO CONTRACT

Dear Sir,

Further to our telephone conversation of earlier today , in respect of Scottish Power's Option A proposal, we confirm that our above mentioned client has asked that we request the Planning Inspectorate ,please, to visit the subject affected land in his occupation as sitting tenant so as to be in a position to comprehend the request made for the following modifications to the scheme proposal .

In order to reduce the significant impact of the proposed scheme on agricultural use of the subject silage/arable land ,our client is seeking to adjust the siting of proposed Poles (stays)193, slightly due north, closer to the hedge line, **and even more significantly** Poles (& stays)196, due east, where approximately shown by 'X' on the accompanying Site Plan (with the poles and stays being as close as possible to the field boundary near the old quarry) .

To confirm inspection arrangements (which we understand are scheduled either on Tuesday 22<sup>nd</sup> or Wednesday 23<sup>rd</sup> September 2015) Mr Owen can be contacted on [REDACTED] . We ask that the contact numbers ,please, are retained confidentially.

Yours faithfully ,  
**Eifion Bibby**
