Dear Sirs

**NORTH WALES WIND FARMS CONNECTION PROJECT
OUR CLIENT: MRS M JONES, GARNEDD UCHAF, PENIEL, DENBIGH,
DENBIGHSHIRE LL16 4TD**

Further to previous communication, we understand that at the public enquiry matters were discussed relating to the level of compensation proposed by Scottish Power.

Unfortunately, we have been unable to get detailed terms from Scottish Power and therefore the current proposals are not acceptable.

We trust this is self-explanatory.

Yours faithfully

ROSTONS
