Dear Sir/Mdm

## **North Wales Wind Farms Connection Project Proposed Development Consent Order**

### **SP Manweb PLC Written Representations: Natural Resources Wales Comment**

This is not a complete review of the submissions of SP Manweb PLC at 'Deadline 1' but we wish to raise a point for clarification.

NRW does not agree with the applicant's submissions (in its WR) that NRW's concerns do not need to be further considered during the examination. Whereas NRW has made representations that the proposals are unlikely to have significant adverse impacts on the environment, this is subject to appropriate measures having been taken by the applicant, the details of which need to be fully considered by the ExA during the examination.

Please contact David Hatcher ([david.hatcher@cyfoethnaturiolcymru.gov.uk](mailto:david.hatcher@cyfoethnaturiolcymru.gov.uk)) should you require further assistance.

Yours faithfully,

**Richard Ninnes**
